

## New fund source to rehabilitate old Nameoki sewers

By HARRY BARNES  
Press-Record Staff Writer

The Illinois Environmental Protection Agency has approved a \$27,000 grant as initial assistance in Granite City's program to rehabilitate all of the Nameoki area sanitary sewer system. City Council members were informed Tuesday night by Richard H. Brieland, EPA director.

Mayor Paul Schuler described the grant as "most important" in that it indicates a source of funds to aid the city in its efforts to repair and rehabilitate a series of sewer breaks that still plague the Nameoki area despite an expenditure of \$1.6 million for sewer repairs during the past three years.

While the city has had several major studies of its sewer problems under way over the last year and a half, it was faced with the prospect of financing the studies, as well as eventual

repair work, without state or financial aid until Brieland informed city officials last April that grant funds might be available in a three-step program including planning studies, design work and construction costs.

Notice of the grant approval was received as council members went on record commending the City Street Department for completing repair of two of the city's major and long-standing sewer breaks at costs far below those charged in the past for jobs that were done under contract.

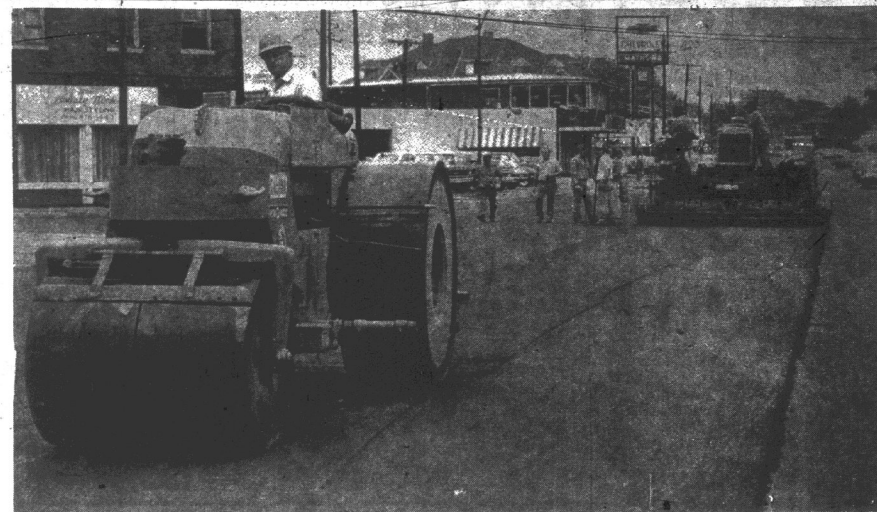

The work was done by the new sewer division of the Street Department created several months ago to employ the department's televising and grouting equipment to seek out and repair broken or weakened sanitary sewer lines in a long-range rehabilitation program that so far has proven highly successful.

Alderman Clyde Boyd of the Third Ward, chairman of the council's Street and Alley Committee, told the council that the sewer division has completed replacement of broken sewer lines on Mitchell Avenue at North Street and in the easement in the 2200 block between Pontoon Road and Ames Avenue at what is considered an extremely low cost.

He said total cost of replacing 350 feet of sewer line at the Mitchell Avenue break was \$9,063 including wages, materials, equipment and supplies.

Boyd added that "This is an extremely commendable job." Alderman Ronald Coleman of the Seventh Ward commented: "I wonder if the public is aware of the impact of this situation. This same job (Mitchell Avenue) would have cost anywhere from \$35,000 to

(Continued on Page 5)

NEW ASPHALT SURFACE is applied on Niedringhaus Avenue between Grand and Edison Avenues as part of a citywide street improvement program that will cost nearly a quarter of a million dollars. The Niedringhaus Avenue resurfacing was included at the request of

Mayor Paul Schuler in a series of road improvement jobs suggested by the aldermen of each of the city's seven wards. The work is being done by the Reese Asphalt Co. of Duplo as subcontractor to the MacIair Asphalt Co. of Collinsville.

## Record-United campaign launched

Enthusiasm as sizzling as the sausages and scrambled eggs served this morning motivated a capacity gathering at the Tri-Cities Area United Way campaign kickoff breakfast.

With a record \$75,000 sought in the Sept. 23-Oct. 27 campaign to help meet 1977 operating costs of 15 agencies, General Campaign Chairman Bill H. Terrell voiced hope at the

breakfast that \$500,000 can be raised.

C. W. McCullough, American Steel Foundries manufacturing vice-president and principal speaker at today's kickoff meeting, said that with enthusiasm and confidence, the more than 200 drive participants and thousands of contributors can put the campaign over the top.

McCullough described the campaign goal as challenging, comparing it to the \$44,800,000 sought in the Chicago area "crusade of mercy," and outlined techniques recommended in charitable solicitation.

Enthusiasm can be increased to an intense level throughout the community by each individual personally becoming

familiar with the worthy and much-needed services of member agencies, the speaker commented.

Direct knowledge of the rehabilitation, counseling, activities and material help provided through United Way agencies here impresses observers with the vital nature of the UW program and the necessity of raising the drive goal, McCullough added.

"Giving is living," he said the breakfast assembly, adding that each needs to give "until the Master stops giving to you."

He called for a positive approach to obtain seven per cent more than a year ago.

McCullough urged businesses, professionals, organizations and individuals to "redouble your efforts" and also encourage industries and unions to accelerate their United Way participation.

M. B. Milonski, American Steel Foundries works manager here, introduced the guest speaker and also recognized Robert D. Middle, Granite City Steel president.

Milonski said A. O. Smith Corp., Granite City Steel and American Steel are resoliciting all employees this fall as a means of increasing local awareness of the United Way agencies and of seeking increased giving.

Terrell recognized as division chairmen Mrs. Norma Mendoza, public relations; Mrs. Jo Meyer, mail and telephone; Henry Gray, Madison-Venice; George Moore Sr., civic; Drew Karandjeff, commercial division II; David Brooks, commercial division I; Donald Van Horn, business; William Donovan, industrial; Eric Robinson, professional; Henry Ross, construction; and Donald Shaeffer, labor.

The drive chairman displayed his three-year-old son's shoe and verbally applied parts of its construction to aspects of the campaign.

Because of the shortage of time given to prepare the applications and to design a new permanent vocational building, the board requested the administration to immediately begin seeking proposals from architects to design a well preparing the cost estimates

THE UNITED WAY  
is people helping people.

## Chouteau hall groundbreaking

The Chouteau Town Board of Auditors will host a special groundbreaking at 9 a.m. Saturday at the site where construction is to begin immediately for a new town hall and community center building.

Contracts for construction of the dual-purpose building were awarded by the board and the township's Community Development Committee Sept. 7.

Contracts totaling \$181,977 were awarded to: Wilson Construction, Godfrey, \$119,209 for general construction; Wagman Electric Co., \$17,420 for electrical work; Modern Plumbing, \$10,381 for plumbing work; and Spiffert Heating and

Cooling, Granite City, \$14,967 for heating and air conditioning work.

The groundbreaking plans were discussed by the town board at its regular meeting Monday night.

The board also declined to approve a request from Chouteau Highway Superintendent James Estes for \$600 from the township's federal revenue sharing fund for oiling the drive to the township garage and the site of the new building, both behind the Midwest Motel in Mitchell.

A motion was made to pay the \$600 for the oiling, but was voted down on a 2-3 vote when some auditors said they did not feel anything should be taken out of that fund in case it should run short when the building is constructed.

The new building is to be constructed with revenue sharing and community development grant funds at no direct cost to the taxpayers.

Estes refused to pay half of the cost of the annual accounting of the township and highway books, noting he was unable to hire the accounting firm he selected and since the auditors hired the accountant, they should pay for the audit from township funds, not highway department funds.

The board decided to withhold payment of the \$1,275 auditing bill from the R. C. Scheffel & Associates firm, pending a decision from the township's attorney whether the highway

## On and off the record

### Shiver our timbers! Pirates on way

Applications for building permits were received Tuesday by Granite City for construction of a Long John Silver Seafood Shack on Nameoki Road at the entrance to the Crossroads Plaza Shopping Center, and for construction of a pharmacy adjacent to K-Mart on Nameoki Road.

A \$6,000 permit has been issued to K-Mart for the pharmacy changes within the existing building.

The application for the \$70,000 seafood shop is under consideration by the city's building inspector prior to issuing a building permit.

It is to be located near the traffic light at the main entrance to the shopping center, just north of the Hassler Insurance Agency building now under construction.

The shops is to be 52 feet long and 34 feet wide and built in a New England style. The city is awaiting specific plans on the building, the proposed means of disposing of storm water and sewage and a parking plan prior to approval of the permit.

Eighteen parking spaces will be required under city ordinances requiring one parking space for each 100 square feet of building.

### 'Join the Navy and see Norway'

"Join the Navy and see the world," the slogan goes. Navy Personnelman Seaman Apprentice Patrick J. Fleener, 19, son of Mr. and Mrs. John H. Fleener, 2316 Lynch Ave., enlisted and is now seeing Scandinavia courtesy of the Navy. But it's not a pleasure trip.

Fleener is a crew member aboard the replenishment ship U.S.S. Kalamazoo; their home port is Mayport, Fla. Vessels are operating in the North Atlantic Ocean, English Channel and Baltic Sea. And there is to be a major combined amphibious landing in Norway, with a secondary amphibious landing in Denmark.

He is participating in "Teamwork 76," a two-week maritime exercise of the North Atlantic Treaty Organization. The activity involves more than 80,000 personnel, 200 surface ships, 30 submarines and 300 aircraft from nine NATO countries and France.

## Opportunity to vote Pub revoked and costly

Voters in Madison County Nov. 2 will have a wide range of choices to choose from, but the choice is going to be an expensive one.

Nearly \$150,000 will be spent to convert the county's six-column voting machines to eight-column for the eight parties certified on the Illinois general election ballot.

Expanding the machines to eight columns was approved yesterday by the Madison County Board.

The board Aug. 18 approved expanding the voting machines to seven columns at a total cost of about \$90,000, but had to reconsider the action yesterday when Mrs. Evelyn Bowles, county clerk, said it is mechanically impossible to place the eight certified parties on the seven-column machines, even though parties legally may be placed on the ballot with one above the other.

The board yesterday decided to convert the machines to eight columns with the eighth column costing about \$60,000 more. Miss Bowles said the conversion of the machines can not be done at a lower cost and noted about \$25,000 is being saved through the purchase of used parts.

Parties on the ballot besides the Democrats and Republicans are the Communists, Socialists, Workers, Socialist Labor, United States Labor and Libertarian parties and Sen. Eugene McCarthy, running independently for president.

The Illinois State Liquor Control Commission has upheld an order by Mayor Paul Schuler revoking the liquor license of Rick's Pub, 1306 Nineteenth St., the Granite City Council was told Tuesday night.

The announcement was made by Mayor Schuler who said he had called Thomas Murphy, executive director of the state commission, Tuesday afternoon to discuss the case and was told at that time that the commission has upheld the revocation.

Mayor Schuler issued an order revoking the license on Sept. 3 following a hearing in the city hall on charges by the

mayor that Rick Rose, operator of the Pub, had pleaded guilty to conspiracy charges following a federal investigation into a counterfeit money case.

Schuler also alleged that disturbances had occurred in and near the tavern. Rose denied the allegations and appealed the revocation order to the state commission.

The transcript of the local hearing was used by the state commission as the basis for consideration of the appeal.

Mayor Schuler said that the city has not yet received the official order from the state, but that the Pub "will be closed as soon as we get it."

The new building is to be constructed with revenue sharing and community development grant funds at no direct cost to the taxpayers.

Estes refused to pay half of the cost of the annual accounting of the township and highway books, noting he was unable to hire the accounting firm he selected and since the auditors hired the accountant, they should pay for the audit from township funds, not highway department funds.

## '14th colony'

(77th of a Bicentennial year Press-Record series)  
Settlers and traders who moved into Illinois and Ohio before the American Revolution of 1776 helped the victorious 13 colonies claim a huge territory extending west to the Mississippi River.

The area was so important in the war and in the peace negotiations which followed that it might well be called the 14th colony, in the opinion of Natalia Belting, professor of history at the University of Illinois, Urbana-Champaign.

An authority on the early years of the French in North America and on the history of

Illinois and the Midwest, she has explained the role that events in Illinois, Indiana, Ohio and Kentucky played in the American Revolution and in the establishing of the new nation. Virginians claimed the land west of their seaboard colony right of their charter of 1609.

Colonists, usually from Virginia or Pennsylvania, ignored the British Royal Proclamation of 1763 which prohibited them from moving to land east of the Appalachians.

Inclusion of the land in the province of Quebec by the French and Indian War.

## Orientation for foreign students at university

Orientation for international students attending Southern Illinois University at Edwardsville for the first time during the fall quarter will be held tomorrow at the Tosovsky Center, beginning at 10 a.m., according to Judy Thatch, foreign student advisor at the university.

The Tosovsky Center is located at the northeast edge of the campus, just off Route 157 and directly across the highway from Home Nursery. The orientation is jointly sponsored by the International Hospitality Program (IHP), a volunteer program made up of community residents who help watch over more than 200 international students attending the university, and the SIUE Office of Student Affairs. University students from other lands who have attended SIUE for more than a year and who are familiar with the area will be on hand to help the students become acquainted with the campus. Representatives of various departments of the university also will be present to discuss procedures, policies, rules and "how-tos" with the new students.

Anyone willing to be a host family to an international student should also attend the meeting, Miss Thatch said. Host families are expected to meet students at the airport, provide a temporary home for them while they get adjusted to the community and the campus, help them find housing, and act as a friend during their stay at SIUE.

Most of the students prefer to eventually move either into university housing or an apartment of their own. However, university housing is filled and apartments in the area are hard to find. More host families will be needed while the students are making the transition from the world they left behind to the campus environment, Miss Thatch noted. A hayride and wiener roast have been planned for international students Saturday, Oct. 9, at 7 p.m. at Murrell Klenke's farm. The hayride and wiener roast are usually the new students' first experience with such American customs. The annual IHP picnic for international students will be Sunday, Oct. 17, at 2 p.m. at the Faculty Club. All international students are to be invited along with their host families. Those wishing to be a host family for one or more international students may contact Judy Thatch, international student advisor; her office is located in the Office of Student Affairs.

## Aptitude test forms due soon

The Scholastic Aptitude Test (SAT) of the College Entrance Examination Board (CEE) will be offered Nov. 6 at some schools in the surrounding area. Some colleges require this test for admission. Applications should be submitted before Oct. 1. By paying a late registration fee, students may apply up to Oct. 15. Although the test is not given at the Granite City High Schools, applications for the test are available in the Guidance Offices, according to Dorothy Reynolds, counselor of Pupil Personnel Services.

# Tarleton dewatering claim now \$74,000

Granite City officials have settled on a sum of \$74,000 to be paid the G. L. Tarleton Contracting Co. of St. Louis in excess of the contract cost for construction of the city's secondary sewage treatment plant, but payment will depend upon approval by the Environmental Protection Agency of "change orders" on which the additional costs were based, City Council members were told Tuesday night.

City Attorney George Filcoff said the \$74,000 figure was agreed upon in negotiations that followed attempts by the Tarleton firm to collect \$125,000 over the contract cost on billings for dewatering operations that the firm claims were caused by abnormal underground water tables during construction.

As a result, the City Council authorized Mayor Paul Schuler to sign applications to the EPA, which financed 75 per cent of the \$12 million secondary sewage treatment plant, for approval of the change orders for the added cost. Approval of the change order would mean that EPA would pay 75 per cent of the \$74,000 and would resolve the disagreement.

Filcoff told the council: "If the EPA should not approve the change orders, the matter would have to go back to arbitration."

## Births, deaths, marriages drop

Marriages in Madison County during August dropped 14 per cent below the number occurring in August of the previous year, according to a vital statistics report released by County Clerk Evelyn Bowles.

The report showed a total of 279 marriages last month, a decrease of 47 below the 326 occurring in the same month in 1975.

Slight decreases in both the number of births and deaths also were recorded last month. There were 277 births — 160 boys and 117 girls — last month, compared with 280 births — 141 boys and 139 girls — in August 1975. One set of twins was born last month, compared with four sets in August 1975.

A total of 143 deaths occurred in the county last month, down 13 from the 156 reported in the same month a year ago.

## Burglars try to burn house

The house of Mabel Kreis, 1602 Maple St., was broken into and an attempt was made to burn it, neighbors discovered at 1:20 p.m. Monday.

A neighbor watching the house while Mrs. Kreis was away said she noticed the interior of the house had been ransacked and when she entered, she noticed a strong smell of natural gas.

All the gas burners on the stove had been turned on, but not lighted. Rags and papers had been piled on top of the stove.

Entry was believed gained through an unlocked storm door to the enclosed porch and by opening an unlocked bedroom window from the porch to the house.

It is not known if anyone was stolen from the house.

**JACK IS STOLEN**  
A railroad track jack, weighing about 25 pounds, was stolen from an Illinois Terminal Railroad storage shed between Route 3 and Route 151 near the A. O. Smith Corp. plant, it was discovered at 11:30 a.m. Tuesday. A key was believed used to unlock the storage shed.

The \$125,000 claim was made by Tarleton late last year. The contracting firm contended that the flood of 1973 had created such high underground water tables that it was necessary to do more pumping to get water out of the ground than it had provided for in its original bid for the contract, which was submitted prior to the flood.

Filcoff said that the \$74,000 represents cost of dewatering operations against which the city has little or no defense because engineers of the M. W. Engineering firm of St. Louis, the city's engineers on the treatment plant job, aided the contractor in keeping water tables and establishing records on several operations.

The question involved in the \$125,000 claim was whether or not the city was properly notified of the work that caused the additional claims.

While city officials have maintained since the inception of the claim that the contractor should have anticipated such problems and made allowances in its bid, and that the city should have been notified when the need for the additional work became apparent, Filcoff pointed out that the engineers' participation in several phases of the work "puts the burden on us" in these particular instances.

The case was scheduled for arbitration last December before the American Arbitration Association in St. Louis, but that action was held up when Granite City filed suit in Circuit Court at Edwardsville asking a declaratory judgment against the Tarleton claim.

That proceeding later was transferred to the U.S. District Court, which held that the matter should be arbitrated, Filcoff said.

Subsequent negotiations between the city and the Tarleton firm resulted in resolving part of the claims, reducing the amount from \$125,000 to the \$74,000 figure, Filcoff said.

## Recreation, housing or industry for site of abandoned shaft mine

Gov. Daniel Walker on Tuesday broke ground for the first state-funded shaft mine reclamation project in the nation at the Stanton mine in Macoupin County.

Participating in the ceremony were Lt. Gov. Neil F. Hartigan, chairman of the Abandoned Mine Land Reclamation Council, Rep. Ken Boyle (D-Carlinville), Sen. Vince DeMazio (D-Carlinville) and Department of Mines and Minerals Director Russell T. Dawe.

Reclamation of the 33.9-acre site in Stanton will begin immediately. Work is scheduled to be completed by the end of the year.

The project is funded with \$25,575 in Capital Development Board bonds under the Abandoned Mine Land and Reclamation Act.

The site for the reclamation project, which will be used as a demonstration project for future planning and reclamation, was selected by the Council, which consists of eight cabinet directors and Lt. Gov. Hartigan.

Possible uses for the reclaimed land suggested by the city of Stanton included development as a recreation area, a site for low-income or elderly housing and industrial development. Final determination of the area's use will be made by the Reclamation Council.

The mine, originally the Consolidated Coal Company Mine No. 14, was closed in 1923 and has been used as a general dump for a number of years.

Acid run-off from piles of mine waste on land around the shaft has resulted in pollution of the Cahokia Creek watershed, making those waters unusable for surrounding communities.

The area will be regarded, chemically treated to neutralize acid in the ground and fertilized. The site will then be covered with topsoil and seeded.

The reclamation work will be done by Marie, Inc., of Williamsville under a \$401,882 contract awarded last week by the Department of Mines and Minerals, which administers the program.

The reclamation project will be monitored by the Illinois Institute for Environmental Quality and the federal Energy Research and Development Administration through the Argonne National Laboratory to assure that pollutants are no longer present.

The land was purchased by the state from the city of Stanton and the Tublar Steel Co. at a cost of \$1,530.

Additional project costs are for planning and other professional services.

Gov. Walker said, "With this project, Illinois has become the first state in the nation to use its own funds to reclaim abandoned shaft-mine lands."

"Illinois is already a national leader in coal production, research and development. Now we have taken the lead in reclaiming the environment scarred and polluted by old, abandoned shaft-mine operations."

"The damage here was done long before Illinois established its tough environmental regulations. This kind of abandonment is prohibited by current state law."

"Illinois is showing the way, but we cannot do the entire job alone. We hope the federal government will assist states like Illinois in reclaiming abandoned mine lands."

"This site is now an ugly waste, but it will be restored and put to good use."

## GC Rotary supporting police crime blockers

Lend your eyes and ears to the police and be a "crime blocker" was the theme of Granite City Police Officer Glenn Wright's talk at the Tuesday noon meeting of the Granite City Rotary Club in the YMCA.

The program was initiated in Granite City in November 1975 with the aim of having 200 registered "crime blockers" by the summer of 1976, according to Wright.

"This program was met with such enthusiasm that the 200 were registered by February of this year and we now have 450 'crime blockers' registered," Wright said.

A crime blocker is a citizen helping the police and trained

by police to watch for suspicious happenings or incidents of crime in the neighborhood. The citizen also is taught how to properly report incidents.

Rotary President Steve Bristol praised the program and pledged the Granite City Rotary support to it.

Persons seeking more information may contact the Granite City Police Department, 2000 Edison Ave., phone 877-4111.

**MEDICAL CENTER FIRE**  
An overheated light ballast started smoking in the Bellemeire Medical Building, 311 and Myrtle avenues Monday, causing about \$75 damage. Granite City firemen were there 30 minutes.

## News notes

An expected polio vaccine shortage here and elsewhere may be avoided. The federal government signed a contract with Lederle Laboratories on Tuesday, under which parents will sign consent forms to have their children vaccinated against polio, in the event of a suit, the U.S. would share some of the liability. Illinois has 10,000 vaccine doses at present and says it needs 60,000.

Jimmy Carter would be a President willing to "stand up to big business" and force price rollbacks, Walter F. Mondale, Democratic nominee for vice-president, said in campaigning yesterday at Springfield.

Attorneys for SIUE, SIUC and the state auditor general disagree with a state legal interpretation that university foundations may be violated

the state law in purchasing liquor. The university has noted that such funds come from private sources.

Polls show him carrying the city of Chicago, Republican governor nominee James R. Thompson said yesterday in predicting he will defeat Democrat Michael Howlett. The city is regarded as a Democratic stronghold.

Guidelines for swine flu vaccinations to "high risk" children this fall call for a split-virus vaccine in two doses four weeks apart. The recommendation is for those three to 18 years old who have heart trouble, renal disease, chronic muscular disorders and bronchial pulmonary disease.

The U.S. Transportation Department's environmental impact statement on the proposed Columbia-Waterloo airport is on display at nine

locations, including the Edwardsville, Waterloo, Belleville and St. Louis libraries.

The vicinity of Interstate 270 and 70 and Illinois Highways 157 and 159 is favored for a new Lutheran high school, final committee reports indicate. The two-year feasibility study is being presented to churches, Madison and St. Clair counties and a surrounding area extending to Litchfield.

**HURT ON TRAIN**  
Richard Rea, 40, of 2101 Terminal Ave., was injured when the Alton & Southern Railroad train on which he was working derailed near East St. Louis and he was taken by ambulance to St. Elizabeth Hospital where he was admitted at 4:20 a.m. Tuesday with fractured ribs and a possible head injury. He also had abrasions to the right side of his head.

## Hartigan in rare position

**SPRINGFIELD** — If the lieutenant governor were to be elected separately, Michael Hartigan would be the overwhelming favorite.

But that's not the way it is. Under terms of the 1970 state constitution, the lieutenant governor for election purposes is paired with the gubernatorial candidate of his party.

In other words, if you want to vote for Hartigan, you have to vote for Michael Howlett, too.

As the campaign progresses through the summer months, it has become clear that Hartigan will help Howlett much more than Dave O'Neal will help his running-mate, James Thompson.

O'Neal, the sheriff of St. Clair County, has campaigned almost entirely townwide. That's not too surprising, considering that Thompson is from Chicago and his strongest support would appear to be in the suburbs.

But there's little evidence that O'Neal would go over big if he did spend more time in Cook County. As one Chicago Republican told a Democrat, perhaps only half jokingly: "We've got to keep him out here, or he's liable to blow the election."

O'Neal's strongest point seems to be that he lives in Belleville while Howlett, more than Hartigan, lives in Chicago. Downstateans like to have the ticket balanced geographically.

In fairness to O'Neal, it should also be pointed out that he's had tremendous success at the polls. A 38-year-old father of three, he has twice been elected sheriff as a Republican in a heavily Democratic county.

In the March primary election, he defeated Joan Anderson, a local officeholder in Cook County, by almost

100,000 votes. He carried 94 counties, including her home county of Cook, to her severe disadvantage.

Although Thompson did not endorse O'Neal over Anderson, it was clear that many of Thompson's strong supporters favored him.

But the fact remains, if O'Neal were challenging Hartigan head-to-head, it wouldn't be much of a contest. O'Neal is virtually unknown in terms of a statewide campaign.

Hartigan has proven to be an attractive statewide vote-getter. In 1972, when he was aligned with gubernatorial candidate Paul Simon in the primary, Hartigan won by 375,000 votes while Simon lost by 40,000.

Then came the general election when for the first time in the state's history the state's candidates for governor and lieutenant governor were paired in the balloting. The major reason for the switch was because of the unprecedented 1968 election when a Republican, Richard Ogilvie, was elected governor, and a Democrat, Simon, was elected lieutenant governor.

The decision to change the election process was made by the governor and lieutenant governor would belong to the same political party, and previously work together. At that time, Gov. Dan Walker didn't assign Hartigan many duties than Ogilvie assigned Simon.

**Out of hospital**  
Felicia Watt, 6, of 910 West Madison St., Madison, was released this week from St. Elizabeth Hospital after being struck by an auto in front of her home during the weekend.

Her 15-year-old aunt of the same name, who lives at 1211 Logan, Venice, was involved in an auto accident on the way to the hospital minutes after the girl was taken there, but was not injured, as had been incorrectly reported.

## Charles Pesta dies at 57

Charles J. Pesta, 57, of 145 S. Bermuda Lane, Mankato, Minn., formerly of Granite City, died Wednesday evening in the Mankato Hospital in Mankato, Minn., after a long illness. He attended local schools and graduated from Granite City High School. He moved from this area about 25 years ago.

Mr. Pesta was associated with the Tri-Cities YMCA before moving and was engaged in an insurance business at the time of his death.

Survivors include his wife, Mrs. Mary Virginia (Stevens) Pesta; three children, Charles Pesta Jr., at home, Mrs. Maryjane Lamb of Eau Claire, Wis., and Mrs. Deborah Kay Jones of Minneapolis, Minn.; one brother, Harry Pesta of Cleveland, Ohio, and two grandchildren.

Funeral services will be held at 2 p.m. Monday at a funeral home in Mankato, Wis.

**ARREST YOUTH, 19**  
Alan McKay, 19, Hazelwood, Mo., suffered injuries to his nose and upper lip as a result of a disturbance at Rico's II Lounge on Nameoki Road and was taken to St. Elizabeth Hospital at 12:45 a.m. Wednesday. At the hospital emergency room, police allege he refused treatment and x-rays and caused a loud disturbance. He was arrested and charged with disorderly conduct.

**CONDITION IMPROVING**  
Mrs. Ruby Rutledge, 79, of 16 Mercer Drive, has been moved from the Intensive Care Unit at Barnes Hospital to Room 9246 in the Rand Johnson section of the hospital. Mrs. Rutledge is the mother of Granite City Treasurer Paul Rutledge. Cards and letters would be appreciated by Mrs. Rutledge, according to the family.

## Births

Births recorded at St. Elizabeth Hospital.

### GIRLS

Mr. and Mrs. Dale McGuire, 5 Queensbury Court, Sept. 20, Amy Lynn, eight pounds, four and one half ounces.  
Mr. and Mrs. Russell Ford, 3601 Lake Drive, Sept. 20, Danielle Elizabeth, six pounds, 10 ounces.  
Mr. and Mrs. Don Boyer, 2622 Lincoln Ave., Sept. 21, Angela Ann, seven pounds, three ounces.  
Mr. and Mrs. Leon Scroggins Jr., 1350 Twenty-seventh St., Sept. 21, Leighann Michelle, nine pounds.  
Mr. and Mrs. Larry Willoughby, 1303 Oriole St., Venice, Sept. 22, Misty Lynn, five pounds, 10 ounces.

### BOYS

Mr. and Mrs. Donald Eudy, 2911 Palmer Ave., Sept. 20, Craig Allan, six pounds, 11 ounces.  
Mr. and Mrs. William Bright, 2858 Washington Ave., Sept. 21, William Whitley Jr., eight pounds, 12 ounces.  
Mr. and Mrs. Charles Stearns Jr., 2520 Hodges Ave., Sept. 21, Jason Scott, six pounds, eight ounces.

### STAIRWAY BURNS

Fire in trash behind the Madison County Mental Health Quad-City Clinic, 1328 Niedringhaus Ave., spread to the rear stairway of the building at 2:55 p.m. Wednesday causing about \$100 damage. Firemen were on the scene 30 minutes.

# Urges nonpartisan state conservation department

Michael J. Howlett, Democratic candidate for governor, has urged reorganization of the State Department of Conservation under a nonpolitical commission of expert conservationists.

Addressing the annual meeting of the Illinois Wildlife Federation during the weekend, Howlett said he would work as governor to "take the department out of politics and professionalize the personnel."

He said the department historically has been political, with no assurance that qualified personnel would be retained beyond the next gubernatorial election.

"It is almost a foregone conclusion that every new governor brings with him a new Conservation Department director," said Howlett.

"These changes create an unstable atmosphere for experienced career employees who are often demoted and sometimes fired as their job classifications are abolished."

As secretary of state, Howlett said, he has professionalized the work force wherever possible. The post of custodian of the Capital grounds, traditionally earmarked for the Sangamon County chairman of whatever party took power, was awarded by Howlett to a professional

engineer, Warren Manker, he said.

"Several other states, including Kentucky and Missouri, have nonpartisan commissions that run their conservation programs," Howlett added. They appoint a director on his qualifications. He is expected to hold his post regardless which party controls the state government.

Howlett favors a commission of five nonsalaried members, of whom no more than three would be from the same party.

The governor would appoint them, with Senate consent, to five-year terms, with the chairmanship rotating annually. They would appoint an executive director to administer the commission's policies.

The executive director would have special skills in ecology, biology, wildlife, fisheries, forestry, boating and recreation.

"A commission form of administration would allow for long-range planning," said Howlett. "It would employ professionals to conserve our natural resources. It would remove the political overtones of the past."

Howlett said he likes a bill now in the General Assembly which would introduce the commission system, but he would like to enlarge it to cover land management. The original bill applied only to the fish, game and police divisions of the department.

Until such legislation passes, Howlett said, he would make certain, as governor, that the director of conservation would be knowledgeable, experienced and attentive to sportsmen and to all Illinois citizens interested in conservation.

Howlett said "federal reimbursement would be possible if Illinois appropriated enough money to the hunter safety program. He said Illinois does not receive its fair share of federal assistance and should pursue it more aggressively.

"In addition," he said, "we might seriously consider combining all our safety programs—boating, hunting and special services—in one safety unit that would have stringent enforcement powers."

\$70,000 under contract when it is compared with past sewer repairs. I think the public should realize what is being done by the Street Department and the sewer division."

But Curtis Blevins, alderman of Ward Five and a member of the Streets and Alley Committee, warned that "I don't think we should go overboard on this. Certainly the job is cheap compared to others, but we should keep in mind that the lack of rainfall has lowered the water table. The workers replacing this line did not run into water and were able to do the work without any dewatering."

An alderman asked Lionel Portell, superintendent of streets, if the "drought" facilitated the project at Mitchell Avenue.

"It was the drought that enabled us to do this," Portell replied.

Portell noted that while the broken sewer line was 11 feet below the surface, the workers did not strike water at that depth and were able to replace the line unhampered by flooded

Frank Greenwald, alderman of Ward Two, also noted that a low water table would facilitate sewer repairs because of the high cost of dewatering. In past repair projects, the water table has been as high as five feet underground, flooding excavations and preventing sewer workers from making repairs without first employing "well points" which are driven into the grounds and the water pumped out in an effort to dry the ground.

While no figures were quoted on the cost of repairing the Pontoon-Amos Avenue sewer break, Portell told the Press-Record after the meeting that his "guess" would be about \$5,000.

Both the Mitchell Avenue and the Pontoon-Amos breaks were among major sewer line collapses, neither of which were included in repairs made by the Fins Ernest Contracting Co. of East St. Louis which repaired 16 sewer breaks between July 1, 1974, and June 30, 1975, at a cost of \$1.6 million.

Portell says the street department has been pumping around the Mitchell Avenue break for more than two years, and prompted to bypass the Pontoon-Amos break for the

## New fund

(Continued from Page 1)

## '14th colony'

(Continued from Page 1)

past year and a half. He said 160 feet of ten-inch sewer line was installed to repair the Pontoon-Amos break.

He said the Street Department's new sewer division now is working with a crew of six men (five men and a foreman), using the television and grouting equipment. Their program includes grouting many weakened lines and those with small breaks, as well as working on major break repairs such as Mitchell Avenue and the Pontoon-Amos job.

The \$27,000 grant approved by EPA is for a study of the condition of the sewers in the Namook area and what steps will be necessary to rehabilitate the system. The study will be facilitated by use of the city's television system, which now has two units of equipment.

In his letter, Briceland told the council:

"The purpose of this letter is to authorize the initiation of the project work identified in your Step One (facilities planning) state grant offer of June 30."

"We have completed our review and approve the engineering contract submitted in order to satisfy special condition number six. We also approve the documentation submitted in order to satisfy special condition number nine. We therefore authorize you to initiate work in accordance with special condition number three."

SOMETHING TO SELL? TRY A PRESS-RECORD CLASSIFIED AD

Quebec Act of 1774 was judged by Virginians as another act of a tyrannical king, taking from them land which had been theirs.

In 1774, Lord Dunmore and Virginians defied their king when they sent militia to fight Indians in Kentucky.

"Lord Dunmore's War" was the first military action of the American Revolution.

American settlers and traders who moved into the Ohio River Valley and Illinois were not the first European colonists to invade the territory.

During the 17th Century, the French established a network of settlements stretching from the Great Lakes into Ohio, Indiana and Illinois and down the Mississippi to New Orleans.

The French wanted to expand their fur trade and they intended to deny the English access to the Ohio Valley by way of the Mississippi.

Professor Belting relates. In the Illinois territory, the French established six communities, five of them on a strip of land stretching 70 miles along the east bank of the Mississippi from St. Louis to the mouth of the Kaskaskia River.

The sixth, Ste. Genevieve, was on the west bank of the Mississippi opposite Kaskaskia. The French repeatedly called the area an earthly paradise," she notes.

Kaskaskia had become a

depot for the French fur trade in the Ohio Valley. Taking the town without a fight July 4, 1778, was one of the important Colonial victories of the Revolutionary War.

George Rogers Clark and his force of 175 volunteer militia from Virginia attacked when no British garrison was guarding the town.

A few days later, Clark accepted the surrender of Vincennes. But General Hamilton, the British commander of troops at Detroit, led an expedition of English, French and Indians and occupied Vincennes in the fall of 1778.

With what was left of his Virginia force and with the French of Illinois, Clark set out for Vincennes. He won the battle for the fort and took Hamilton prisoner in the spring of 1779.

Clark continued to deny Illinois to British forces. In May of 1780, he sent Col. John Montgomery to drive Sac and Fox Indians allied with the British away from Rock Island. The action was the westernmost battle of the American Revolution.

Of the important Western posts, the British occupied only Detroit and Mackinaw after they lost Kaskaskia and Vincennes.

To regain control of Illinois and to punish the Spanish who had declared war on Britain, the commander at Detroit led a march in 1780 to St. Louis, controlled then by Spain.

The Spanish and French defeated the British attack on

that city. The British forces crossed the Mississippi to attack American colonists in Cahokia. They lost again and retreated back to Mackinaw and then to Detroit.

In the winter of 1781, a force of French settlers under the Spanish flag marched from St. Louis across Illinois to Ft. St. Joseph, which is about where, Niles, Mich., is today. The group held the fort for one day.

On the basis of that capture, at negotiations for a peace treaty signed in 1783, Spain claimed she had inflicted a decisive defeat on the British and, therefore, she was entitled to the trans-Appalachian West.

"The fact of the matter is that because Clark and Virginia had held onto Kaskaskia and kept the British out of Illinois, the American negotiators of the Paris Peace Treaty could claim not only by charter right, but by occupation and conquest, the whole trans-Appalachian West," the professor says.

"Illinois played a significant role in the Revolutionary War and in the negotiations which determined the boundaries of the U.S.A."

"We might well not have been a part of the U.S. if settlers and George Rogers Clark had not claimed the Ohio valley and Illinois for Virginia."

## Shirley Heinbokel, 69, dies

Shirley Heinbokel, 69, of 2954 Washington Ave., a 35-year Granite City resident, died at 7:33 a.m. Wednesday at St. Elizabeth Hospital. He had been ill seven months and a patient at the hospital 14 days.

He was born in Cora City, Ill. Mr. Heinbokel retired in 1965 at the Ladue Local Lines, St. Louis, and for the past five years was employed at Sunset Hill Cemetery as a foreman.

A member of Concordia Lutheran Church, Mr. Heinbokel served on the church Board of Elders 25 years and also belonged to the Lutheran Layman's League, Tri-City American Legion Post 113 since 1946, and the International Association of Machinists 777. He was a World War II Army veteran.

Survivors include his wife, Mrs. Mary Heinbokel, office manager of Holiday Service, 1310 Niedringhaus Ave., one brother Edgar Heinbokel of

SHIRLEY HEINBOKEL

Frohna, Mo., and his father, William Heinbokel of Perryville, Mo. Arrangements are given in the obituary column.

## Cecil Robinson, 51, dies

Cecil Thomas Robinson, 51, of 2314 West Logan Ave., a retired machine operator, died at 12:12 p.m. Tuesday at Belleville Memorial Hospital. He had been in ill health three years.

Mr. Robinson retired in July from the Obeir Nester Glass Co. in East St. Louis.

A member of the Shepley Street Church of Christ in St. Louis, he also belonged to the Glass Bottle Blowers Association.

A native of Kewanee, Miss., Mr. Robinson resided in East St. Louis prior to moving here six years ago.

He is survived by his wife,

Mrs. Milla Robinson; two daughters, Mrs. Leonard (Pat) King and Mrs. Kenneth (Kathy Ann) Reeves, both of Granite City; his mother, Mrs. Olivia Thorne of Wadley, Ala.; one brother, Florence Junior Robinson of Birmingham, Ala.; and four grandchildren. Arrangements are given in the obituary column.

## Ray Welshan dies at 57

Ray P. Welshan, 57, of 2924 Washington Ave., ill for two years, died at 2:23 a.m. Wednesday at St. Elizabeth Hospital. He had been hospitalized four days.

A native of Percy, Ill., he resided here 46 years.

Mr. Welshan was a member of the Calvary Baptist Church and the Disabled American Veterans. He was a World War II Army veteran.

He was employed as a teamster and chauffeur through the Teamsters Local 525.

Survivors include his wife, Mrs. Deleta F. Welshan; one son, Franklin Welshan of the U.S. Navy in Chicago; five daughters, Mrs. Charles (Judy) Meyer of Roxana, Mrs. Charles (Nina) Morris, Mrs. Robert (Janice) Stanton, Mrs. Hugh (Darlene) Harrigan and Mrs. Paul (Joan) Schellingberger, all of Granite City; one brother, Paul L. Welshan of Pensacola, Fla.; two sisters, Mrs. James (Wilma) Barnes of Fredericktown, Mo., and Mrs. Floyd (Juanita) Cruse of Granite City; 20 grandchildren and one great-grandchild. Arrangements are given in the obituary column.

## Study sewing techniques

The Venice-Madison Wednesday Unit of the Madison County Homemakers Extension Association met at the Venice Recreation Center, 305 Broadway, to study "time-saving sewing techniques."

The September topic was presented by Mrs. Willy Mae Lowrey and Mrs. Evelyn Washum. Eighteen members were present for the lesson and demonstration.

Many points on quicker and shorter methods of sewing were discussed, including pants making, "stitch in the ditch," assembly of sleeves and use of poly-web and other techniques.

Mrs. Rosie Russell, cultural arts chairman, earlier had met with a group from the unit at the West Madison Memorial

Center, 3rd and Washington Streets, to begin the cultural arts program. Those interested

### Stallings PTA plans candy sale project

Stallings School PTA will sponsor a candy sale to start Friday as its first fund raising project for the year according to Mrs. Judy Kopehak, president.

Other events planned for the opening months of school include a skating party from 8 to 10 p.m. on Monday and a "get acquainted" party for teachers and room mothers at 7 p.m. Tuesday.

After the meeting refreshments were served by the executive board.

In sewing, needlework and oil painting are to contact Mrs. Russell at 451-9833 for the next date for classes.

Prospective members may contact the membership chairman, Mrs. Eddie Sue Jones, at 451-2790.

Mrs. Ira Wilson was a special guest to the meeting. A luncheon was served by the hostesses, Mrs. Ethel A. Robinson, Mrs. Alice Boxley and Mrs. Mary Ferguson, Mrs. Lowrey, Mrs. Evelyn Washum, Mrs. Queen Dozier, Mrs. Gephra Baucum and Mrs. Frankie M. Griggs, chairman.

## Mrs. Gordon reviews book

Mrs. John Gordon reviewed the book "Woman of Quality—Eleanor Roosevelt," at a meeting of the Ladies Coterie held last week at the First United Presbyterian Church. She was introduced by Mrs. Fred Werner.

A dessert luncheon was served to 27 members by Mrs. Emmett Beeler, hostess for the initial meeting of the organization.

Mrs. Floyd Henley, president, opened the session and the club collect was given by Mrs. Alfred Pape. The pledge of allegiance was under the direction of Mrs. William Carlas.

Committee reports were submitted and Mrs. Pape, program chairman, announced a trip to Our Lady of Snows in Belleville is planned for Oct. 21. The meeting closed with the Lord's Prayer led by Mrs. Bonard Maples.

## Chinese dinner served to class

A watermelon basket arranged with fresh fruit and small containers filled with tea and Chinese fortune cookies decorated the dinner tables at the home of Mrs. Betty King, 2575 North St., who entertained the Sunshine Class of Second Baptist Church Tuesday evening.

Theme of the meeting was China and the program and dinner menu conformed to the subject. Favors for each member included the tea containers and fortune cookies. The devotional topic, "Religions in China," was given by Mrs. Elsie Sturdivant, a guest.

The session was opened with prayer by Mrs. Naomi Burnett and the class theme song, "Heavenly Sunshine." The State Mission Fund was discussed and articles concerning how and where new churches are established were

presented by Mrs. Evelyn Smith, Mrs. Dorothy Barnes, Mrs. Burnett and Mrs. Gladys Hudgens.

Honored on their birthday anniversaries were Mrs. Alma Burnett, Mrs. Aline Revell, Mrs. Margaret Newberry and Mrs. Barnes.

Mrs. King closed the business meeting with prayer and offered the invocation prior to dinner.

Also attending were Mesdames Beulah Cox, Norma Jains, Frances Feldman, Margaret Culpepper, Frances Sims, Margaret Dutton and Esther Davis.

Other reports were submitted by Mrs. Irma Taylor, secretary; Orville Ganz, treasurer; Roy Lynn on the budget committee and Bryan Waggoner on the building and grounds committee.

The vice-president announced a coordinator for the Mobile Meals is needed at the hospital and the Association recorded 42

Stratford Lane. Games were played and the hosts awarded prizes to Cindy Jackovich, Don King, Ron Landman, Becky Leeper and Lisa Minner. The remainder of the evening was spent in dancing.

Table decorations were carried out in the school colors of red and black. Other guests included Chris Bauer, Jeff Blasingame, Andy Costello, Liz Gac, Beth Lehne, Bonnie Luebbert, Susan Pokopich, Rosalie Ponce, Brian Ropac, Dennis Turk and Laria Werth.

The honoree is a daughter of Mr. and Mrs. Emil Neubauer, 2125 Clark Ave.

## Protestant Welfare aids 37

During the month of August, the Protestant Welfare Association, Inc. assisted 37 cases involving 113 persons for a total cost of \$720. It was announced by the office secretary, Mrs. Marie Whittle, at the organization meeting Tuesday night, held at the Central Free Methodist Church.

She added in addition to the case aid, clothing and household items taken from the Association's Store Room were given to needy families at an estimated cost of \$80.

Vice-president Hugh Foster was in charge of the meeting and the Rev. Eugene Stevenson, host pastor, offered the devotions.

Other reports were submitted by Mrs. Irma Taylor, secretary; Orville Ganz, treasurer; Roy Lynn on the budget committee and Bryan Waggoner on the building and grounds committee.

The vice-president announced a coordinator for the Mobile Meals is needed at the hospital and the Association recorded 42

Stratford Lane. Games were played and the hosts awarded prizes to Cindy Jackovich, Don King, Ron Landman, Becky Leeper and Lisa Minner. The remainder of the evening was spent in dancing.

meals were served during the month. There were 25 members attending the session. Closing meditations were given by Mr. Foster. The October meeting will be held at the Pontoon Baptist Church, he added.

## Past Officers Club convenes

Mrs. Hulda Griffith and Mrs. Effie Johnson entertained the past officers of Gabriel Shrine 78, Order of the White Shrine of Jerusalem, held last week at the Grand Cafe.

A 6:30 p.m. dinner was served to 33 members and one guest followed by a business meeting conducted by Mrs. John DeHart, president.

Games were played with prizes awarded to each one present.

Those attending were Walter Fischer, a guest and Dr. and Mrs. Elwood Ackerman, Mr. and Mrs. Henry Ashauer, Mrs. Ida Cariss, Mrs. Emmett Carraher, Mr. and Mrs. John DeHart, Mr. and Mrs. Clifford Hickey, Mr. and Mrs. Dave John, Mr. and Mrs. Charles McCullum, Mr. and Mrs. Delbert McKissick, Mr. and Mrs. Roland Mueller, Mr. and Mrs. James Olson, Mr. and Mrs. Oco Woods, Mr. and Mrs. Charles Youngs, Mesdames William Kincaid, Karmyn Edmonds, Clara Harbig, Boss Henley, Rosamond Johnson, Lida Thels and Florence Spahr.

The group met in the home of Mrs. Barbara Hente. Mrs. Cathay who is president of the chapter also conducted the business session.

Mrs. Linda Koenig discussed information on the state convention to be held Oct. 22 at Jefferson City, Mo. and the president announced members have been invited to join the Nu Delta Chapter for a hayride on Oct. 23.

Others present were Barbara Jones, Marilyn Lumpkins, Ivy Humphrey, Cathy Farnbach, Candy Thompson, Joan Monaghan, Joan Fritchard and Donna Lane. Mrs. Lane will host the Oct. 4 meeting.

A "big top" tent was erected in the parking area at Granite City Moose Lodge 272, located at 19th and Adams streets, for a family picnic and fun day held this week.

Governor Fred Miller was in charge of the affair, which attracted more than 150 Moose members and their families.

Carnival games were played and free beverages were dispensed. Popcorn, cotton candy and other "big top" treats were available for the youngsters.

Chuck Kilborn's band provided music during the picnic, which started at noon and continued through the early evening hours.

## On-site hearings scheduled

The Madison County Zoning Board of Appeals will hold on-site public hearings in Quad-City area townships Tuesday morning to consider requests for special use permits.

The first hearing will be at 9:10 a.m. Tuesday along Route 151 behind A. O. Smith Corp. where Norman Sechtig is requesting a special use permit to erect a residence and storage buildings and to raise fish there.

The property is in an M-2 general manufacturing district of Venice and Nameoki townships.

At 9:35 a.m., a hearing will be held at 4800 Central Lane, near Pontoon Beach, where David and Jackie Cuvar are requesting a permit to place a

## Truck, tires, safe stolen

A pickup truck, 15 new tires worth \$496, some spark plugs and an 800-pound safe containing about \$150 cash and a large quantity of blank checks were stolen from Ernie's Standard, 24th Street and Washington Avenue, between 6 p.m. Monday and 7 a.m. Tuesday.

The pickup truck was found later Tuesday morning near Stallings School on Route 162. Entry to the service station was gained by breaking a pane of glass and prying open the door on the 24th Street side.

It is believed the stolen items, including the safe, were loaded into the pickup truck, which had the key in the ignition.

The safe is the kind opened with a key and the burglar did not find the key, hidden elsewhere in the service station.

The safe, heavily damaged and opened, was found Tuesday night at Route 111 by the Madison County Nature Trail. All of its contents had been removed.

## Choral clinic

High school vocalists will join in song Saturday at the 36th annual choral clinic at Southern Illinois University at Carbondale.

Students from the lower third of Illinois will harmonize for 9 a.m. and 1:15 p.m. performances in Shryock Auditorium during the day-long clinic. Directing this year's "massed choir assembly" will be Larry Thomas, chairman of the music department at University City High School in St. Louis. Thomas will conduct the group of more than 800 voices in "Ave Maria" and two Alfred Burt carols, "Jubilate Deo" and "Gloria A La Samba."

"Lo, My Shepherd" for women's voices and "Once to Every Man and Nation" for the men's choir also will be performed.

## Set residency policy for 'outside' students living with relatives

Extenuating circumstances were cited in a number of cases in which students who lived with the Venice public schools, but whose parents are now living outside the district, at Monday night's meeting of the Venice Board of Education.

Board members heard each parent at length with decisions made on an individual basis. All were advised to have legal guardianship papers signed by the person with whom the

student is now residing in order to remain in the Venice schools.

Mrs. Georgia M. Falwell, counselor for the Title VII Pilot Team, accompanied by Title VII Director Althea Cross, addressed the board, explaining the testing procedures now being used and the objectives of the program. She also described a possible prescription for remediation in some areas in Grades 5 through 8.

The educators reported test results of students in Grade 5 in 1975-76, compared to scores made in the same class two years earlier.

Mrs. Falwell noted that among 34 pupils tested, 15 had higher test quotients in 1975-76, two had the same as in Grade 3 and seven pupils had scores within a range of five points under.

## Fast-food service to open

Sawing and hammering to build a fast-food service in the University Center at SIUE will soon come to an end.

Under construction since early June, the Sub-Meridian Dock, as it will be known to students, will open its doors Friday, William G. Crabb, manager of University Food Services, said.

"It will be completely student managed. Our students formed a committee that took the idea through the planning stages, making a menu and forming the policies under which the service will operate."

"Twenty-four student workers will be employed at the Dock, which is owned by the university."

"We decided to go ahead with a fast-food service because we wanted to 'round-off' what we offer. We have the cafeteria food for eating in a hurry, as well as the University Club for dining, and the delicatessen for hearty sandwiches."

The menu will consist of hamburgers, cheeseburgers, french fries, milk shakes and a breakfast menu.

## FIRE BOOTS STOLEN

A pair of firefighter's boots, belonging to Fireman Dick Werthe, was stolen from the Nameoki Fire Station, 3900 Nameoki Road, about 8:40 p.m. Tuesday. Werthe said he heard a noise in the engine room and when he investigated, he noticed his boots were missing. A car, possibly a maroon 1974 Chevrolet, was seen leaving the station at that time at a high rate of speed.

results.

The board also heard K. Duane Rankin, director of Venice-Lincoln Technical Center, who presented a projection of programs and expenses for 1977 in connection with the adult vocational school.

Programs at Venice-Lincoln are financed with federal and state funds, but the school estimates under the administration of the Venice School District.

For the Title VII program, the board approved bills amounting to \$5,429 and requisitions totaling \$449 for the pilot project and \$6,811 for the basic program.

Authorized was the issuance of 35 anticipation warrants, in the amount of \$15,000 each, for a total of \$525,000.

Supt. of School Robert N. Vickers said should assessment figures decline again next year as in 1976 when \$2.4 million was lost, the board may have to issue two-year anticipation warrants in 1977.

A total of \$10,000 excess funds in the Fire and Safety account, which are not transferable to other district funds, was authorized invested in passbook savings. It was noted that \$25,000 already is invested from the same fund.

From the Special Education Building Fund, the amount of

\$2,500 is to be invested in time certificates, making a total of \$125,500 invested from this account.

Miss June McClain, a Venice Grade School teacher, was hired as girls' athletic coach for the 1976-77 school year.

Principal sports for girls at Venice will be concentrated in volleyball and softball. A pay scale proportionate to the number of games played in each sport will be determined later, it was decided.

A Venice Grade School activity Fund was established to include a previous account, at the request of Mrs. Anna McKinney, VGS principal. The fund will be utilized for money raised at various functions to support activities at the grade school level, she explained.

Contingent on the request being signed by a "responsible" person, the Venice Police Department was granted permission to use the Venice High School gymnasium from 5:30 p.m. until 9 p.m. each Thursday for basketball.

Board President Jack Toller noted that Nov. 30 is the deadline for requests to be received for use of school facilities in 1976-77.

Mrs. Carol Williams, a Title VII aide, was given a temporary leave of absence (about one month) at the request of her

physician.

An all-day workshop on workman's compensation will be sponsored by the Illinois Chamber of Commerce, starting at 8:15 a.m. Oct. 6, at Collinsville Holiday Inn, to which school board members and administrators are being invited, Supt. Vickers informed the board.

Representatives of insurance companies, legal firms and employers will be among those presenting the seminar. A \$40 registration fee will be levied, Supt. Vickers said.

A request to conduct a gun operation and safety class at Venice schools for pupils in grades 7 through 12, including a one-hour demonstration of various weapons, was turned down.

Board members recommended the applicant confer with the Venice Police and suggested the course be instructed at their facilities and firing range.

A bid of \$65 was accepted for a manual typewriter which is one of four to be traded in on new machines. The three other machines are available until Oct. 1, Supt. Vickers said.

An opportunity to purchase by

bid two IBM electric typewriters will be offered students and faculty when a trade-in figure is received, the board decided.

Purchase of five sewing machines, costing a total of \$795, from Singer Co., was authorized. A \$75 trade-in allowance on each will be made for the school's old machines which have been in use between 15 and 20 years and are in poor condition.

No charge is being made the district for one of the new machines, but an additional \$56 will be paid for five sewing benches, Supt. Vickers said.

The board authorized the filing of the final claim under Public Law 874, and 1½ hours per week (18 minutes per day) preparation time was granted to the vocational machine shop instructor who teaches a shop course from 7:30 to 9 a.m. each school day.

Bills approved for payments included: \$5,016 (\$1,038 lunch bills) from the education fund; \$2,617, building fund; and \$18.48, transportation fund. The transfer of funds by resolution for repayment purposes to several accounts was effected by the board.

# Road proves unfriendly; grid Trojans lose 40-6 to Eldorado

Madison High School's Tuesday night trip to Eldorado proved disastrous to Coach Nick Jackie's griders, resulting in a 40-6 loss.

Madison is idle this weekend and will not see action again until Saturday afternoon, Oct. 2, at Columbia.

Eldorado scored early and often in the contest—twice following recoveries of Madison fumbles, once on a punt return, twice on sustained drives and once following an interception of a Madison aerial.

Trojan James Heard provided his team's lone touchdown in the third quarter on a 67-yard drive from Quarterback Joe Piechocinski.

Quarter scores were 8-0, 27-0 and 40-6.

Three passes were intercepted by Eldorado, and the Trojans were held to 38 yards rushing. Madison lost three fumbles and was penalized four times for 50 yards.

Madison gained 16 first downs. Piechocinski completed five passes in 13 attempts for a total of 116 yards in the air.

Netting only 40 yards in the air, including one TD, Eldorado gained 425 yards rushing and five touchdowns.

The hosts chalked up 25 first downs. The Eagles scored five touchdowns and lost two fumbles.

The Eagles had three players rush for more than 100 yards

each—Rusty Phillips 127, Ken Hobbs 104 and Ron Holman 102.

Sophomore Heard led the Trojans in yards gained, 34 on the ground and 67 in the air on the TD pass reception.

Madison's touchdown series started in the third quarter when Trojan Karl Hicks returned an after-TD kickoff 20 yards from Madison's 10 to the 30-yard-line.

Piechocinski gained three yards on a quarterback keeper. Following a no-gain running play, the Madison signal caller released an aerial pulled in by Heard at Eldorado's 40.

The speedster ran it in to the end zone with 22 seconds left in the quarter. A two-point conversion pass attempt to Heard in the end zone fell incomplete.

The Trojans' most successful drive into enemy territory other than the TD march started with 8:23 remaining in the first quarter when Alford Crawford took an Eagle to midfield, where he was driven out of bounds.

A pitchback to Heard on the first play from scrimmage then resulted in a two-yard loss before Piechocinski hit Brian Eaves with a pass at the Eagle 42.

A screen pass to Pete Ecurka moved the ball to the 39, and an aerial to Tom Jones brought Madison to the opponents' 29 yard line.

Heard next was hit behind the line for a 10-yard loss and a Trojan penalty spotted the pigskin at the Eagles' 44.

Following an incomplete pass to Prince Giles at the 25, Piechocinski was forced to punt the ball away after being downed in the backfield on a rollout at his own 45-yard marker.

Eldorado's initial score early in the first period was the result of a partially-blocked Trojan punt after Madison had failed to gain necessary yardage on downs following the game-opening kickoff.

The ball traveled only three yards, from Madison's 35 to the 38, and the Eagles moved on to the ground in three plays to the 11. Holman carried it in for the TD. A conversion pass followed for an 8-0 Eagle lead.

With just over two minutes left, the Eagles recovered a

Trojan fumble at the Eldorado 36. In eight plays, which carried into the next period, they moved 60 yards to Madison's four, from where Holman took it in to paydirt.

A two-point run attempt by Hobbs was met head on by Madison's Gary Woodson and stopped cold, the score remaining 14-0.

Following the ensuing kickoff, which went into Madison's end zone for a touchback at the 20, the Trojans moved 13 yards on the ground in two plays. But they coughed up the ball on another fumble at Madison's 25 with 8:09 left in the half.

An Eagle aerial to Mike McRoy provided a 21-0 score when the placement kick was made good.

Taking possession on another

kickoff the Eagles TD with 8:46 remaining, Madison fumbled on the first play at the line and gave Eldorado good field position at the Trojan 12.

Back-to-back penalties called against the hosts moved the ball to the 42. The Eagles marched right back toward the end zone to Madison's four-yard-line but met a determined Trojan defense that forced a fourth-down turnover.

Failing to gain necessary yards on downs, Madison punted the ball from its seven to the 40. There, a waiting Holman returned the kick all the way for another TD with 4:31 left. The point-after kick failed and the Eagles led 27-0.

Eldorado garnered two TD's in the third period, starting with

a 75-yard drive to Madison's one-yard-marker. From there, Hobbs went over the middle of the line with 8:17 left in the quarter. The extra point boot made the score 34-0.

Heard received the next kickoff at the Trojan five, from where he returned it 27 yards.

Madison moved to the 45, where a pass was intercepted by Eldorado's Holman, setting up the Eagles' final TD of the game.

Holman made the interception at his own 40 and rammed down the sidelines to Madison's 38 before being forced out of bounds by Madison's Heard.

Five plays later, with 2:17 left in the period, Holman dashed five yards into the end zone. Madison's TD drive followed.

## Oilers here on Friday, will test gridiron Steelers' depth

Steelers grid mentor Tom Wyrostek has been busy all week seeking a running back to fill the spot vacated during the weekend when Senior Bruce Jateff suffered a broken right leg in a game against Collinsville. GCHS North will host the Wood River Oilers at 8 p.m. tomorrow in the Granite City Stadium.

"So far," says Wyrostek, "we have narrowed it down to four players capable of moving into Jateff's shoes, which is a tall order to fill for any athlete."

The mentor named Senior James Simpson and Juniors Mike Sherman, Steve Hartline and Bruce Wright as possibilities.

Jateff, who led the Steelers last year in rushing with 464 yards on 123 carries, accounted for 120 yards in North's 14-6 season-opening win over Cahokia.

In the Collinsville contest, won 9-0 by North, he had 43

yards rushing and was personally responsible for tackling seven opposing players.

Sherman saw limited varsity action last year, running with 10 times for 23 yards, and last week scored two touchdowns in North's 27-20 junior varsity team victory over Edwardsville.

Wright, serving now as a wide receiver, caught a 21-yard Greg Corey aerial against Cahokia, and also had a TD in last week's JV game.

Simpson and Hartline have seen action as defensive backs and linebackers with the varsity team.

Whoever Wyrostek gives the nod to as a third runner, joining Leo Pelek and Fred Clay, he will be hoping the Steelers can even their win-loss record against the Oilers.

In 1973, North's first season of football as a new high school, Wood River won 32-0.

North defeated the Oilers 29-0

the next year but lost 20-12 last season.

The Oilers will be playing their second game of the new season tomorrow. They lost 35-0 last weekend to Bethalto, a Mississippi Valley Conference team.

Senior Quarterback Dave Klaffer, at 6-1 and 185 pounds, completed six passes in 21 attempts for 69 yards in the air against Bethalto. Wood River gained 156 yards on the ground and had nine first downs.

"Klaffer," comments Wyrostek, "is a better passer than that would indicate."

"The team's entire tactics are centered around him."

The Oiler signal caller is one of 10 returning lettermen from last year's (3-4 record) team.

Included also is Senior Mike Smith, a 5-9, 145-pound half-back, who scored two touchdowns in Wood River's win over North last year.

## Kahoks 1-0 victims as soccer Warriors achieve 5th shutout

GCHS South's soccer squad improved its record to 6-1-1 and gained its fifth shutout win of the season Monday at home, blanking Collinsville 1-0.

"I am pleased with the win," said Coach, Gene Baker, "because in my opinion the Kahoks are one of the top competitors in the area."

Collinsville, now with a 3-2 record, possesses speed and ball control. The Kahoks have eight starting seniors, four of whom are four-year lettermen.

"Our defense played superbly and was held together by Gary Phelps and Joe Thies," Baker commented.

South's Warriors attempted to score a total of 30 times. They succeeded after one minute, eight seconds of the second quarter on a cornerkick.

Rick Becker sent the ball sailing toward the mouth of the goal to Ken Prazma, who headed it into the net.

Collinsville's goalkeeper personally prevented 10 other South shots from scoring, and Warrior Barry Briggs stopped five Kahok scoring attempts.

Collinsville took eight shots-on-goal.

GCHS South took four cornerkicks and committed 21 fouls. Collinsville had two cornerkicks and 17 fouls.

## North overpowers soccer Pioneers

Coach Robert Kehoe's GCHS North soccer Steelers mastered only 15 shots on host Assumption's goal, but scored on five of the attempts to blank the Pioneers of East St. Louis Assumption 5-0 Monday afternoon.

Assumption was limited five scoring attempts. North's Mike Hill personally stopped four from entering the net in recording the shutout.

Cornerkicks were six for North and two by the Pioneers. Fouls were numerous, with North committing the most, 23-13.

Steelers Eric Thornburg and Kevin Hayes provided the scoring punch, garnering two goals each.

Thornburg, assisted by Steve Szles, put the ball into the net

after 12 minutes of the opening quarter, followed four minutes later by a goal by Hayes on a pass from Jeff DeMott.

After eight minutes of the second period, Thornburg scored again, assisted by Marty Dooley.

Hayes and Thornburg combined their talents in the third period, with Hayes taking a pass from Thornburg to score. Danny Fitzgerald provided the final score with a goal after 16 minutes of the final quarter.

## Win streak being built by Warrior harriers

Coach Virgil "Dick" Harmon's Warrior Harriers now have a 3-1 cross-country record after winning three in a row, starting with their 26-29 victory over Edwardsville on Friday at the SIUE 2.95-mile course. GCHS South won Tuesday at

## North golfers tie, 172-172

GCHS North golfers played to a 172-172 tie with Jerseyville yesterday afternoon in a triangle meet won by Carlinville with a 170 score at Jerseyville. Russ Chappell Jr., had a 39, Dan Harper a 42, George Bartz a 43 and Doug Kraus a 48.

## Golf Tigers win

Tiger Rich Jarrett shot a 35 to lead Edwardsville to a 151-170 win over GCHS South golfers Tuesday on a par-36 course at Edwardsville. For South, Benny Brown and Herman Schroeder each scored 41, Al Collins 43 and Kent Pineda 45.

## Fence discussion

GCHS South's Warriors Booster Club will meet in Room 138 at the school at 7 p.m. Tuesday, Sept. 28, to discuss progress on a new fence to be constructed around the school's soccer field, and to make plans for a fund-raising event. The public is being invited to attend.

Woodson recovered an Eldorado fumble for Madison in the first period of play, and later executed a tackle. He was hurt still later when he tackled a ball carrier during the opponents' initial touchdown drive. Duane Bochantin, Madison's backup quarterback, will join the team again Oct. 2 against Columbia. Bochantin received a leg injury during the weekend against Warrenton, Mo.

Cahokia, 27-31, and then prevailed at Collinsville 29-30 yesterday afternoon.

South's win over Tigers was Edwardsville's first dual meet loss after 26 straight wins beginning in 1973. Glen Ahlers was third at Edwardsville in 16:35, Dave Taylor was fourth, Dave Blackwell fifth, James Dumont sixth, Ken Meagher eighth and Dave Houston 18th.

Ahlers placed third at Cahokia on a three-mile flat course in 16:52. Meagher was fourth, Taylor fifth, Blackwell eighth and Houston ninth. Last night at Collinsville, Meagher placed third in 15:50, Dumont was fifth, Blackwell sixth, Taylor seventh and Houston eighth.

## Woodson out due to knee injury

Madison High School Principal Richard Corbin said Wednesday that Dale Woodson, 5-10, 170-pound senior halfback, will be out of action for an indefinite period with an injury to his left knee received Tuesday night in a football contest at Eldorado.

Woodson recovered an Eldorado fumble for Madison in the first period of play, and later executed a tackle. He was hurt still later when he tackled a ball carrier during the opponents' initial touchdown drive. Duane Bochantin, Madison's backup quarterback, will join the team again Oct. 2 against Columbia. Bochantin received a leg injury during the weekend against Warrenton, Mo.

## Loss at Collinsville

GCHS South golfers lost 161-167 at Collinsville yesterday afternoon. For the Warriors, Al Collins and Bob Crawford scored 41 each, Benny Brown had a 42 and Herman Schroeder a 43.

## South girls win over Mascoutah

The Granite City High School South girls' tennis team hosted Mascoutah Tuesday and won 4-0 to 2-6.  
Christy Bauer split sets 7-6, 4-6, with the third set called due to darkness.  
South singles results: Teresa Hayes won 3-6, 6-1, 6-4, Melody Roseman lost 3-6, 3-6 and Lorie Doolittle lost 2-6, 1-6.  
South doubles: Tammie Depew and Laura Gabriel won 6-0, 6-2, Susan Bell and Mary Ellen Hutchings won 6-0, 6-2 and Elita Clonko and Carla Knezevich won 7-5, 6-4.  
The South girls' tennis team will host Triad today at 4 p.m. With Tuesday's victory, the GCHS South team now has two wins and one loss.

## Coaching duties assigned in GC

The Granite City School Board on Tuesday appointed three employees of the school district to new coaching positions and reaffirmed coaching duties of two others. Mike Harmon, an assistant football coach at Grigsby Junior High, was assigned as assistant basketball coach at GCHS South.

Nick Petrillo Jr., an assistant grid mentor at South High, also will be a basketball assistant coach. Jacob Varadian, an instructor at Prather Junior High, was named eighth grade basketball coach at Prather, and Mike Hagopian was reaffirmed as the school's seventh grade basketball coach.

Monte Kessler of Prather again will be that school's head wrestling coach.

## School soccer

TUESDAY, Sept. 21  
GCHS North (Junior varsity) 3, St. Paul of Highland 0 (Goals David Dean, Mark Jones, Randy Schrenk)  
WEDNESDAY, Sept. 22  
GCHS North (Junior varsity) 2, St. John of St. Louis 0 (Goals Tom Verdu, David Dean)

## Booster club to meet at Madison

Parents of Madison High School students are being asked to meet with faculty members and friends at 7 o'clock tonight at the school to help organize a booster club. Richard Corbin, MHS principal, said this week. Incorporating active support from the adult community into the life of the school is a major goal for the 1976-77 school year, Corbin said. Friends of Madison HS also are invited to attend tonight's meeting. "Among the objectives of the club are to demonstrate to our student body that we are behind them and really care, and to accord our school the positive image it rightfully deserves," the administrator stated.

## Order of Arrow given national award 3rd time

The Cahokia Lodge, Order of the Arrow, was not notified by officials of the National Council, Boy Scouts of America, that the lodge has been chosen for the third time to receive the "E. Urner Goodman Camping Award."

The local lodge is the only one of the 450 OA lodges in the United States to have received the award three times. The award was earned in 1972 and 1974.

The OA is a national brotherhood of honor campers within the Boy Scouts of America. Twelve lodges are selected from the 450 to receive the award each year, based on

the activities and accomplishments of the lodge, mainly in the camping area. The presentation of the award will be made at an Area Three Conference in mid-October to be held in southern Missouri.

During the past year, members of the Cahokia Lodge assisted in the preparation of Camp Sunnen for the summer camping season, held a pancake breakfast to help finance the Boy Scout camping program within the Cahokia Mound Council, assisted in the general council finance campaign, through camp promotion presentations helped the council achieve 90 per cent attendance at camp, conducted service weekends at camp on improvements, updated camp promotional slides and updated and distributed a "where to go camping" publication for use by local troops.

## Hospital notes

Alan Gerstenacker of Collinsville is the immediate past chief of the lodge. Randy Alflore of Granite City is the current chief and Reginald Mennerick is the lodge lay adviser and Council Camping chairman.

## GC man invents a 'portable gym'

Clifford B. Cochran, 2223 Delmar Ave., a former boxer, has invented a lightweight "gym in a suitcase" said to combine the benefits of rowing, cycling, weightlifting and other popular exercise techniques. The invention is being introduced to manufacturers with the help of Raymond Lee Organization and is covered by a patent application pending in the U.S. Patent Office.

The basic exerciser — perhaps of sturdy plastic — is a pair of crossed arms that pivot at the center like hedge clippers. There are handholds at the end of each arm.

By attaching elastic cords or springs across opposite ends of the arms — the top and bottom of the clippers — the user has a versatile tension device for any number of chest, back and arm exercises, Cochran says.

Separating the arms at the their pivot point allows a user to stand on one arm and "lift" the other against the resistance of the springs. Other exercises, including rowing, can be done while seated or lying down, and the inventor has compiled a comprehensive list.

Finally, Cochran's portable gym has a pair of foot stirrups and an attaching bicycle seat for cycling exercises. The entire set fits into a carrying case.

FIRE DAMAGES AUTO  
An auto driven by Brad Harris caught fire at 10:20 p.m. Tuesday on Bern Avenue. Arnold C. Rutherford, fire chief of the Long Lake fire department, estimated damage to the car at several hundred dollars.

## Scouting skills demonstration

More than 150 Boy Scouts from the Quad-Cities area will demonstrate various scouting skills at four locations Saturday.

"This public demonstration is our way of showing the community the capabilities of our youth," Richard Johnston,

chairman of the event, announced.

"We have chosen four locations this year, so that we can attempt to have the displays in the scouts neighborhood," Johnston said. The four areas and their troops are: Area 1 at Venice-

Madison American Legion Post 307, coordinator is Jack Tolliver with Troop 1, Scoutmaster Pete Wilkinson, Troop 45; Scoutmaster Clifford Mathis, Troop 21; Scoutmaster Joe Vaughn, and Troop 47, Scoutmaster Steve Lewis.

Area 2 at Granite City Jaycees Building, 1855 Poplar St., coordinator Jack Vizer with Troop 16; Scoutmaster Jack Vizer, Troop 4; Richard Johnston, Troop 7; Ken

Hillmer; and Troop 8, Tom Ratter. Area 3 at Central Christian Church, 2020 Johnson Road, coordinator Bob Williams with Troop 11; Scoutmaster William Down, Troop 15; Bob Williams, Troop 20; Barry Gauen, Troop 99; Bill Osborn, Troop 22; Erwin Stengel, Troop 122; Donald Ogden, and Troop 102, William Monick. Area 4 at St. Elizabeth's Church, Pontoon and Johnson

Roads, coordinator Robert Moske with Troop 124; Scoutmaster Leroy Stark, Troop 35; Glen Thornburg, Troop 146; Dale Polter, Troop 5; Pat Busch, Troop 15; Marvin Wiedemar, Troop 41; Ken Clark, Troop 23; Donald Wiggins, and Troop 98, John Sands. The displays will include cooking, camping, survival, and basic scouting requirements. All of the Boy Scouts are to ask

a friend to attend the demonstrations so that they can see and do scouting skills and perhaps be invited to join a Troop. All four areas will be open to the public from 10 a.m. to 4 p.m. on Saturday.

## TAKE MOTORCYCLE

A motorcycle valued at \$3,200 was stolen from the garage of Ronald Meyer, 3226 Wilshire Drive, during the weekend.

## Malherek infant stillborn

James William Malherek, infant son of Mr. and Mrs. James William (Caroline) Malherek, 1308 Robin St., Venice, was stillborn at 7:30 a.m. Monday at St. Elizabeth Hospital.

Survivors include five brothers, Michael, William, Robert, Darryl and John Malherek, all of Venice; four sisters, Mrs. John (Diane)

Hepler of Paris, Tenn., and Carolyn, Julie and Marilyn Malherek, all of Venice; grandmothers, Mrs. Mary Mangiarino of Venice and Mrs. Gretchen Malherek of Chicago. Funeral services were held Tuesday. Details are given in the obituary column.

## Madison ok's lot line change for new building

Final approval was given the Illinois Pacific Coast Transportation Co., 1601 Market St., Madison, to build a 90 by 80 foot service repair building at 1619-23 Market St. during the Tuesday night meeting of the Madison City Council.

At the Sept. 7 council meeting, the aldermen overrode the Zoning Board of Appeals, allowing construction but the building was to be five feet from the curb.

After a lengthy discussion on the issue, Third Ward Alderman

Ronald Grayback said:

"Mr. Mayor, I now move that the motion approved at the Sept. 7, 1976 City Council meeting overriding the order of the Zoning Board of Appeals of the City of Madison which denied the petition of Gerald Moss and Nora L. Moss for a special use expansion permit relating to property at 1619-23 Market St., Madison, be amended to delete from the motion the following words:

"the south side of which building is to be located five ft. north of the north line of the sidewalk running parallel with the north line of Market St., and to insert in place thereof that the south side of said building be located 12 to 18 inches north of the north curb line running parallel with and adjacent to the north line of Market St."

The motion passed 8 to 1 with First Ward Alderman Paul Ash-

ford casting the negative vote. Alderman Christ Castoff was not present.

According to Moss, the structure will be a service repair building for the company's trucks and will cost \$10,000. "I can't really understand what the problem is all about," Moss said. "We wanted to build an 80 by 80 foot building, but don't have the room. The trucks need as much space as possible

but apparently a couple of people in the area object to our trucks being here. I don't think moving this close to the curb will really bother anyone."

The council also approved the petition of St. Stanislaus Lodge No. 1004 to expand Polish Wall at 628 Greenwood St., Madison. The expansion of the building is to cost \$48,000. A request from Tarian Meat Co. for expansion at 12th and Greenwood streets was approved. The meat

GRANITE CITY PRESS-RECORD Thurs., Sept. 23, 1976 Page 11

company is enlarging the area where it repairs delivery trucks.

In other action the council provided that an eligibility list for probationary patrolman be established for one year and that the residency requirement be only one year instead of five years; approved a call for bids for two 1977 police cars; and

approved bills in the amount of \$32,587 from Sept. 8 to Sept. 21. Fifth Ward Alderman Booker Walton acted as mayor pro-tem in the absence of Mayor Mike Sasek who is undergoing tests at St. Elizabeth Hospital.

## Warriors to invade Lancers' territory

GCHS South's football Warriors will carry their momentum from the past weekend's near-win into Belleville at 4 p.m. tomorrow against the Lancers of Belleville East. South lost a 9-6 thriller to O'Fallon after time ran out a yard from the goal.

"Providing we can plug the holes to prevent their runners from springing out of the backfield," says assistant mentor Leroy Beck, "victory is possible."

Beck notes that Belleville Althoff limited the Lancers to 166 yards rushing in beating Belleville East 21-14.

Coach Dean Reim's Lancers in their season opener against Springfield Southeast had gained a total of 610 yards in winning 47-12. Included were 530 yards on the ground.

East's offense is spearheaded by Doug Harris, a 6-1, 190-pound junior who had 174 yards rushing and three touchdowns against Southeast, and by Dave Wright, 6-1, 179-pound senior, who rushed for 106 yards in the same game and scored one TD.

"East could pose a triple threat against us," Beck adds, "if John Wiltzie is able to join the other runners."

Wiltzie, one of 24 senior lettermen, was expected to be one of the Lancers' main ball carriers this season but suf-

fered a knee injury in the Springfield contest.

Belleville's 200-pound-plus defensive line limited Springfield to 35 yards on the ground and has no apparent weaknesses.

Beck said East's line will be tested by Senior Mike Clark, who against O'Fallon had 71 yards rushing, "but we need to improve our downfield blocking."

He said Coach Stan Wojcik believes the club did its job well at the line of scrimmage against O'Fallon but that Clark several times ran for eight or 10 yards on carries and was within one defender of breaking free to run for a touchdown.

South is hopeful of having Cliff Moran, a 5-7, 149-pound junior, returning to the backfield tomorrow to help with the running chores.

Moran suffered a knee sprain in the Warriors' 35-0 opening game loss to St. Louis DeMet and may be ready to see action tomorrow.

"If we show continued improvement tomorrow as a team, we'll be well on our way to having a fine ball club this season," the Warrior coaching staff believes.

**STEELER LOST FOR SEASON.** Bruce Jateff is shown on the ground at the Granite City Stadium during the weekend after suffering a right leg fracture. He was hurt while being tackled by Collinsville's Kahoks following a ten-yard run in the fourth period of GCHS North's 9-0 football victory. The senior athlete is shown being aided by coaches and others before being removed for treatment.

(Picture by Mark McHenry)

## Steeler harriers place 3rd

A triangular cross-country meet held Monday on a 2.75-mile course at Mater Dei High School of Breese saw GCHS North's junior varsity runners place third in competition against the hosts and Wesclin High of Trenton.

Wesclin won with 28 points, Breese had 49 and North 55.

Steeler Mike Johns finished fifth in the meet with a time of 15:32. Ed Futch was 10th, Ken Futch 12th, Kent Monical 13th and Chris Rogenski 15th.

The Steelers placed second in a freshman-sophomore race over a 2.5-mile course, earning 39 points. Wesclin won with 22 points and Breese had 69.

Finishing for North were Jim Edwards second in 13:59, Jeff Turner seventh, Rick Under ninth, Rod Dunaway 10th and Alvin Young 11th.

## Cougars are goal-getters

If it isn't official yet, but the scoring of four goals in less than six (5:47) minutes by the Southern Illinois University at Edwardsville soccer team against a topflight opposing school, the Akron University Zips, apparently was a national intercollegiate record.

Many area soccer fans think that the Cougars' offensive spurge would be a world record for an organized game between schools that year in and year out play equally comparable schedules.

In the process of scoring their record-breaking four goals here during the weekend, the Cougar kickers of SIUE Coach, Bob Guelker demolished the Akron U. Zips, 5-2.

The Zips scored first on a play by one of their pair of scoring brothers, Louie Nancehoff. Taking a pass from Randy Miller, Nancehoff blasted the ball past SIUE's diving goalie, Bob Robson.

The gloom that descended on Cougar Field was shortlived, as SIUE's big advance striker, Greg Villa, took a huge booming kick at midfield, headed the ball toward the Zips' goal and zoomed in on it for the tying score. Tim Twellman gave the Cougars the lead on an assist pass from Hadley Koeller at 14:49. Villa's deadlocking shot had come at 14:38.

The Cougar fans were still cheering Twellman when SIUE winger Tim Holstein blasted in the first of his two goals at 18:54 and then repeated at 20:25. Chris Cacciatore fed him the ball on his first goal, and Twellman passed the ball to him for his second.

Holstein leads Cougar scorers with seven goals and two assists.

Gerry Howe completed the Cougars' pointmaking at 33:49 in the first half on a pass from Brian Higgins.

The victory runs SIUE's record to 2-0. This weekend, the Cougars will be on the road, meeting always tough Rockhurst College Saturday at Kansas City, Mo., and Benedictine College Sunday at Atchison, Kan.

## Baseball pitch, hit, throw competition

Granite City Jaycees will host their annual baseball pitch, hit and throw competition for Quad-City area boys and girls from 10 a.m. to 2 p.m. Saturday, Sept. 25, at Wilson Park's diamond two.

John R. Jones, president, notes that last year more than 100 youths aged six to 14 participated in four age groups, with trophies presented to first- and second-place finishers in each group.

The age groups are 6-8, 9-10 and 11-14.

Registration is to be accepted at the park diamond at the 10 a.m. starting time.

## Midwest sprint car spectacular to open; GC event Saturday

The first annual "Midwest sprint spectacular," involving competition on three dirt racing tracks, opens tomorrow on the half-mile speedway at Champaign and then continues at 7 p.m. Saturday on the half-mile oval of Tri-City Speedway.

The series concludes Sunday on a three-eighths mile track at Capital Speedway, Holt's Summit, Mo.

In past seasons, Tri-City Speedway has hosted its own series of four events per year. In addition to preliminary racing events, each race date this weekend will be highlighted by a 40-lap feature race.

The overall point leader at the conclusion of the series will receive \$500 in addition to his share of the combined total purse of \$11,000.

Among drivers expected to compete is Chuck "The Bandit" Amati of Freeport, Ill., winner of the last two sprint car races held here and a regular weekly competitor at the Champaign track.

Amati may face strong competition from Bill Utz of Sedalia, Mo., and Bobby Jones of Danville, Ill., providing that the two enter the series.

Utz, defending International Motor Contest Association champion, recently captured a national racing event held at the Missouri State Fair.

Jones, who had captured four straight events at Tri-City before yielding victory lane to the late Larry Kirkpatrick and then Amati, emerged victorious in a recent U.S. Auto Club 100-mile championship race at DuQuoin, Ill.

Missing from the field will be Jan Opperman, an Indianapolis 500-mile race veteran and a regular campaigner on USAC's sprint car circuit this year.

Opperman remains hospitalized in Indianapolis, where he was taken in critical condition two weeks ago with injuries suffered in a crash while leading a national racing event.

Amati, winner of more than 20 feature races this season, is regarded as one of the most colorful drivers to compete here.

He is known throughout the Midwest as the "one-armed bandit."

In 1969, nine years after making his racing debut, Amati was driving in a race and became involved with another car, flipping his sprinter through a fence. Amati suffered a broken right arm and

broken collarbone and had muscle and ligament damage in his right arm and shoulder.

Upon his release from a hospital, Amati fashioned a special strap to keep his right arm secured to his right leg, and proceeded to drive.

With his injuries, he won sprint car championships at Paducah, Ky., and Farmington, Mo. Drivers there complained that he was "driving with one arm and taking our money," and the nickname has been with Amati ever since.

The competitive spirit of Amati began with modified cars back in 1960. They cost him about \$150 to build. Today, his race car is valued at nearly \$16,000.

In 1964, he moved into the super-modifieds where he recalls that his love for open-wheel racing began.

Five years later, Amati purchased a sprint car and campaigned for awhile as an independent driver and then signed to drive for Lee Hill of Greenfield, Tenn., before being hired in 1973 to the Bruce Cogle Racing Team of Alabama as a teammate of Bobby Jones.

Now, 17 years after he first climbed into a race car, Amati is talking about retiring.

He says, with tongue-in-cheek humor, that retirement will come just as soon as his son is ready to take the wheel.

Amati's boy is three months old.

## Women's field hockey team ready for season

"Come on, you pansies," taunts Coach Cindy Jones as the women's field hockey team of Southern Illinois University at Edwardsville works out in preparation for this fall's 20-game season.

In their second week of practice, the women are concentrating on stickwork and conditioning for this weekend's first game at the St. Louis Umpiring Conference.

A little over half of last year's team is returning to play this fall, and Coach Jones is pleased with her charges. "This year's team has a good attitude even though they're young and scared," she said. She is hoping to improve on last year's losing 4-7 record with a squad of seasoned veterans and experienced freshmen.

Seven members of last year's hockey team are back this year. On offense, senior Cherry Sharp of Granite City will play her fourth year at left wing. Laura (Jo) Brooks of Edwardsville returns for her third year at

right wing.

Jayne O'Laughlin of Edwardsville and Kathy Goring of Addicksville both begin their second seasons of field hockey at SIUE. Melody Wallace of Scott Air Force Base will play again this year, along with Laura Gruber of Collinsville. Sharon Frey of Edwardsville will play her second year in goal for the women's Cougars this year.

The field hockey team will have a difficult time replacing two members of last year's squad, Laurel Strong and Debbie Payne. Laurel Strong, now coaching field hockey at Lindenwood College in St. Louis, was the Cougars' veteran fullback, noted for defensive play. Debbie Payne, no longer attending SIUE, was the Cougars' center forward for the past two years.

Coach Jones is taking a close look at her freshman prospects in the hope of finding suitable replacements.

Most of this year's freshmen have had at least two years of high school playing experience behind them.

Several of the new players come from Edwardsville and Mascoutah High Schools. These two teams competed in last year's high school sectional tournament.

Final positions have not been set yet because the coach is taking time to experiment with some position juggling. The women will have a general idea which positions they play before their first game on Saturday. "This year's squad will be a defensive team. The schedule is the toughest and longest one the women have ever played," Coach Jones said.

"It's going to be difficult. Most of our competition has already started playing, and they'll have some games under their belts." These teams include Eastern Illinois University, Greenville, St.

Louis University, University of Missouri at St. Louis, SIU at Carbondale, Southeast Missouri State, Meramec Community College, Principia, Quincy and Depauw.

In their first game Saturday, at the St. Louis Umpiring Conference, the Cougars will face such competition as their sister school, SIUC, the Carbondale Club team, Principia College and the St. Louis Club team. Purpose of the conference, held at St. Mary's Institute in St. Louis, is to give area officials their yearly officiating ratings.

## Top athletes to be chosen

The 27th annual Elks sports celebrity night will be held Nov. 18.

The number one sports figure for 1976 will be saluted at the banquet in the Khorassan Room of the Chase-Park Plaza Hotel. Cardinal relief hurler Al Hrabosky was chosen last year.

The winner of the Bruce Campbell Memorial Award also will be cited at the dinner. Sports announcer Bud Blattner was named as the recipient in 1975.

The outstanding performer also will be named in the following categories: pro and amateur baseball; pro and amateur soccer; basketball; auto racing; wrestling; track and field; golf; hockey; bowling; tennis; high school coaches; college and pro coaches; and sports officials.

To be eligible for voting, the performer must live in the greater St. Louis area. Where he competes makes no difference.

Proceeds are used to purchase new shoes for needy children. Tickets at \$15 apiece may be obtained from St. Louis Elks Lodge No. 9, 2000 Market St., St. Louis 63103.

## Pigg infant is stillborn

Lee Ann Pigg, infant daughter of Mr. and Mrs. Dennis (Vicky) Pigg, 1225 Klein St., Venice, was stillborn at 3 a.m. Tuesday at St. Elizabeth Hospital.

Also surviving are grand-

parents, Mr. and Mrs. Silver (Opal) Pigg and Mr. and Mrs. James (Ruby) Parrott, both of Granite City.

Services were held today. Details are given in the obituary column.

## Major crimes decline

Major crimes occurring in Granite City during August dropped 20 per cent below those reported during the same month a year ago, while the number of cases cleared by arrests by the police department declined 15 per cent,

according to a report released by Chief of Police Ronald Veizer.

A decline was reported in six of the eight major crime categories, with increases marked only in the number of homicide and robbery cases.

One of last month's cases was cleared by arrest.

In other crime categories, 30 assault cases occurred last month, down from 35 in the previous year, with 30 of last month's cases cleared by arrest. Twenty-eight assault cases were cleared by arrest.

Two robbery cases occurred last month, up one from one case occurring in August 1975.

Veizer reported 50 burglary cases occurred last month, down 26, or 34 per cent, below the 76 such cases reported in August a year ago. Six burglary cases were cleared last month, compared to 27 in August 1975, the report showed.

A total of 124 larceny cases was reported in August, down from 141 a year ago, with 33 of last month's cases cleared, up

from 26 cleared in August 1975. Twenty-four auto thefts occurred last month, down from 35, with four of last month's cases cleared by arrest, compared to 19 low cases cleared a year ago.

The report shows that of the 280 crime cases in all eight categories reported during August, police solved 68 of them by arrests. During the same month a year ago police cleared 91 of the 360 cases reported during that period.

There were no fatal accidents in Granite City last month, compared with two during August 1975. Accidents totaled 161 during the month, including 44 personal injury accidents and 117 property damage accidents. Fifty-two persons were injured in the 44 injury mishaps, the report said. This compares with a total of 147 accidents in August 1975, including 45 personal injury accidents, in which 70 persons were hurt, 100 property damage accidents, and the two fatalities.

August accidents brought to 1,144 the total number of accidents in Granite City during the first eight months of the year, compared with 1,190 accidents during the same period a year ago.

During the eight-month period this year, there has been one fatality, compared to four last year, 345 personal injury accidents in which 383 persons were injured, and 788 property damage accidents. Last year at the same time there had been 281 injury accidents in which 416 persons were hurt, 965 property damage mishaps, and four fatalities.

Veizer's report listed a total of 129 traffic arrests during August, and 146 other arrests, for a total of 275 arrests, compared with 186 traffic arrests and 1,015 other arrests for a total of 2,388 during August 1975.

A total of 67 charges were filed in arrest cases during last month, making a total of 342 charges, the report said. This compares with 58 additional charges filed in August a year ago, for a total of 394 charges in all cases.

There was a total of 2,260 complaints handled by the department during the month.

**CYCLIST INJURED**  
Willis Nelson, 24, East St. Louis, was injured in a motorcycle accident last week and was treated and released from St. Elizabeth Hospital. He suffered abrasions to his right shoulder, right arm and both knees. A series of x-rays was taken.

## Alpha Xi Chapter plan events

Alpha Xi Chapter members met at the Polish Hall in Madison to open the current season of meetings and to finalize plans for forthcoming events.

Mrs. Gerry Mendez, president, announced "A Luncheon is Served" event will be held on Nov. 18 at the Madison Recreation Center with entertainment to be provided by "Aldia and Her Caravan," which is a belly dancing troupe. Tickets for the affair is set at \$2 and may be purchased from any member. A Halloween party is also planned for Oct. 23 for the

Granite City Association for Totarated to be held at St. John United Church of Christ, it was reported.

The president then presented the past president, Miss Betty Buzach, with a scrapbook of the years events.

New yearbooks following the theme "Krazy Days" were also distributed during the meeting.

Mrs. Kathy Dohal served as hostess for the evening. The next meeting will be a social at the Hu Ki Lau followed by a work party at the home of Mrs. Barbara Orris. Also present were Mrs. Sue Valencia, Mary Pirtos, Connie Grupus and Pat Scherrilla.

## Altar Society plans outing

Mrs. Irma Manning outlined arrangements for a trip on Oct. 23 to Hannibal, Mo. for members and guests of St. Ann's Altar Society at its meeting held last week in St. Joseph Church hall.

She added the bus will leave at 8:15 a.m. and return about 5:30 that evening and a snorgasbord luncheon has been planned at the Holiday Inn in Hannibal. Cost of the trip is set at \$8 per person, according to Mrs. Manning.

President Margaret Minzes opened the session with prayer followed by a financial and secretary report by Mrs. Manning.

Thank you note was read from Sister Samuella, school principal, for the air conditioning unit in the school library purchased by the society.

Mrs. Pete Metcalf was introduced as a guest and new member, who is also a member of a council who meets periodically with the Bishop to discuss ideas to benefit the various parishes. She reviewed the last meeting and said the next session is set for Dec. 12 at St. Peter's and Pauls parish in Springfield.

Tentative plans were made for a Christmas party to be held on Dec. 14.

The president reported a nominating committee will be elected at the Oct. 12 meeting and election is to be in November.

Clotene Mosby who heads the Legion of Mary organization was appointed to send cards to any parish member who is ill.

Mrs. Manning was also appointed to represent the society at the Diocesan Council of Catholic Women getting to be held in Springfield and submit a report at the next session.

Refreshments were served by women who reside on Adams and Benton Streets and Cleveland Boulevard.

## NEXT WOMEN'S AGLOW MEETING ON OCT. 7

Next monthly meeting of the Granite City Chapter of Women's Aglow Fellowship, an interdenominational organization, will be held Thursday, Oct. 7, at Faith Christian Center, 4397 Highway 162, next to Stallings School.

The speaker, Mrs. Grace Stoney, is a daughter of and assistant pastor to Elizabeth Farrior, Faith Tabernacle, St. Louis.

Elizabeth Farrior was the September speaker here. Coffee and doughnuts will be served at 9 a.m., and the meeting will be held from 9:30 to 11:30. A nursery is provided.

## Hebrews 13:8 Jesus Christ is the same yesterday, today, and forever.

This scripture is full of comfort to believers who need encouragement. Every one who is a believer in Christ must have a personal encounter with Him. If ever you meet Him, commune with Him, believe on Him, you will never be the same again for as long as you live.

The plea of Christ is: Come unto Me, ye that labor and are heavy laden, and I will give you rest. If Christ supplied your need in the yesterday of your life, then know He will today. He is always the same. And do not be afraid of tomorrow. He is the same forever!

Cast all your cares on Him, He cares for you. Today.

## JULY 12 HOSTED AT LUNCHEON MEET

Mrs. Emma Steinberg hosted the July 12 club at a noon luncheon in her home Thursday. The table was decorated in yellow with a centerpiece of fall flowers.

Winners at afternoon card games were: Kathryn Smithson, Mabel Lehne, Pauline Canham and Penny Qualey. The consolation prize was received by Vernia Michelle.

Others attending were Ann Gliese, Pauline Stephens, and Emma Steinberg. The next meeting will be held Sept. 30 at Russo's, Collinsville, to celebrate the club's 50th anniversary.

**UNDERCOATING - RALPH'S TEXACO**

## Special Education Parents elect

Mrs. Kay Hahne was elected president of Parents for Special Education at a meeting held last week to start the new school year.

Also named officers for 1976-77 were: Mrs. Emma Redstone, vice president; Mrs. Carol Smoot, secretary; and Mrs. Bernice Myers, treasurer.

Plans were made to hold a rummage and bake sale at Schermer Bros. Market parking area, 12th Street and Madison Avenue, from 9 a.m. to 2 p.m. Friday.

Persons wishing to donate rummage items or baked goods are asked to deliver them to the parking lot between 8:30 and 9 a.m. Friday, or call Mrs. Hahne at 451-9832 for pickup service. Proceeds from the sale will be used to help sponsor skating parties for Special Education children, Mrs. Hahne said.

The initial party is planned from 6 p.m. to 8 p.m. today at the Stardust Skating Rink in Pontoon Beach.

**THEFT FROM HALL.** An undetermined amount of change was stolen from the Mexican Honorary Commission hall, 1801 Spruce St., between 9 p.m. Sunday and 8:10 p.m. Monday. An unsuccessful attempt also was made to pry the lock off the beer cooler. There were no signs of forced entry.

## Shrine Club fish fry set

The Tri-City Shrine Club will hold its annual fish fry on Friday, Oct. 1 and Saturday, Oct. 2 at the entrance of the Nameoki Village Shopping Center, according to the club President, Joe Wallace.

He has appointed Kelly Hogan to serve as chairman of the project.

Hogan announces the menu will include a fish sandwich for 75 cents; fish plate for \$1.50 will feature carp or burlito fillet, cole slaw, French fries, pickles and bread. Can soda will be sold for 25 cents per can, the chairman added.

## Progressive class holds potluck

A birthday potluck dinner was served members of the Progressive Class, who met last week at Second Baptist Church. The event takes place every three months.

Mrs. Elsie Sturdivant gave the opening prayer, and members sang "The Beautiful Garden of Prayer," accompanied at the piano by Jack Jenkins.

Mrs. Irene Reagan was in charge of the business session and Mrs. Iva Biggs read the roll call. It was decided to make quilts for the Carmi Baptist Home as a special project.

Prayer was offered for those who are ill by Mrs. Lois Jones and Mrs. Naomi Burnett, and the group recited the 23rd Psalm in unison.

In addition to those mentioned, also at the dinner were Lena Stephens, Rachel Westphal, Lena Bonniwer, Florence Paul, Tillie Naylor, Virginia Ficker, Carol Hawn and Lela Harris, members.

Guests attending were Minnie Cavina, Mae Findley, Betty Lewis, Connie Wigger, Howard Wigger and the Rev. and Mrs. Eugene (Margaret) Dutton.

## STEAL TELEVISION

A console color television was stolen from the apartment of Chom Soon Rogers, 2610b Madison Ave., it was discovered at 1 a.m. Tuesday. The front door had been pried open. Nothing else was believed disturbed.

## GCS Women's Association opens season

Granite City Steel Women's Association resumed its monthly meetings last week, following the summer recess, with dinner in the company's General Office Building cafeteria.

Sixty-four attended the opening session. Mrs. Nellie Dierker gave the invocation. The guest speaker was Mrs. Bernice Meyer, a collector of dolls. She displayed several dolls from her extensive collection and explained their origin.

Mrs. Meyer also reviewed the history of various types of dolls, some dating back to 1850 and others of the contemporary style. She was assisted by her daughter, Paige. The two were introduced by Mrs. Wanda

MacDonogh, vice-president. A surprise guest at the meeting called himself "Willie the Worm." He was dressed in appropriate costume and carried a basket of apples, distributing its contents to those present.

Mrs. Jane Lybarger, president, conducted the business session and presented the association's new officers for 1976-77. They include: Mrs. MacDonogh, vice-president; Mrs. Doris Fox, recording secretary; Mrs. Joan Bauer, corresponding secretary; and Mrs. Ruby Streiber, treasurer.

Executive board members introduced were Geraldine Dublar, Doris Hinnen, Pat Maul, Marge Burkhardt and

Ruth Thornberry. A report was given by Mrs. Muriel Fossick concerning proposed amendments to the club's bylaws and constitution. The report was compiled by Edith Headrick, Betty Goldschick and Mrs. Fossick.

Prizes in the social hour were awarded to Ruth Huxel, Florence Riddle, Dorothy Rushing, Del Kiefer, Deloye Greer, Mrs. Dierker and Mrs. Fossick. A Hawaiian theme will prevail at the October dinner meeting, according to Mrs. Thornberry, who invited all current and prospective members to attend.

## Women's political caucus caucus organized

An organizational meeting was held last week in East Alton to establish the Women's Political Caucus, a branch of the Illinois and National Women's Political Caucus.

Elected as 1976 officers are: Carol Frederick, chairman; Anita Eismoff, vice-chairman; Dorothy Fontana, treasurer; and Sandra House, secretary. Members of the Women's Political Caucus, a multi-partisan group, are working for an equal place for women in the political system, a spokesman said.

A campaign clinic and workshops will be part of the 1976 Illinois Women's Political Caucus convention Oct. 1-3 in Bloomington.

## Parkview PTA hears GC Mayor

Mrs. Pat Bieniecki, president of Parkview School PTA, introduced the new officers at the initial meeting for the 1976-77 school term, held last week at the school.

Other officers are Marvin Meng, vice-president; Mrs. Karen Melton, secretary and Mrs. Cathy Casey, treasurer. Mrs. Agnes Fryntko, principal then presented the teachers and office staff. The president led a discussion on the candy sale now in progress and on the school carnival and spaghetti dinner set for Friday, Nov. 19 at the school.

Guest speakers for the evening were Mayor Paul Schulz, and aldermen Earl Baker and Jerry Farmlay. They

discussed the widening of Maryville Road and answered questions by parents who are concerned with the safety of the students during the construction of the road.

Dale Rees, assistant to the superintendent of schools, was presented by the principal, and he explained procedures for the children to observe during the construction period. The parents attendance prize was awarded to Mrs. Carol Gendron's fourth grade.

Refreshments were provided by the room mothers and served in the cafeteria by Mrs. Dee Robinson, hospitality chairman.

## Eagles Auxiliary initiate three

The Ritual Team of the Eagles Auxiliary conducted an initiation ceremony for three new members, Marlene Brandt, Naomi Terrell and Gertrude Bocky at a meeting held last week.

Members of the team include Nancy Mullen, Alma Sedebas, Helen Frazier, Dolores Sanders, Marge Hall and Florida Batson, pro tem. President Ruth Pauble conducted the meeting. She announced the District 8 meeting is scheduled for Oct. 3 in Wood River, and the senior citizen kick-off dinner will be on Nov. 4 at the Eagles Hall.

Those honored at the session were Mrs. Leona Deloye,

treasurer, Mrs. Helen Frazier, secretary and trustees, Florida Batson, Helen Lipchik and Norma Hennen. Each received a gift from the president. Mrs. Pauble also accorded special recognition to Mrs. Marge Hall and the Ritual Team who placed fourth in the national competition held in Miami this fall.

The white elephant and evening prize were won by Katherine Konvicka.

## Mrs. Hudson at state meeting

Mrs. Mary Lou Hudson, 74 Shirlwin Drive, who is a board member and mass media chairman for the Illinois Association of the Deaf, attended a state board meeting in Rockford, Ill., scheduled to discuss many vital issues pertinent to the deaf.

Education of the deaf was discussed by the board and problems which vary from one city to another. It was reported that in Granite City one class of deaf children had to be cut, consolidating six to 12 year olds into a class due to the drop in enrollment, but that every effort is being made to locate a qualified teacher aid who is skilled in total communication. In relation to a mass media report, Mrs. Hudson, said that two proposals are being made by KETC-TV, St. Louis for a series of programs on various handicaps including deafness and one series of programs on teaching the hearing child basic sign language skills and deaf awareness.

Telephone accessibility was a major topic of the board meeting and a national campaign will be underway on Oct. 9 to make the public aware of the problems faced by the deaf with telephone communications and solutions of the problems.

MRS. VI EDWARDS ENTERTAINS CLUB Mrs. Vi Edwards, 3705 Franklin Ave., entertained the Monday Afternoon Card Club in her home.

She awarded prizes to Madeline Pauline Canham, Margaret Richardson, Marie Perry and Marvel Clover, a guest. Also present were Mrs. Leona Parente, Mrs. Theresa Walkenback and Mrs. Myrtle Bruns. Mrs. Parente and Mrs. Lindell Blvd. will host the next meeting.

## Mitchell Scouts open season

One hundred Brownie and Junior Girl Scouts met together last week at Mitchell School to kick-off the 1976-77 Girl Scout year.

All scouts participated in a flag ceremony and a sing-a-long led by troop organizer Carol McNeely. The colors were presented by Junior Troop 61, under the direction of Cathy Murphy. Flag bearers were Lora Churchwell and Nikki Smith and color guards were Anthea Hallett and Angela Clements.

Plans for the coming year discussed included apple picking, hay rides, skating parties, campouts, hikes, tours of Our Lady of the Snows, bakery companies, television stations, a chocolate factory and many project and learning experiences.

Scout leaders for the year are Carol McNeely and Lucy Colbert, Junior Troop 1120;

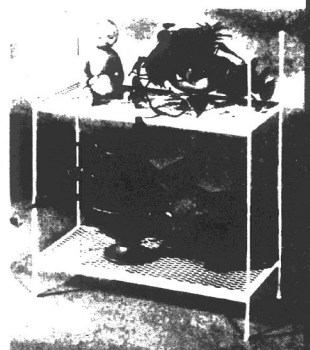

Joyce Churchwell, Jeanne Murphy and Margot Clements, Junior Troop 61; Dana Kelley, Diane Baker and Connie Cornwell, Brownie Troop 906; Donna Watkins and Cindy Keen, Brownie Troop and Tammy Baugh, Katie Baugh and Georgia Simpson, Brownie Troop.

All troops are sponsored by the Mitchell PTA and any girls in the first to sixth grades may join a troop by contacting Troop Organizer, Mrs. Carol McNeely, at 931-5164.

**BURGLARY ON BRYAN**

A \$150 television set and a \$40 stereo were stolen from the home of Terry Burton, 2020 Bryan Ave., it was discovered Monday. Entry was gained by cutting the screen in a side window and removing a window fan.

MR. AND MRS. DAVID BOEGER. They were married in an evening ceremony at the First Assembly of God Church. Formerly Miss April Lynn Harris, the bride is a daughter of Mr. and Mrs. Herman Harris of Edwardsville, formerly of Granite City.

## April Harris becomes Mrs. David A. Boeger

The wedding of Miss April Lynn Harris, a daughter of Mr. and Mrs. Herman Harris of Edwardsville, formerly of Granite City and David A. Boeger, son of Fred Boeger and Mrs. Mildred Boeger of Collinsville, was solemnized on Aug. 28 at First Assembly of God Church, 24th Street and Grand Avenue.

Summer flowers and white bows arranged with burning tapers in branched candelabra provided the setting for the 7 p.m. double ring ceremony performed by the Rev. Dale Edwards.

Raymond Voorhees sang, "Sunrise, Sunset," "Morning Has Broken," "Wedding Prayer" and "The Lord's Prayer" accompanied by organist Mrs. Dale Edwards.

Escorted to the altar by her father, the bride wore a long white cotton dotted swiss gown fashioned with a sheer yoke and long sleeves enhanced with Venise lace.

She wore a floor length veil bordered with lace and she carried a bouquet of pink roses, white carnations and baby's breath.

Maid of honor Miss Robin Harris, a sister of the bride and bridesmaids, Misses Sandy Thayer and Cindy Bozello chose gowns of white organza over pink and green checked gingham.

The flower girl, Julie Ann Ahlvers, a niece of the bride, was dressed in a frock similar to the adult attendants. She carried a basket of pink rosebuds.

Benjamin Andrew Ahlvers,

the bride's nephew, served as the ringbearer.

Rod Schmidt attended the groom as best man. Tim and Tom Thomas, Tom Corcoran and Mike Molinar completed the corps of groomsmen and ushers.

A reception was held in the church fellowship hall after the service. The rehearsal dinner was served by the groom's mother in the home of the bride's grandparents, Mr. and Mrs. Lynn Drum of Edwardsville, formerly of Granite City.

Both young people graduated from Collinsville High School. The bride is employed at Big Four Chevrolet in Collinsville and the groom is working at Nooter Corp., St. Louis. They are residing in Collinsville.

The presentation will include performances by the Victory Quartet, the Frank Wallace Family of Granite City and the Sunshine Singers of St. Louis.

Others on the program are Slim and Zella Mae Cox and the Sunshiny Singers of St. Louis, the Huffman Family of Fredericktown, Mo., the Revelators, the Harvesters, the Reynolds Family and the Latter Days, all St. Louis groups and the Young Gospels of Alto, Mo.

The Rev. Ralph Brandon of Carterville, Ill., will serve as master of ceremonies. Donations are \$1.50 in advance and \$2 at the door, with children under 12 admitted free.

Benjamin Andrew Ahlvers,

## Victory Quartet program Saturday

The Victory Quartet, a Granite City singing group, will mark its 33rd anniversary in a program beginning at 7:30 p.m. Saturday at the Kingsland Theater, St. Louis.

The presentation will include performances by the Victory Quartet, the Frank Wallace Family of Granite City and the Sunshine Singers of St. Louis.

Others on the program are Slim and Zella Mae Cox and the Sunshiny Singers of St. Louis, the Huffman Family of Fredericktown, Mo., the Revelators, the Harvesters, the Reynolds Family and the Latter Days, all St. Louis groups and the Young Gospels of Alto, Mo.

The Rev. Ralph Brandon of Carterville, Ill., will serve as master of ceremonies. Donations are \$1.50 in advance and \$2 at the door, with children under 12 admitted free.

Benjamin Andrew Ahlvers,

# PRICES CONVINCES BACK TO KAREN GRAHAM, ST. LOUIS AREA SHOPPER

"I've seen the Kroger Price Patrol on TV," says shopper Karen Graham, "and the reason I like to hear about them is I've done comparing on my own. I always especially notice when we put things in the cabinet at home. I'll look if there's a similar product in the cabinet and check the price. If the price is higher than what I just bought at Kroger, I'll know that product came from another store. It sure convinces you to come back to Kroger and shop." Try Kroger... and compare for yourself.

**TOTAL SATISFACTION GUARANTEE**  
Everything you buy at Kroger is guaranteed to give you the best service and quality of merchandise. If you are not satisfied, Kroger will replace your item with the same item or a comparable item or refund your money. We also guarantee that we will do everything in our power to have ample supplies of all merchandise open to our customers when you shop for them. If, due to circumstances beyond our control, we run out of an advertised item, we will substitute the same item in a comparable item and when such an item is substituted, the same unit and price will apply. If you prefer, give us a "RAIN CHECK" which entitles you to the same price level on the item when it is available again. This guarantee is valid only on items sold in the Kroger store.

**KROGER GLADLY WELCOMES FEDERAL FOOD STAMP CERTIFICATES**  
Kroger is happy to redeem your federal food stamps in cities and counties authorized by the U.S. Dept. Of Agriculture. If you need assistance to use your stamps, please see your Kroger Store Manager. He will be happy to help you.

**MR. AND MRS. DANIEL NOETH** whose wedding took place at St. Elizabeth Church. Formerly Miss Marie K. Beljanski, the bride is a daughter of Mrs. Kathleen Beljanski, 2000 Manley Ave. and the late Joseph M. Beljanski Sr. (Hollywood-Andrew Studios)

## Noeth-Beljanski nuptials at St. Elizabeth Church

Miss Marie K. Beljanski, a daughter of Mrs. Kathleen Beljanski, 2000 Manley Ave. and the late Joseph M. Beljanski Sr., and Daniel A. Noeth, a son of Mr. and Mrs. Fred Noeth, 40 Terrace Lane, were united in marriage on Sept. 3 at St. Elizabeth Catholic Church.

Burning tapers in branched candelabra illuminated the sanctuary for the double ring ceremony performed by the Rev. Kenneth J. Becker at 7 p.m.

Miss Pat Beljanski, a sister of the bride, was soloist and was accompanied at the organ by Mrs. Jane Kozielek and guitarist Greg Ballard. Selections included "Never My Love," "The Wedding Song," "We've Only Just Begun" and "The Lord's Prayer."

Escorted to the altar by her brother, Joe Beljanski, the bride wore a long gown she designed and created in white chiffon. Two deep tiers of handkerchief points fell softly over the bodice from the round neckline and flared sleeves to the gathered waistline.

She wore a picture hat trimmed with chiffon and a small chiffon rose with a layered veil attached to the back band. Her pear shaped bouquet was an arrangement of gardenias and stephanotis.

Miss Teri Lucke, served as maid of honor, with Maureen Lamb, Sandy Innes, a sister of the groom, Kathy Milkovich and Anita Sue Gregorich, a cousin of the bride, as bridesmaids.

Tina Marie Halasey, the bride's cousin, was the flower girl.

They were attired in floor length dresses of apricot chiffon featuring V-necklines with ruffled collars which covered the flounce sleeves. The Empire waists were accented with a bow and deep ruffled flounces encircled the hemlines.

Each wore a matching picture hat trimmed with lace and carried bouquets of white daisies, heliopsis roses and baby's breath.

The groom chose his brother, Rick Noeth, as best man. Dennis Ross, Brian Beljanski, brother of the bride, Victor Reznack and Jim Birdsong were groomsmen.

Derek Engeln, a nephew of the groom, was the ringbearer and ushers were Philip and

Brian Beljanski, brothers of the bride.

For her daughter's wedding, Mrs. Beljanski, chose a full length gown fashioned with a chiffon blouse with a ruffled band collar, long sleeves and an ivory lace skirt. The groom's mother, Mrs. Noeth, was attired in a blue chiffon tiered formal length dress with a matching shawl. Both wore corsages of blue cymbidium orchids.

A reception was held at the Croatian Home in Madison with Carol Caraway, a cousin of the bride, attending the guest book.

The newlyweds left for a wedding trip to the Lake of the Ozarks after the reception and are now residing in Granite City.

A 1972 graduate of Granite City High School, the bride also graduated in 1970 from Western Illinois University in Macomb, Ill. She is presently a sales manager at Six, Baer and Fuller, River Roads Shopping Center in Missouri.

The groom graduated from Granite City High School in 1972, attended Western Illinois University at Edwardsville where he is in his last year as a marketing major. He is also employed as store manager of Lozier Department Store at Crossroads Shopping Center in Granite City.

## Nu Zeta plans October hayride

Events for the new season were discussed last week by Nu Zeta Chapter, Beta Sigma Phi Sorority, at a meeting in the home of Mrs. Judy Haven, 3205 Kilarney Drive.

Among the activities planned was a hayride on Oct. 23 at 7:30 p.m. at Edwardsville.

A rush party for all local chapters is scheduled at the Collinsville Holiday Inn, it was announced. In preparation of the event, Nu Zeta members made small scrolls to be given guests.

Mrs. Carla Ashmore, 2569 Stratford Lane, will entertain the group at 7:30 p.m. Tuesday. The hostess served vegetables and dip during the social hour. Others present were Emily Farnbach, Martha Delevski, Sharrri Whaley, Carol Moerlien, Linda McKeach and Mrs. Ashmore.

## Apple picking Friday for Y seniors

Apple picking at Eckert's Orchard, near Grafton, is planned Friday by the YMCA Senior Citizens' Club. Mrs. Lucille Pierce, president, reported.

Those making the excursion tomorrow will board buses at 9:30 a.m. at the Tri-Cities Area

YMCA, 2001 Edison Ave. A luncheon will be served at Pere Marquette State Park Lodge before arriving at the orchard, Mrs. Pierce said.

At the senior club's potluck dinner and business meeting last weekend at the YMCA, details also were discussed for

another bus trip to Ramsey Park on Friday, Oct. 1. Members planning to take part were asked to bring along their own sack lunch.

Two special sessions were announced for Monday and Wednesday of this week. Both were held from early morning

until 3 p.m., with members enjoying swimming, games and other recreational activities at the Y.

Mrs. Augusta Pender, chaplain, gave the prayer to open last week's business meeting, and Mrs. Pierce led the pledge to the flag and conducted the program.

Among those attending were Mae Findley, Evelyn Stark, Anna Kuruz, Virginia Taylor, Florence Paul, Ruby Mayberry, Naomi Burnett, Clara Ledbetter, Josie Stoyanoff, Helen Lashan, Mary Scroggins, Eleanor Patterson, Nola Helms, Jewell Patterson, Roy Lyle, George Hall, John Polson, Irma Cotter, Mabel Wiggins, Mary Finn, Mildred Johnson, Eunice Harned, Evelyn Smith, Alvin Smith, Elsie Stagg, Lillian Wood, Stella Blumicki, John Winkemeier, Fanny Epstein, Art Rankin, Mary Andria, Kathryn Todoroff, Helen Kachigian, Norman Mendoza, Blanche Scantling, Beulah Foc, Bernice Caldwell, Martin Schulz, Augusta Lampe and those mentioned.

MRS. JUNE LUX, shown with one of her hanging baskets. She presented members of the Thorngate Garden Club with snapshots and plant histories of their own hanging baskets after personally visiting each woman's home.

## Baskets bring greenery indoors

"Hanging Baskets" was the topic of a program presented by Mrs. June Lux last week for members of the Thorngate Garden Club.

To present a colorful and unusual afternoon program, Mrs. Lux, visited each of the members' homes and took pictures of various kinds of hanging plants. She included a history of each plant with the picture mounted on art paper to illustrate her talk and later gave the exhibit to the owner of the plant.

Mrs. Patricia Polley, Rural Route Two, Thorngate Drive, entertained the group and served a fresh fruit dessert luncheon from a watermelon basket with various kinds of cheeses, breads and crackers. Guests were seated at individual tables covered with white linen cloths and decorated

with green depression glass, antique carnival glass and Waterford crystal. Centerpieces were antique crystal baskets filled with fresh garden flowers and favors were miniature ceramic hanging baskets in keeping with the program.

Mrs. Clara Schilling, president, was in charge of the business meeting and Mrs. Lux offered the opening prayer. Roll call was answered by each one by displaying a project for a fund raising program.

Others present included Miss Jean Bethel, Mesdames Lillian Delph, Betty King, Helen Polley, Frances Polley, Wanda Herman, Miss June Markham and a guest Mrs. Nona Corzilius.

Mrs. Lux invited the club to meet in her home for the Oct. 12 meeting.

## Drusilla Andrews opens season

The first fall meeting of the Drusilla Andrews Chapter of the Daughters of American Revolution (DAR) was held at Charlie's Restaurant during the week with 11 members and one guest present.

Mrs. Janet Wilson, regent, conducted the opening ritual followed by the pledge of allegiance. Mrs. Ruth Mitchell read the president general's message, which reminded the members that this week is "Constitution Week," a time when we should all recall the benefits we have derived from our constitution.

The minutes and the treasurer's report were presented by Mrs. Barbara Williams and Mrs. Margaret Belt, respectively. Miss Nellie Hart, substituting for Miss Ella Ray Smith, presented several National Defense topics.

Mrs. Wilson reviewed briefly the chapter's participation in the DAR Days last week and stressed how small chapters can conduct efficient state meetings just as well as the larger chapters.

A discussion was held on some of the scholarship programs of the state and a donation to the medical scholarship was approved.

Mrs. Laverne Wilson presented the "afternoon program on '200 Years of Glassware'" and exhibited many rare pieces of glass from her own collection. Information regarding various types was

presented and several members of the local chapter discovered that they have some valuable pieces of their own just tucked away in the corner of a cabinet, according to Mrs. Wilson.

A new transfer member from a St. Louis County chapter was welcomed, Mrs. Robert O. Butler.

Others in attendance were Miss Mary Candler and Mesdames Mildred Whyer, Emma Schoen, Eva Meier, and Mamie Forhardt.

## Social club meets in Dellwood, Mo.

Mrs. Barbara Stout of Dellwood, Mo., entertained the A to Z Pinochle Club at her home Monday evening. A dessert course was served by the hostess.

Games were played and the successful participants received prizes were Mrs. Helen Krakowicki, Mrs. Clara Winter, Mrs. Lisa Bauer, Mrs. Sue Busch and Mrs. Veronica Kula.

Also present were Mrs. Emily Mejaski, Mrs. Mary Mang, Mrs. Lucille Broyles and Mrs. Evelyn Ferro.

Mrs. Ruth Kinder, 1920 Rhodes St., Madison, invited the club to meet with her in October.

## President Council Day set

Gloverview Garden Club members met at the Granite City Park District (Lincoln Place) Community Center, last week for a workshop session followed by a 1 p.m. luncheon and business meeting.

Mrs. Fred Orr served as hostess for the day and Mrs.

Richard Branding, president, presided at the meeting. A letter was read from Mrs. A. E. Klein of Winnetka, Ill., state awards chairman, who reported the subject of blue ribbon clubs has been discussed and revised rules will appear in the November-December issue

of Garden Glories magazine. New rules will be less stringent making it easier for all clubs in the state to participate and meet the requirements to become a blue ribbon club, she added.

Announcements included a Flower Show on Saturday, Sept. 25, to be staged by the Lakeview Garden Club of Collinsville, entitled "America's Past,

Present and Future."

Another show will be presented by the Collinsville and Holiday Shores Garden Clubs at the Holiday Shores clubhouse, Edwardsville, on Oct. 18 following a theme, "Festivities Follow Fall."

Program for the afternoon was on "Prairie Soil" a wild flower habitat given by Mrs. William Bradley and the study,

GRANITE CITY PRESS-RECORD Thurs., Sept. 23, 1976 Page 23

"Ladies' Tresses" a wild species of orchid was given by Mrs. George Knapp. The "show and tell" exhibit was the sunflower.

Mrs. John Jenkins led the club collect. The president announced plans are under way for the President Council Day set for Nov. 4 at the First Presbyterian

Church, 22nd Street and Delmar Avenue. Gloverview Club will host the event including 14 garden clubs in District V, when all past directors and club presidents will be honored, Mrs. Branding reported. Other present were Mrs. Charles Gauder, Mrs. John Lentz, Mrs. B. C. O'Neill.

**GUEST SPEAKER.** Sister Mary Louise Gordon, master graphonanalyst from St. Louis, center, who spoke at a meeting of the Tri-Cities Chapter of the National Secretaries Association. President Gail Foley is on left and Vice-president Lana Randolph on the right.

## Chapter hears handwriting expert

Sister Mary Louise Gordon, master graphonanalyst from Visitation Academy in St. Louis, gave a presentation on graphonanalysis or handwriting analysis, at a meeting of the Tri-Cities Chapter of National Secretaries Association held at Charlie's Restaurant.

She explained how certain personality characteristics are evident in each person's handwriting and instructed each member to write a sample sentence and then analyze it for certain personality traits.

Chapter events announced during the business meeting included the annual boss night on October 8; a 25-week certified professional secretary study course being offered at Belleville Area College to begin on Sept. 28.

Also initiation ceremonies will be held for the Future

Secretaries Association at Granite City North and South High School on Oct. 10; Brees Central on Oct. 24; Madison High School to be announced later.

Membership chairman Lana Randolph reported October will be membership month and prospective members will be invited to the Oct. 7 meeting at Charlie's Restaurant.

Twila Edmonds, the chapter coordinator for the 1977 Illinois Division annual meeting gave a progress report on the convention being co-hosted by the Alton and Tri-Cities Chapters in 1977 at the Breckenridge Hotel in Frontenac.

President Gail Foley said any secretary wishing to visit the monthly dinner meetings are advised to contact Mrs. Randolph at 345-1137 for reservations.

## 160 attend DAR meeting

Druella Andrews Chapter of the Daughters of the American Revolution, served as hostess for one of the four state leadership meetings, known as DAR Days held at the Round Table Restaurant in Collinsville, attracting over 160 women from the state of Illinois.

Serving as speakers and resource personnel were 43 state officers and committee chairmen.

Mrs. Janet Wilson, regent of the local chapter, extended the chapter's greetings and accorded special recognition to eight persons who assisted with the details for the event. Miss Nellie Hart and Mrs. Eva Meier accepted advance reservations and served at the reservation desk assisted by Miss Ella Ray Smith and Mrs. Emma Schoen.

Others who participated in the affair were Mrs. Ruth Mitchell and Mrs. Ruth McCarty with luncheon

arrangements; Mrs. Barbara Williams and Mrs. Wilson as pages or messengers for the day; Mrs. Helen Gantcheff, who provided a corsage for the state regent, Mrs. J. Kennedy Kincaid and a Bicentennial colored centerpiece. The centerpiece was later taken to a resident at the Colonades Nursing Home.

Mrs. Kincaid presided at the day long meeting and brought greetings from those unable to attend.

Among the honored guests were Mrs. Cleland Leaman, who is currently serving as one of the NSDAR vice-president generals; Mrs. Paul G. Meyer, who is campaigning for the office of national recording secretary general with the election to be April at the 1977 continental congress.

Others present from Granite City were Mrs. Georgia Engleke and Mrs. Delores Rabey.

## Bethel 43 initiates four

"Friends Night" will be observed Tuesday at the semi-monthly meeting of Bethel 43, Order of Job's Daughters, with members of the Wood River Bethel as special guests.

All inactive Bethel members are invited to take part in the event, according to Miss Kathleen Lane, acting honored queen.

Arrangements for the evening were announced at a meeting conducted last week at the Masonic Temple which also included initiation for four new members.

Those receiving the ritual obligation were Kathy Bronshon, Tracy Kopp, Susan Seilheimer and Dawn Wallace. Miss Lane also reported on the annual family style sausage supper set for Oct. 29 with serving to be from 11 a.m. to 7 p.m. Cost of the tickets are \$3 she added.

A discussion was also held on the supreme pilgrimage at the Scottish Rite Temple in Belleville on Saturday, Sept. 25. Dinner will be served at 6 p.m.

and the meeting is to begin at 7:30 p.m. it was noted.

Another initiation ceremony is planned for Oct. 12 when the Bethel will host Masonic Night with all masons and affiliated persons to be invited.

Refreshments were served by Mrs. Delores Baker, Mrs. Marilyn McBee and Mrs. Charlotte Rapp after the meeting.

**SERVICE COUPLE RETURN TO FORT SILL, OKLA.**

Staff Sergeant and Mrs. Thomas Deloyle have returned to Fort Sill, Okla., after spending two weeks with his parents, Mr. and Mrs. Herman Deloyle, 2600 Washington Ave. They also visited with the sergeant's brother Gary Deloyle and family in Washington, Mo.

After Oct. 1 the serviceman and his wife will return to Germany for a three year tour of duty and will be stationed in Augsburg.

### Irene Hauptman is betrothed

The engagement and wedding plans of Miss Irene Pamela Hauptman and Douglas Dwin Hommert is being announced by her parents, Mr. and Mrs. Joseph Hauptman, 2600 Center St.

Parents of the groom-elect, Mr. and Mrs. Glen Hommert, reside at 4108 Melrose Ave.

The couple will be married on May 21, 1977 at Sacred Heart Catholic Church.

Miss Hauptman is a graduate of Granite City High School South and Southern Illinois University at Edwardsville. She is employed as an accountant for Thunderbird Motor Freight in South Roxana.

Her fiancé also graduated from South High School and SIUE. He is currently attending St. Louis University Law School.

### Women's League plan projects

Newly elected officers of the Women's League of Hope Lutheran Church, presided at the first fall meeting last week at the church following a summer recess.

After the opening prayer and devotion a program on the activities of the Little Lamb Pre-School, located at the church, was given by teachers Alice Land and Sarah Ref.

Plans finalized during the business session included a barbecue pork steak dinner on Oct. 3 at the church hall at Wabash and Garfield avenues. Serving will be from 4 to 7 p.m. and games and entertainment is to start at 2 p.m. Tickets are set at \$2 for adults, and children under 10 at \$1.50. It was reported.

There will also be a bazaar displaying many handmade items for sale, the president added.

Another project will be a rummage sale set for Oct. 15 and 16th at the church hall. Refreshments of homemade ice cream and cookies will be served to 16 members.

### Janice Markham is bride-elect

The betrothal of Miss Janice Ruth Markham and the Rev. Timothy Paul Tice, a son of the Rev. and Mrs. Jim Tice of Stuarts Draft, Va., is being announced by the bride-to-be's parents, the Rev. and Mrs. Wilney A. Markham, 2718 West 20th St.

Miss Markham graduated from Anna-Jonesboro High School in Anna, Ill., in 1975 and attended Free Gospel Bible Institute, Export, Pa. for a year.

Her fiancé was graduated in 1973 from American High School, Chicago and is a graduate of the Free Gospel Bible Institute, Export. He is now engaged in full time evangelistic work.

Plans are being completed for a Nov. 12 wedding to take place at the Bethel Chapel, here.

### Kathy Johnson is bride-to-be

Plans for an Oct. 8 wedding was disclosed with the engagement announcement of Miss Kathy Johnson and the Rev. Byron Wampler by the bride-elect's parents, Mr. and Mrs. Lloyd L. Johnson, 4129 Braden Ave.

Miss Johnson is a Granite City High School graduate and is employed at the Christian Book Store in Fairview Heights.

The prospective groom is a son of the Rev. and Mrs. Ansel Wampler, 2727 Osceola St., St. Louis. He graduated from Roosevelt High School and is currently pastor of the Berryman Assembly of God Church in Berryman, Mo.

The wedding of the betrothed couple will be solemnized at Bethel Chapel, Granite City.

### Circle Two elects officers

Circle Two of the First United Presbyterian Church elected officers for the forthcoming year at its first meeting of the fall held Tuesday morning in the home of Mrs. Nan Henderson, 1612 Lindell Blvd.

Those to serve for the 1976-77 term are Mrs. Bernadine Cooley, chairman; Mrs. Ethel Beeler, secretary treasurer; Mrs. Helen Steele, secretary; Mrs. Irene Haug, involvement and action; Mrs. Burdine Holtzsch, mission interpretation.

Co-hostesses were Mrs. Margaret Lueders and Mrs. Helen Steele. Mrs. Bernadine Cooley was in charge of the discussion, and opened the session with prayer for the missionaries of the day. She also gave the Yearbook of Prayer.

A discussion was held on the news letter and Mrs. Steele presented the lesson on Isaiah.

Those present included Mrs. Anna Gross of Dallas, Tex., a former member and Granite City resident and Evelyn Ackerman, Irene Haug, Rosamond Johnson, Dorothy Kerch, Hazel Pellet, Vivian Rowden, Fannie Scheindel, Emma Steinberg, Peg Stevens and Mary Werner.

**ENGAGED COUPLE.** Miss Irene Pamela Hauptman and Douglas Dwin Hommert whose engagement and forthcoming wedding is being announced. She is a daughter of Mr. and Mrs. Joseph Hauptman, 2600 Center St. A May 21, 1977 wedding is planned.

**TO WED.** Miss Kathy Johnson and the Rev. Byron Wampler whose engagement is being announced by her parents, Mr. and Mrs. Lloyd L. Johnson, 4129 Braden Ave. An Oct. 8 wedding is planned.

### Patricia Barnes and David Tozier are wed

Miss Patricia Jean Barnes, a daughter of Mr. and Mrs. Al Barnes, 3029 Dale Ave., and David K. Tozier, a son of Mr. and Mrs. Robert Tozier, Lawrence, Mass., were united in marriage on Sept. 11, at the 100-year old Rutherford Chapel in Tranquility, N.J.

Blue and white mums adorned the altar for the 2 o'clock afternoon double ring ceremony followed by a reception held at the St. Moritz Restaurant, White Deer Plaza in Sparta, N.J.

### Past Matrons open season

The Past Matrons of New Hope Chapter 432, Order of Eastern Star, resumed regular meetings on Tuesday evening at Petri's Cafe.

Dinner preceded the business session when plans were discussed for the group's annual Christmas party.

During the social hour games were played and prizes won by Bess Weiss, Ann Mueller, Marie Hoekstra and Sara Stephens.

Hostesses were Mrs. Carol Hildebrand and Mrs. Louise Cook. Others present included Estella McBrien, Aline George, Marilyn Whitworth, Lou Anderson, Thelma Johnson.

The October meeting will be held in the home of Mrs. Elfreda Barr.

**MRS. DENNIS GIESON.** the former Miss Pamela Sue Clay, who was married at the Granite City Army Installation Chapel. She is a daughter of Mr. and Mrs. Louie D. Clay, Rural Route Two, Granite City.

### Pamela Sue Clay marries Ensign Dennis L. Gieson

Miss Pamela Sue Clay became the bride of Ensign Dennis Lee Gieson, U.S. Navy, in an early evening ceremony on Sept. 1 at the Granite City Army Installation Chapel.

Chaplain Richard Perkins officiated at the double ring ceremony at 6 p.m.

Wedding music included "If," "Romeo and Juliet" and "The Lord's Prayer."

The bride is a daughter of Mr. and Mrs. Louie D. Clay, Rural Route Two, Granite City. Parents of the groom are Mr. and Mrs. Kenneth G. Gieson, 2301 Miracle Ave.

For her wedding, the former Miss Clay, chose a white floor length Qiana A-line gown accented with a lace trim on the Y-neckline and cuffs of the long gathered sleeves.

She wore a circular veil edged in scalloped lace and etched with seed pearls.

Honor attendant Miss Susan Lynn Brown selected a long green gown fashioned with a round neckline and short sleeves.

Stephen West served as best man and Fred and Mike Clay, brothers of the bride, seated the guests.

A reception was held after the service in the Officers Club with Miss Rebecca Norene Clay, a sister of the bride, attending the guest book.

The rehearsal dinner was served at Heritage House, St. Louis.

Both young people are graduates of Granite City High School. The former Miss Clay also graduated from Olin Vocational School of Practical Nursing.

Ensign Gieson received a bachelors degree in science in nursing from Southern Illinois University at Edwardsville.

They are now residing in Jacksonville, Fla.

**BETROTHED.** Miss Roxann Beyrau and Ray L. Smith Jr., whose engagement is being announced by the bride-elect's mother, Mrs. June Beyrau, 3101 Jili Ave. Miss Beyrau is also the daughter of the late Fred Beyrau. Wedding plans are indefinite at the present time.

### Smith-Beyrau engagement told

The engagement of Miss Roxann Beyrau, a daughter of Mrs. June Beyrau, 3101 Jili Ave. and the late Fred Beyrau, and Ray L. Smith Jr., is being announced by the bride-to-be's mother.

Parents of the prospective groom are Mr. and Mrs. Ray Smith Sr., 2801 Wayne Ave.

Miss Beyrau is a senior student at Granite City High School South.

Her fiancé was graduated in 1975 from South High School and is employed at Granite City Steel.

Wedding plans are indefinite at the present time.

**FIREFIGHTING EFFORT** at 2143 Grand Ave., late last week after fire was believed set in the basement of the home. Damage by the fire was estimated at \$3,000. (Press-Record Photo)

**INSPECTING DAMAGE** after a fire at the home of Ricky Collison, 2143 Grand Ave., late last week. The cause of the fire is under investigation, but officials said it started in the basement and spread very rapidly. Firefighters were praised for extinguishing the fire quickly before it involved the major portion of the two and one-half story frame building. (Press-Record Photo)

## Consumer interns planned

Consumer internships for fall or winter quarters are being offered by the SUE School of Business. According to Polly Jones, visiting instructor for consumer education, applications are now being accepted.

In this program, students are assigned as consumer interns for a 10-week period in an agency such as the Consumer Protection Agency of the attorney general's office, legal aid societies, or Better Business Bureau offices.

Mrs. Jones said, "This is a good class for business students, since they gain practical experience. It gets them out into a business situation to see what is actually

going on rather than just sitting in the classroom and hearing about consumer problems." Interns may be involved in investigating consumer complaints, researching and synthesizing data from past legal cases, presenting consumer action information to committees and preparing background data for legal defense purposes.

They can receive college credit for their experiences at either the graduate or undergraduate level. The program is believed to be of value to students who plan to become consumer education teachers, consumer advocates or lawyers. There are no prerequisite requirements for

the course. Additional information and applications may be obtained by calling Polly Jones at 692-2930 or 234-3196 or by writing her at the School of Business, Campus Box 51, Southern Illinois University at Edwardsville.

# Come On Down And See What The Big Red Team Is Doing At Your A & P

## There's a sparkle you can see. And a spirit you can feel.

Shopping is easier, faster, friendlier. And we're proud that our customers have been our biggest boosters. But if you haven't visited A&P recently, come see the new spirit at work. Because we're not just a storeful of aisles—we're a storeful of people. And we'd like to introduce you to each member of the hard working team.

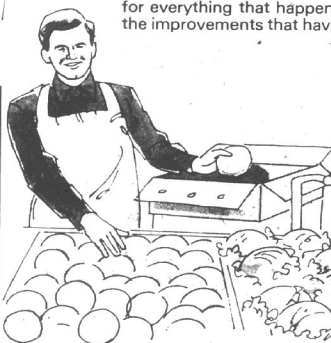

**Our managers have a new sense of service and a bright new jacket.**

That red jacket is a symbol of our store manager's renewed commitment to you. Inside the jacket is someone you can go to if you have a question, if you have a problem, or if you have a special need. Our manager takes responsibility for everything that happens in the store. And takes pride in the improvements that have been made.

**Our butchers have taken a pledge to bring you the finest, freshest meats available.**

They see to it that there's always a good selection of meat in the case. They've trimmed it right and packaged it "best side down". And when you want a special order they're happy to prepare it just the way you prefer it. Our butchers want you to enjoy every piece of meat you buy.

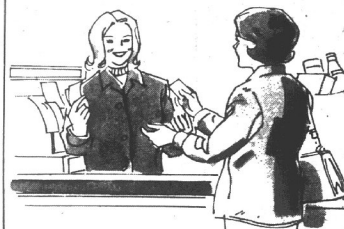

**Our produce people know their beans.**

We've put special people and special emphasis on the job so A&P produce is always fresh, crisp and plentiful. Seasonal savings are passed along to you. And our produce person is the right one to ask for help, such as how to pick a ripe melon.

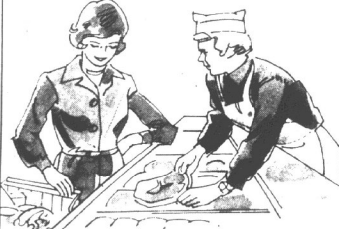

**Our checkers have been to school to sharpen their skills.**

They're faster, more efficient and more courteous than ever. We can promise that you'll get a smile and a "Thank you". They've learned to do their best to shorten the time you're in line. So that when they say "Come back again," you'll want to.

**Our store clerks really keep things moving.**

They stamp and stock and keep the shelves neat and full. So you can have a wide variety of brands to choose from. And today's A&P stockers are better trained. They're happy to help you find any item in the store. Just ask them. You'll get a courteous and helpful answer.

**That's the team. That's the spirit. So, come on down and meet them all in person. You'll find you want to come back again.**

**FIRST CONTRIBUTION.** Lion Mel Schuchardt, right, District I-G Governor, makes the first contribution to James Riskovsky of Madison, deputy district governor for the annual Lions Candy Days to be held on Friday, Saturday and Sunday, Oct. 8, 9, and 10. The Madison, Pontoon Beach and newly forming Granite City Lions Clubs will be giving candy away for contributions to help support Lion projects for the blind and sight conservation. This is the 23rd year members of the Illinois Lions service clubs have held "candy days."

### Camille Bischof shower honoree

Miss Camille Bischof was guest of honor at a bridal shower given this week in the home of Miss Pam Bischof, 2201 State St. Co-hostesses were Mrs. Candy Bain and Miss Cheryl Scholz.

Table appointments were carried out in an orange, green and ivory decor.

Games were directed by the hostesses who awarded prizes to Cathy Hennrich, Taira Hogan, Patty Rill, Cindy Lomman and Jerry Rill.

Also present was Misses Sandy Weissenborn and Karen Foy, Mesdames Sandy Hammond, Kathy Levy, Nancy Gilmore, Debbie Wiehard, Marlene Kaiser, Joann Scholz and Ruth Bischof, mother of the bride-elect.

Miss Bischof and Patrick Scholz of Decatur will be married on Oct. 22 at St. Margaret Mary Catholic Church.

### Dr. E. W. Walton attends convention

Dr. E. W. Walton of Granite City, was among the capacity attendance at the semi-annual fall convention of the Illinois Chiropractic Society held at the Forum Thirty in Springfield, last week.

The educational portion dealt with the clinical significance of the anatomy, physiology and pathology of the heart as well as office diagnosis and practice procedures. There were discussions regarding the revised rules and regulations in regard to Medicare and Medicaid.

The business portion had as one of its most important aspects the discussion regarding the new law which became effective July 1, 1976 concerning continuing education for all Illinois physicians. There were a series of reports from various committees.

Social events were interspersed throughout the convention with the highlight being an evening dinner-dance.

### New forum group to oppose ERA

A meeting is scheduled at 7:30 p.m. Thursday, Sept. 30, at Mount Zion General Baptist Church, 21st and Benton streets, to organize a new chapter of the Eagle Forum, a national organization, according to a group of local women.

Among those planning the session are Mrs. Deana Williams, Mrs. Carolyn LeMasters and Mrs. Betty Warren.

Guest speaker for the evening will be Mrs. Elaine Medendorp of St. Louis, who is the national vice-chairman of STOP ERA and national secretary and member of the executive board of Eagle Forum.

Eagle Forum is a national organization which opposes Equal Rights Amendment (ERA) and other forces that are anti-morality, anti-family, anti-life and anti-self defense, according to the committee.

They added, "We are in need of spiritually motivated groups of women and men who can cooperate to oppose these forces in our legislature, the media, the schools and the courts."

Anyone interested in the Eagle Forum is invited to join the meeting, Mrs. Williams added. She said area residents may contact her at 931-3883 for more information.

### Brownie Troop 198 starts new season

New Brownies still are being accepted by Brownie Troop 198 which met last week for its first meeting of the season at St. John United Church of Christ, 2901 Nameoki Road.

Mrs. Andrea Oliver and Mrs. Marie Kostoff, leaders, welcomed the returning troop members, new Brownies and their parents.

The Girl Scout cookie sale, the major fund-raising project of the organization, was explained to the girls and their mothers, and meeting dates were selected.

Newcomers to Troop 198 introduced were Shannon Gauen, Jessica Gallas, Marianna Oliver, Dawn Kostoff and Dawn Lupardus. Returning Brownies are Tereza Dolnic and Rhea Kinsey.

The troop meets at noon Saturday at St. John Church.

**SOCIAL MEETING OF DAY AUXILIARY**

The Disabled American Veteran Auxiliary met Tuesday night at the DAV Hall for a social meeting.

The winning prizes were Pat Macke, Lena Kalpis, Alta Carpenter, Bertha Kiehl, Lorraine Groves, Louise Schell.

The next business session is set for Oct. 6.

**TO MARRY.** Miss Lynnette M. Bailey and her fiancé, Kevin H. Joyce. Their engagement is being announced by the bride-elect's parents, Mr. and Mrs. Lloyd E. Bailey, 2527 Madison Ave. A winter wedding is planned.

### Nameoki Church plan events

A "fun and games event" highlighted by a winner roast will be held at 10 a.m. Saturday for the Nameoki Presbyterian Church Sunday School students.

Ruth Todd and Joyce Toussaint will be assisted by other teachers in this opening event for the "Fall Round-up" of Sunday School students. Classes for all ages including a coffee hour and adult bible study are offered at 9:30 a.m. Sunday mornings.

Ladies are invited to the annual women's pollock on Monday at 6 p.m. in the church. A kitchen band will entertain.

Sunday morning will be the promotion of students to their new classes and the recognition of Sunday School teachers for the coming year.

The pastor's message entitled "You Can Overcome... Your Troubles," will be at 10:45 a.m.

"H.I.S. Time" uses fresh approach to bible study on Sunday evenings.

Using small group Pastor Don Pierson is utilizing the insights of relational bible study each Sunday at 6 p.m. "H.I.S. Time" also includes hymns in the contemporary mood and insights and comments on current religious happenings as well as suggestions for more successful Christian living. The event is open to the public. A Children's Choir is also a part of the evening's events. A nursery is provided according to Pastor Pierson.

### Sailor Boy tags Sept. 30-Oct. 1

The annual "Sailor Boy Tag Days" will be sponsored in this area by the Quad-City Navy Mothers Unit 850 on Thursday and Friday, Sept. 30 and Oct. 1, it was announced by Unit Commander Edna Miller at a social meeting Thursday night.

Proceeds from the sale of tags will be used to purchase Christmas gifts and supplies for hospitalized servicemen.

During the business session, members authorized a \$25 donation to the Navy Mothers' state commander to assist with projects at the Great Lakes Naval Training Center Hospital, and \$24 to purchase craft kits for servicemen at San Diego Naval Hospital.

The group met at the VFW Hall, with Mrs. Miller presiding. Hostesses were Mrs. Nellie Dix and Mrs. Alberta Ethington.

Winners at games were Mrs. Juanita Williams, first; Mrs. Dix, second; and Mrs. Della Rabb, third.

The mystery package was won by Mrs. Geraldine Dowdy and Mrs. Mary Lee Eustler also received a prize.

### Joyce-Bailey betrothal told

Mr. and Mrs. Lloyd E. Bailey, 2527 Madison Ave., are announcing the betrothal of their daughter, Miss Lynnette M. Bailey, to Kevin H. Joyce.

The groom-elect is a son of Mr. and Mrs. Harold Joyce, 10 Mercer Drive.

Miss Bailey is a 1972 graduate of Granite City High School South and is employed in the office of Dr. Rosalyn Lepley, M.D.

Her fiancé, a 1973 graduate of South High School, is now enrolled in a training program for the Franklin Life Insurance Co.

A winter wedding is being planned by the engaged couple.

## May get

(Continued from Page 1)

and applications for submission to the EDA by Oct. 15.

Board members also indicated they felt the administration should investigate the possibility of applying for other construction grants through these programs, including a gymnasium and auditorium for GCHS North and repair work on the older sections of GCHS South.

"As long as these grants are being offered, we might at least try to apply for grants on some of these other projects," Board Member George Moore Sr. suggested.

Other members noted the North vocational building must be considered the top project and the administration should emphasize in the applications that it has first priority.

All board members were in agreement a permanent vocational building, constructed of brick and concrete, would be superior to the metal building for which bids had been received and voted unanimously to prepare the grant application.

Heubner noted it is not necessary for the board to reject the bids received on the metal building since all carried the stipulation they would expire in 90 days if a contract was not awarded. The board voted to allow the bids to expire Oct. 12 while the grant application is being considered.

When bids were opened, the lowest bids for a vocational building and auto paint shop addition totaled \$182,000 and the district had only \$122,000 in the building fund for the work.

The auto paint shop addition was eliminated, reducing the bids to \$134,000 and further deletions, including sidewalks, fencing, some interior metal and other items, reduced the total to less than \$130,000, still more than was available in this fiscal year.

Heubner noted roof panels and wall panels for the building would be donated free of charge should the district decide at a later date to construct the metal building.

Davis concluded, "We would be foolish if we turned down and walked away from a chance for full-funding of a permanent building without direct cost to the taxpayers of our district."

**REHEARSAL FOR PLAY.** Students of Granite City High School South are rehearsing for their Homecoming play, "The Miracle Worker" to be presented at the school auditorium Wednesday and Thursday, Sept. 29 and 30, with curtain time at 8 p.m.

From left are Becky Sage, playing Annie Sullivan, Brian Beljanski as James, Lori Voss as Helen Keller, Mike Ostrich as Mr. Keller and Tamie Terrell as Mrs. Keller. Tickets are on sale in advance at the school office and from members of the cast. There are no reserved seats.

## No home for pigeons at Wilson Park rink

Pigeons nesting above lighting fixtures inside the Wilson Park ice rink can be ousted and kept away by application of a compound, similar to caulking, which acts as a repellent, members of the Granite City Board of Park Commissioners were advised at last night's meeting.

A two-year contract guaranteeing the pigeons will remain outside the open-sided ice rink interior was awarded at the meeting to Orkin Exterminating Co. of Granite City, in the amount of \$1,882.

Once the rink base is covered with ice, it is virtually impossible to reach the nests and force the birds outside. Supt. of Parks and Recreation Harold Brown informed the commissioners.

In other business, the board voted to install new roofs at the

Nameoki Recreation Center, Amos and Franklin avenues, and on the Wilson Park swimming pool building.

Bids will be called for opening at 4:05 p.m. Wednesday, Oct. 6, at the office of Board Attorney Randall E. Robertson, 1939 Delmar Ave.

Also approved was a bid call for an auto, to be used by the park superintendent.

An ordinance was enacted granting an easement along Worthen Park for the Madison County sewer project, and a two-year extension was approved to Granite City for a slope easement on Maryville Road, also near Worthen Park.

The board authorized the purchase of a new skate sharpening machine for the ice rink, placement of a United Way Fund progress board in

Civic Park and building of a bonfire in Wilson Park for a Red Peppers pep rally.

Brown announced the park district's annual "Sports

Awards Banquet" will take place at 6 p.m. Monday, Nov. 15, at Granite City High School South, cafeteria. Tickets shortly will be available, he said.

## Youth dies in crash

Keith A. Sminchak, 21, Rural Route Two, Box 869, Collinsville, was found without signs of life near his wrecked car at the bottom of an embankment along Route 3 about 150 feet south of the Hartford Canal Bridge at 6:30 a.m. Tuesday. He was pronounced dead at 7:27 a.m. Tuesday by Madison County Deputy Coroner Edward Werner.

Madison County sheriff's deputies were unable to determine how long Mr. Sminchak had been dead, but noted there were indications he may have died several hours before being discovered.

Skid marks indicated his auto was southbound when it left the pavement, skidded about 360 feet in the median, crossed the northbound lanes and skidded another 102 feet before plunging down the embankment.

Debris and holes dug in the ground indicate the auto either rolled or flipped two or three times before coming to rest 108 feet from the top. Mr. Sminchak was thrown out of the vehicle and was found 162 feet from the auto.

Motorists first alerted the Hartford and Wood River police departments of a car at the bottom of the embankment and another motorist later alerted a nearby Madison County sheriff's deputy. When the deputy arrived at the scene, the Hartford and Wood River police had already placed a blanket over Mr. Sminchak's body and were studying the accident scene.

Authorities said Mr. Sminchak suffered an obvious

fractured skull and an autopsy would not be required to certify cause of death.

Survivors include his wife, Mrs. Vicki (Landert) Sminchak; a 2-year-old son, Jason Sminchak; his parents, Mr. and Mrs. Roy (Norma) Sminchak of Collinsville; two brothers, Jon Kevin Sminchak of Collinsville and Jeffrey Sminchak of Germany.

Services will be held at 1:30 p.m. Friday at a Collinsville funeral home. Burial will be in St. John Cemetery, Collinsville.

## Special NAACP meeting called for Saturday

A special meeting of the Madison Branch of the National Association for the Advancement of Colored People (NAACP) to discuss recent student disciplinary actions of the Madison School Board and financial problems of the NAACP in Mississippi has been called for 7 p.m. Saturday, in the Friendship Baptist Church, 301 Mercedes St., Venice.

According to John Henry Williams, president of the Madison NAACP branch, a judgment in Mississippi of \$1,250,000 has been awarded in favor of 12 white merchants in Claiborne County, Miss.

The civil anti-trust suit against the NAACP grew out of a boycott of merchants who allegedly did not abide by fair employment practices. In order to appeal, under Mississippi law, the NAACP must have a bond covering 125 per cent of the damage award, Williams said.

Persons wishing to assist the Mississippi NAACP are being asked to send contributions to P.O. Box 183, Venice, Ill. 62690,

or may contact Mrs. Mable Dandridge, an NAACP regional director, at 877-1903, or Williams at 877-4117.

## Chouteau

(Continued from Page 1)

department can be forced to pay a portion of the cost.

Estes has \$500 in his budget for auditing costs.

Charles Lexow, township tax collector, reported he has completed his collections and received nearly \$1.1 million which is being distributed to taxing bodies. Any taxes not yet collected will be collected by County Collector George Musso.

Lexow was thanked for a speedy distribution of funds to taxing agencies short of funds due to a late collection schedule county-wide.

## Oppose dental office in Northland Estates area

Some residents of Northland Estates behind Maryville School say they plan to fight approval by the Madison County Board Wednesday of a dental office at Maryville Road and Clinton Drive, in Nameoki Township.

The residents allege they were not legally notified that the Madison County Zoning Board of Appeals had recommended the approval of the permit; even though opposition was expressed at a public hearing Aug. 27 on the site of the proposed office.

A petition opposing the office also was submitted to the zoning board which had been signed by a majority of Northland Estates residents, it was alleged.

The residents said they are considering means to urge the

County Board to reverse its ruling and will appeal the decision to the courts, if necessary.

The request for the permit was filed by Earl E. and Bernadine Smith, owners of the property, and Dr. Jack J. Miller, Dr. Mark Frederick, purchasers, for "a home occupation of a professional and service office... for the establishment of a dentist's office."

The property is zoned R-3 for single family residential purposes.

The County Board approved the permit with the stipulation that the dentists provide ample off-street parking for the business.

Noting that McCullough had emphasized meeting human needs as the ultimate goal of United Way giving, Terrell cited "love" and "caring" as justifying the time, effort and finances involved in the campaign.

He reported "substantial increases" in advance drive contacts and called for reports a day before the four campaign luncheons at noon Oct. 6, 13, 20 and 27.

Prayers were offered by the Rev. James Hill of Sacred Heart Catholic Church and the Rev. William Fester of Nameoki Methodist Church.

The speaker was thanked by A. P. Steinhauer, acting UW executive director. A flag ceremony was conducted by Cub Pack Four of the Logan School Parent-Teacher Association.

## Hold car, seek owner

Clarence Gibson, 31, of 2333 North St., was injured in a two-car accident at 18th Street and Cleveland Blvd., at 8:55 p.m. Wednesday and was treated at St. Elizabeth Hospital.

The driver of the other car said he was going to walk up the street and telephone police, but he never returned. Police have impounded his auto awaiting his return to claim it. It is registered to a Bonne Terre, Mo., man.

Gibson said the other auto disobeyed a stop sign and struck the right side of Gibson's auto in the intersection. He was treated at St. Elizabeth Hospital for small cuts to his face, which was struck by flying glass.

## Faces 6 charges

Harry J. Wallace, 51, of 3863 Lake St., Pontoon Beach, was arrested at 2:45 p.m. Tuesday and was charged with assault, battery, damage to property and three traffic violations.

Police were called to the home of Anthony Fenoglio, 2520 Circle Drive, after Wallace allegedly struck Fenoglio on the head and arm with a fist.

After being placed in a squad car, Wallace allegedly kicked and broke a rear door window of the car.

He also was charged with reckless driving on Nameoki Drive, a stop sign violation at 25th Street and Delmar Avenue and speeding at 25th and Adams streets.

## North wins two more shutouts

GCHS North's soccer team now has an 8-2 record after gaining its seventh shutout of the season yesterday, 1-0 at home over St. John's of St. Louis.

The game was decided on a goal by Clifford Stefanoff.

On Tuesday, the Steelers blanked St. Paul of Highland 2-0 at the North field, with Marty Dooley and Kevin Hayes providing the goals.

## Brunch Sunday honors Howlett

Michael J. Howlett, Democratic candidate for governor, will be guest of honor and featured speaker at a fund-raising brunch Sunday at Augustine's Restaurant in Belleville.

The \$25-per-person event will be held from 1 p.m. to 3 p.m. The brunch is being sponsored by People for Howlett committees in St. Clair, Madison, Macoupin and Jersey counties.

**ALMA WALK** TOM KAREN and GRANDCHILDREN 31 9 23

**WE WOULD LIKE** to express our gratitude to all our friends and relatives for the gifts, flowers, cards and love for your presence which helped to make our 70th wedding anniversary a wonderful day. MR. AND MRS. JAMES DONALDSON 31 9 23

## In Memoriam

In loving memory of my brother, GUY WILLIAMS, September 22, 1975. He left us quietly, his thoughts unclouded. He left us a memory we are proud to own. 31 9 23

So treasure him, Lord in your Garden of Rest. For when on earth, he was one of the best. Dear Lord take a message in heaven above. Tell him we miss him and give him our love. 31 9 23

Sadly Missed by ARNOLD WILLIAMS and All Who Loved Him. 31 9 23

In loving memory of PAUL KACERA, Sept. 25, 1975. We often sit and think of him when we are all alone. For memory is the only friend that grief can tell us of. Like ivy on the withered oak, when all other things decay, Our love for him will still keep green and never fade away. 31 9 23

Sadly Missed by WIFE, CHILDREN, SISTER & all who loved him. 31 9 23

In loving memory of ANNE FRALEY, September 23, 1975. We do not forget you, nor do we intend. 31 9 23

We think of you often, and will to the end; Gone and forgotten by some you may be, But dear to our memory you ever will be. 31 9 23

Sadly missed by "CHUCK" JACKSON (FRIEND) 31 9 23

## Public Notice

**ORDINANCE NO. 3332** ESTABLISHING "NO TURN ON RED LIGHT" IN THE CITY OF GRANITE CITY, ILLINOIS. 31 9 23

**BE IT ORDAINED** BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS: SECTION 1: That the intersection of Namekoi Road and Johnson Road is hereby designated a "No Turn On Red Light" intersection, and it shall hereafter be unlawful for any northerly bound vehicle on Namekoi Road to turn right on a red light at said intersection. SECTION 2: That the intersection of Namekoi Road and Fehling Road is hereby designated a "No Turn On Red Light" intersection, and it shall hereafter be unlawful for any easterly bound vehicle on Fehling Road to turn right on a red light at said intersection. SECTION 3: The Superintendent of Streets is hereby authorized and directed to erect suitable traffic control signs and upon said streets at said intersections for the purpose of enforcing this ordinance. SECTION 4: Any person, firm or corporation or servant or agent or employee thereof, who shall violate any of the provisions of this Ordinance shall, upon conviction, be fined not less than Ten Dollars (\$10.00) nor more than Twenty-five Dollars (\$25.00) for said violation. SECTION 5: That all ordinances and parts of ordinances in conflict herewith are hereby repealed. SECTION 6: This Ordinance shall take effect and be in full force and effect from and after its passage, approval and due publication. 31 9 23

**PAUL SCHULER** Mayor  
Attest: **ROBERT W. STEVENS** City Clerk  
No. 38 34 9 23

**REQUEST FOR PROPOSAL** Notice is hereby given that the Bi-State Development Agency of the Missouri-Illinois Interstate Compact has received and qualified consultants to respond to this request for proposal to conduct a study of the following: 31 9 23

1. analysis of the existing transit fare structure; 2. development of alternative fare structure; 3. recommend a specific course of action to simplify the current pricing for the fare structure. 31 9 23

Specifically, the purpose of this study is to examine the total fare and zone structure and develop alternatives which will simplify the present fare structure from an operational, administrative, and passenger convenience standpoint without jeopardizing the fiscal integrity of the transit system. 31 9 23

The Bi-State Development Agency hereby notifies all respondents that in regard to any contract entered into pursuant to this request for proposal, advertisement or solicitation, minority business enterprises shall be given an opportunity to submit bids and/or proposals in response and, if not subject to discrimination on the basis of race, color, sex, age or national origin in consideration for an award. All respondents are required to comply with applicable equal opportunity rules and regulations and equal opportunity policies and procedures established by the Bi-State Development Agency. 31 9 23

Interested parties must be prequalified with the Illinois Fair Employment Practices Commission, Public Contracts Division, 121 E. Capitol Street, Chicago, Illinois 60602, at least three (3) days prior to the proposal submission date. This may be accomplished by submitting a complete IFEP Form PC-1 to the Illinois Fair Employment Practices Commission. 31 9 23

Bi-State requires that all proposals be submitted in writing, on or before September 15, 1976 to Mr. James R. Kendrick, Director of Administration and Finance, Bi-State Development Agency, 3869 Park Avenue, St. Louis, Missouri 63110. It is strongly suggested that interested consultants obtain a complete REQUEST FOR PROPOSAL outlining this project by contacting Mr. Thomas J. Ernst, (314) 771-1414, extension 300. A preproposal conference is scheduled for approximately November 1, 1976 which will allow potential consultants to ask questions about the RFP and the nature of the study. 31 9 23

We are an affirmative action equal opportunity employer M-F. 31 9 23

## NOTICE

It shall be the policy of the Granite City Community Unit School District No. 9 to comply with the Title IX regulations to insure nondiscrimination on the basis of sex. This policy, grievance procedure, and all details necessary to affect an official grievance shall be published annually. 34 9 23

The initial contact for grievance under Title IX will be the Assistant Superintendent of Schools, Frank L. Kraus, 20th and Adams Streets, Granite City, Illinois 62040. Phone: 676-6000. 34 9 23

Upon contact, the Assistant Superintendent will forward all forms and necessary information to affect the grievance procedure. 34 9 23

Upon return of the proper information, the Assistant Superintendent will assign the grievance to a hearing officer. In the event that the grievance has not been resolved by the above, a written transcript will then be presented to the Assistant Superintendent for his evaluation and ruling. 34 9 23

In the event that the grievance has not been resolved at this level, a written transcript will then be presented to the Superintendent of Schools for his evaluation and ruling. By: Board of Education, Community Unit School District No. 9, Frank L. Kraus. No. 33 34 9 23

**COORS BEER TRUCK:** Dennis Locandro, owner and operator of Midwest Kustoms, 2301 Namekoi Road, stands next to his latest creation, a Volkswagen-powered replica of a Coors beer can. The front of the vehicle resembles a large can opener and the rear contains a "six pack" of smaller Coors cans. The six-wheeled vehicle took eight weeks to complete with an average work day of 16 hours. Robert Stoppokotte, Richard Mowery and Larry Hall helped Locandro with the project. The only difference this replica has is the marked contents of 385,000 fluid ounces. (Press-Record/Photo)

## Voter registration here during weekend

Two special voter registration periods will be conducted during the weekend by the office of County Clerk Evelyn Bowles to assist Quad-Cityans in registering to vote in the Nov. 2 election, or in changing existing records.

The registration centers will be held in Granite City at Cohen's Foods, 2301 Illinois Ave., from noon to 5 p.m. Saturday, and in Pontoon Beach at A&J Market, 4083 Pontoon Road, from 10 a.m. to 5 p.m., also on Saturday.

A series of special voter

registration periods has been held each weekend since early this month to make it convenient for newly-qualified voters to register for the general election in November when voters will elect county, district, state and national officials.

Additional registration periods are planned next weekend in this area to wind up the program in the Quad-Cities. Oct. 5 is the deadline for registering to vote in the Nov. 2 election.

To qualify as a voter, a resident must be 18 years of age on or before Nov. 2 this year and must have lived 30 days in the state and 30 days in the precinct.

Oct. 4 will be the first day a voter may apply for an absentee ballot under the Absentee Voting Act, while Oct. 28 will be the last day to apply by mail for an absentee ballot, including absent electors in United States service or their dependents. Nov. 1 will be the last day on which an elector may apply in person to cast an absentee ballot.

### Assigned to Air Force training

Airman Frances R. Weller, daughter of Mr. and Mrs. William E. Weller Jr., 2809 Forest Ave., has been assigned to Keesler AFB, Miss., for training and duty in the U. S. Air Force administrative field. The airman, who recently completed basic training at Lackland AFB, Tex., studied the Air Force mission, organization and customs and received special instruction in human relations. Airman Weller is a 1975 graduate of Granite City High School.

## Teacher center to resume Sept. 28

The River Bluffs Teachers' Center has announced the beginning of its fall session Tuesday, Sept. 28, at 4:30 p.m. Sessions take place at the Glen Carbon School.

Considered a novel approach to curriculum reform, the teachers' center is an informal, continuing, collaborative effort by teachers who meet regularly to "improve what happens in classrooms."

It is part of an informal network of 20 teachers' centers across the U.S. and Canada. Its principal work concerns the intellectual development of children through activities in mathematics, science and language.

Course credit for teachers' center participation is optional. The River Bluffs Center is one of three area centers under the auspices of the Teachers' Center Project of Southern Illinois University at Edwardsville. Funding is provided by SIUE, the National Science Foundation and the Louis D. Beaumont Foundation.

This is the second year of the River Bluffs Center's work.

MEXICAN HONORARY COMMISSION 50TH YEAR is saluted by (left to right) State Senator Sam Vadalabene, Abel Valencia and Congressman Melvin Price. The event was celebrated with a dinner dance and outdoor festival.

## Mexican Commission celebrates 50th year

The Mexican Honorary Commission celebrated its 50th anniversary this month with an evening dinner dance and an outdoor festival the next day. Honored at the dinner dance were the founders, past

president, Robert Robles. Accepting for Guillermo Ortega was Otto Valencia Jr. for Louis Becerra, August Becerra; and for Mrs. Joe Valencia, Abel Valencia. Special guests attending were Congressman Melvin Price and State Senator Sam Vadalabene. Representing Mayor Paul Schuler, who was unable to attend, was Abel Valencia.

Green, white and red were carried throughout in a decorating theme representing the colors of the Mexican flag. A special program featured a performance by the commission's own artistic group, The Hermanos Santa Cruz Band played music for dancing. Daytime festivities started at noon with entertainment by the Polish Dancers, Checkboard Square Dancers, Croatian Dancers and the club's artistic group. Booths were available to the public, and prizes were given to Bill Kuhlman, Ann Mega, Lisa Garcia and Lennie Simpson. Music was furnished for the evening by the Remedies.

DOUBLE CROP. Bob Bunselmeyer, farmer from Nameoki Township, examines one of the soybean varieties in the University of Illinois Extension Service double crop soybean variety plots located on the Bunselmeyer farm. The plots are two miles south of the junction of Rt. 111 and Rt. 162 and then 1/8 mile east on the Bunselmeyer farm. Madison County farmers are being encouraged to stop and examine the plots. Varieties included in the double crop plots are Wells, Wayne, Woodworth, Calland, Williams, Clark 63, Bonus, Cutler 71 and Kent.

## Soybean varieties being shown here

By RON CORNWELL  
Agricultural Adviser

Soybean variety plots are a traditional part of the Madison County Extension Service program.

This past year, the Madison County Agronomy Committee, under the leadership of Leonard Schaefer, Chouteau Township, expanded the plots to include a test on double crop soybean varieties.

We are inviting any interested farmer in Madison County to stop by the plots and compare varieties this week.

The double crop soybean variety plot is located on the Bob Bunselmeyer farm two miles south of the junction of Rt. 111 and Rt. 162 and then 1/8 mile east. Crop varieties include are Wells, Wayne, Woodworth, Calland, Williams, Clark 63, Bonus, Cutler 71 and Kent.

The conventional soybean variety plots are located on the Rich Bauer farm on Route Three just south of Interstate 270. Variety signs were put up on both sets of plots last week.

The soybean variety Pamona is the only variety in the conventional plots that is not in the double crop plots.

Wells is the only different variety in the plots this year. Wells is not a new variety; it was released to certified seed producers in 1973. Wells is an early maturing soybean in this area.

It is adapted to central and northern Illinois. The variety is too early maturing to be extensively used in this area.

Pamona and Woodworth are two varieties that were new in the conventional variety plots a year ago.

The Pamona variety has an

average size seed but has a characteristic greenish cast to the seed when harvested. Woodworth is a variety with the same maturity as Wayne. It has a small seed, and it exhibits the same lodging resistance and shattering resistance as the variety Wayne.

Woodworth is a selection from a cross of Wayne and the plant material used in developing the variety Williams.

## Upturn in industrial recruiting

After a summer of relatively no activity in employment recruiting on college and university campuses, area businesses and industries are again searching for job applicants.

During October, representatives of 17 different firms will visit the SIUE campus to interview job applicants.

It will be the first such talent search at SIUE since last April, when 20 businesses participated.

According to visiting recruiters, persons with backgrounds in accounting, marketing, business administration and sales will have the best chance for employment. There are also requests for engineers and persons with liberal arts backgrounds.

## Tax buyer sentenced

U. S. District Judge Robert Morgan has sentenced Matthew John Jefferson Burroughs, 64, to nine years, subject to modification after a stay in a federal medical center for observation. At the end of 90 days, the court will review examination reports before modifying the original sentence.

Burroughs, a farmer and businessman, was indicted last March by a federal grand jury in Springfield for filing false federal income tax returns when he reported only \$5,623, \$5,352 and \$4,788 gross income on his 1969, 1970 and 1971 federal "tax returns. He is a tax buyer in this and 17 other counties.

After a 1½ day jury trial in U. S. District Court at Peoria, Burroughs was found guilty of all three counts of the indictment. A total of 19 witnesses testified or introduced evidence showing that Burroughs should have reported at least \$19,719, \$14,525 and \$19,701 gross income in 1969, 1970 and 1971.

As a tax buyer, Burroughs had purchased 1,441 parcels of land at tax sales held in Peoria, Bureau, DuPage, Christian, LaSalle, Madison, Fulton, DeWitt, Logan, Morgan, Jersey, Champaign, Cass, Woodford, Green, Mason, Tazewell and Will Counties. His initial cost of the parcels was \$292,897, purchased under provisions of the Illinois Revenue Statutes.

In addition to his initial outlay, Burroughs paid \$41,357 for subsequent taxes and other related expenses. During the three years, it was contended, Burroughs received through at least 332 checks \$342,745 from the various counties. He realized \$39,225 in extraordinary income when the property was redeemed by the delinquent property owner.

If the owners had failed to redeem the property, Burroughs would have gained title after meeting the state provisions.

**ATTENDS CONVENTION**  
Ruby L. Jackson of Granite City attended the 27th annual convention of the Independent Accountants Association of Illinois, held in Champaign during the weekend.

The IAAI, to which she has belonged for four years, is a 950-member organization, affiliated with the National Society of Public Accountants.

## Telecommunication hearings next week

The president of the Illinois Telephone Association this week described upcoming subcommittee hearings in the U.S. House of Representatives on the proposed Consumer Communications Reform Act as "an important initial step toward resolving issues critical to the future of this nation's telecommunications services."

Eldon Snowden added that the hearings—to be held in Washington, D.C. Sept. 28-30 by the House Interstate and Foreign Commerce Subcommittee on Communications—are not expected to result in any final conclusions. "But, he said, they provide a national forum to begin to focus the public's attention and interest on this vital matter."

The Consumer Communications Reform Act, which he said already has more than 175 supporters in Congress, is being promoted by more than 1,500 telephone companies in the U.S., including 60 in Illinois, and by the industry's unions.

The bill would restore the right of Congress to establish and direct national telecommunications policy—a right the telecommunications industry maintains has been threatened by recent Federal Communications Commission decisions.

He said it also would reaffirm the national goal of the Communications Act of 1934, which mandated universal telephone service, economically priced, for Americans.

The three-day hearings will attempt to explore the merits and drawbacks of FCC decisions related to telecommunications, and to define major unresolved issues.

Snowden said he doesn't expect any "significant movement" on the bill until after the Nov. 2 election, but that "this might change dramatically if consumers start to recognize what they have at stake."

"The natural monopoly concept, relative to the interstate telecommunications system, and the pricing concepts which have made our telephone service the finest in the world are being threatened," Snowden said.

"Once this becomes widely understood, the public will make its voice heard."

Several hundred U.S. Marine Corps Reservists from this area are taking their annual two week's training duty at the Jungle Operations Training Center in the Panama Canal Zone. The training began during the weekend and will continue through Oct. 2.

The Marines of 3rd Battalion, 24th Marines left Lambert International Airport on charter flights to the Canal Zone. The training will be at Fort Sherman, which is the U.S. Army Jungle Operations Training Center.

The training is to emphasize tactical realism and includes small unit tactics, patrolling, land navigation and exposure to demanding terrain and climatic conditions. Skills taught include jungle living, knowledge of jungle snakes and animals, plants and foods, mines and booby traps, water obstacle crossing, rappelling, jungle navigation and jungle

operations at the squad, platoon and company level.

Third Battalion, 24th Marines, the St. Louis Gateway Battalion, will form the nucleus and command structure for more than 700 Marine Reservists from throughout the Midwest who are attending the training. Two companies of the battalion, from Topeka, Kan., and Danville, Ill., are participating in a NATO exercise in Europe during September and October.

The Gateway Battalion is headquartered at the Naval and Marine Corps Reserve Training Center at Lambert Field, Ill. Col. J. W. Vowell is commanding officer. Marines in the battalion live in communities throughout the bi-state area.

DR. DENNIS PETROFF

## Dr. D. J. Petroff practicing here

Dr. Dennis J. Petroff, a native of Granite City has joined Dr. Alan Skirball in the practice of obstetrics and gynecology.

Doctor Petroff is a 1970 graduate of the University of Illinois Medical School. Subsequent to graduation he served his internship and residency at the Naval Medical Center, Portsmouth, Va., specializing in obstetrics and gynecology.

Doctor Petroff also served as a staff instructor at the University of Illinois College of Medicine in Chicago.

Dr. Petroff is a member of the Association of Military Surgeons of the United States and a Junior Fellow in the American College of Obstetrics and Gynecology. He is eligible for certification with the American Board of Obstetrics and Gynecology.

Dr. Petroff resides in Edwards with his wife and three sons. Office hours are by appointment. The office phone number is 877-2322.

## Couple injured

Roy Waugh Jr., 25, and Debra Waugh, 24, both of 4364 Highway 162, were injured in a motorcycle accident early this week and were treated at St. Elizabeth Hospital.

He was admitted with a cut to the top of his head and abrasions to his left arm and right knee. She was treated for abrasions to her back and right big toe and she was released.

## Rites in Florida for G. W. Harmon

Funeral services were conducted at the Presbyterian Church in Arcadia, Fla., for Captain George William Harmon, 55, of Arcadia, formerly of Granite City, at 4 p.m. Sunday, Sept. 19.

He died in the hospital there on Friday, Sept. 17.

Born in Hunter, Mo., Capt. Harmon resided here for 20 years. He enlisted in the Canadian Air Force in 1939 and later transferred to the U.S. Air Force in 1941. Following World War II he resided in Florida.

Capt. Harmon had been employed for 31 years with Eastern Airlines.

Survivors include his wife, Mrs. Alice Marie "Skippy" (Johnson) Harmon; two sons, George W. Harmon Jr. of Columbia, S.C., and John Richard Harmon of Arcadia; two daughters, Mrs. Larry (Stephanie Jo) Furr of Clearwater, Fla., and Mrs. Ray (Laren) Cross of Arcadia; his mother, Mrs. Virgil (Ollie) Harmon of Granite City; two brothers, Richard Harmon of Granite City and Donald Harmon of Danville, Ill., and three grandchildren.

Burial was in Arcadia (Fla.) Cemetery.

## Passenger comments to be part of Bi-State bus study

The Bi-State Development Agency is sponsoring an extensive study of its bus operations in the metropolitan St. Louis area, with completion expected by next April.

In announcing the 10-month study, Executive Director Robert J. Baer emphasized that its results will incorporate passenger comments obtained through two public workshops and an on-board survey.

"A major phase of the study," said Baer, "will be distribution of a questionnaire aboard Bi-State buses soliciting general comments from passengers concerning transit service, and a driver-conducted system-wide passenger count to evaluate ridership patterns." The survey is scheduled to be held Tuesday, Oct. 5.

The prime contractor for the "Existing Services Impact Study" is the Cleveland-based firm of Dalton, Dalton, Little and Newport, transit specialists who have conducted similar studies in other cities.

Urban Behavioral Research Associates of St. Louis, a firm

specializing in opinion surveys, has been named as a subcontractor. Eighty per cent of the \$142,050 study cost is being provided by the Urban Mass Transportation Administration of the U. S. Department of Transportation.

The study will involve a review of virtually every aspect of transit operations, including assignment of buses, maintenance, planning and research, training and safety, operations, purchasing and budget, public information, labor relations, and affirmative action.

The consultant staff will analyze service standards and criteria in addition to assessing the degree to which transit services are equitably distributed to meet the transportation needs of residents in the bi-state region.

Two public workshops focusing on the report's findings and recommendations are planned. Although specific times and locations will be announced at the later date, the first will be held during the 13th week of the study, with the second taking place at the conclusion of the study.

A previous passenger opinion survey was conducted by the Agency two years ago, and the most frequently received suggestions were requests for additional passenger shelters and more frequent service.

Since the earlier study, Bi-State initiated a five-year program to erect more than 1,200 new shelters throughout the metropolitan area, increased service frequency, and added numerous routes.

**PREPARING FOR HIKE**, scouts, leaders, hikers and others pause for rest and refreshments prior to the weekend Lewis and Clark pilgrimage from the canal levee near Mitchell to Lewis and Clark Memorial Park and back, a seven-mile round-trip. More

than 100 persons took part in the eighth annual pilgrimage, honoring the 172nd anniversary of the explorers' expedition to seek the source of the Missouri River as a possible passage way to the Pacific Ocean.

**INDIAN DANCERS** of Explorer Post 6 of Concordia Lutheran Church provide entertainment with authentic American Indian dances before the start of the annual Lewis and Clark Pilgrimage during the

weekend. The seven-mile round trip hike started at the ship-to-shore radio station on the Chain of Rocks Canal and went to Lewis and Clark Memorial Park near Godfrey.

## Nation looking for decisive leadership—Sen. Stevenson

By LESTER BELL  
Press-Record  
Washington Bureau

Sen. Adlai E. Stevenson believes both President Gerald Ford and Jimmy Carter have failed so far to "create" the issues the country is hungry to have defined.

"That's what I miss," said the Illinois Democrat, who is supporting Carter and offering counsel from his own fields of expertise, energy and international economic policy.

"The country is looking for it, too."

The real issues, Stevenson insists, are not amnesty and abortion or similar emotionally-charged questions.

He views these as "creations of the media" to which the candidates are forced to respond, to the neglect of the "life and death question for the nation."

"We need strong ideas on where to take the nation," Stevenson believes.

Carter's campaign strategists repeatedly volunteer the information that his early tactic calls for a "thematic" campaign rather than emphasis on issues; Stevenson says Carter should depart from this.

"It is not all sunshine and compassion," Stevenson said, disclosing that he has been urging Carter and his advisors to "get some new ideas into the bloodstream."

The response has been "very positive," he says.

"I think Carter intends to begin laying out what will be his program as President of the United States."

Stevenson said he has been asked to contribute to Carter's stock of ideas and expects "another free-wheeling session in the near future."

As Stevenson observed, he and Carter have sized each other up fairly well since Carter first apprised him as a potential vice-presidential running mate.

"I am impressed," Stevenson said when asked for a candid assessment of Carter.

"He has a quick mind. He is pragmatic and inquisitive, and he's unimpressed."

"He doesn't come to the office with the old commitments and dug-in positions. He's capable of

approaching problems with an open mind."

Stevenson concedes that Carter does lack prior experience on the national scene. "This has created some political problems."

Democrats figured that Mr. Ford, in the underdog role after the Republican national convention, would close the gap on Carter, and he did.

## Leaves Bethel AME post

William Baucum, 79, is retiring this week as treasurer of the Greater Bethel AME Church, located at 1035 Market St., Venice, after serving in that capacity for 30 years.

He has been a member of Bethel AME and engaged in many different activities at the Venice church for 55 years.

Mr. Baucum continues to operate Baucum's Tailor Shop, at 1044 Logan Ave., Venice. He has been in business at that location for more than 50 years.

He is a widower. His wife, Mrs. Wadie Baucum, died in 1973. Their son, Earl Baucum, lives in Danville, Ill.

An Army veteran of World War I, Mr. Baucum is a past commander of Henry Mitchell American Legion Post 799 of Venice-Madison. He also is a member of the North Venice Democratic Club.

The Rev. W. L. Walters, Bethel AME pastor, said Mrs. Gertrude Young will succeed Mr. Baucum as church treasurer.

DENNIS LUCIDO NAME SON MICHAEL ANTHONY

Mr. and Mrs. Dennis Lucido, 2021 Cottage Ave., have selected the name of Michael Anthony for their infant son, born on Sept. 18 at St. Elizabeth Hospital.

The baby weighed seven pounds, one ounce. He has two sisters, Kim and Nicole and a brother, Dennis Jr.

Grandparents are Mr. and Mrs. John Plafcan and Mrs. and Mrs. Nick Lucido Jr. of all of Granite City.

"But," insists Stevenson, "the country is in a mood for change. All Carter has to do is firm up an image of a forceful and decisive leader. It's more up to him than Ford."

Stevenson would not hesitate to invoke the specter of former President Richard M. Nixon to haunt the Ford campaign.

"Yes," he answers. "I would go full throttle."

## Cindy award to local film

A film produced by the local university has been selected to receive a "Cindy" award by the Information Film Producers of America (IFPA).

The film, entitled "SIUE Primer," features faculty

members of the SIUE department of elementary education. It gives an overview of some of the innovative approaches to teaching elementary education here.

Writer-director Richard Taylor contrasted educational philosophies in the early 1900s with SIUE's current teaching methods to show how teacher education has changed through the years.

Professor David Bear, chairman of the department of elementary education, headed a committee of faculty members serving as advisors on the film.

The award-winning film was produced on campus by the SIUE motion picture production unit.

Each year, the IFPA, an association of professional filmmakers based in Hollywood, honors the year's most outstanding films produced for non-theatrical distribution and presents the producers the "Cindy" award.

"SIUE Primer" is the fourth film made here honored by the IFPA. Previous films which won "Cindys" were "The Mississippi River Festival" in 1970, "Behavioral Observation" in 1971 and "Design for Success" in 1974.

"We'll take almost anything but old clothes," Spahn said, "and if the clothes are really antique, we'll take those, too. Everything we receive, we'll sell for the benefit of the library, and every gift will go for a good cause."

Spahn added that the value of every item given, books or otherwise, is income tax deductible. Persons with items to contribute may phone the Lovejoy Library director's office at 695-2711.

**Gas pump fire**

A tractor-trailer truck struck a gasoline pump at the Moto Service station, 1659 Madison Ave., tipping the pump partially over and causing the gasoline to ignite at 5:50 p.m. Monday.

The truck, belonging to Gateway Transport Co. and driven by Claude Robertson, 2113 Troy Ave., Madison, sustained only minor damage.

The Granite City Fire Department was on the scene 15 minutes and quickly extinguished the burning pump.

## Pet adoption clinic set Saturday in GC

The Granite City Association for Protection of Animals, Inc. (APA) will sponsor an adoption clinic Saturday from 10 a.m. until 4 p.m. at the group's adoption shelter, near Gase's Drugs in Nameoki Village Shopping Center.

The local humane organization recently was granted an extension before having to vacate its permanent shelter building at the Granite City Army Installation according to Mrs. Mary Loftus, secretary.

Mrs. Loftus said they were informed by military authorities that providing no new animals are accepted, a six-month extension would be allowed to permit homes to be found for the remaining four dogs and 16 cats in the APA's care.

Plans are progressing toward construction of a permanent facility at a new location for unwanted pets left in the APA's charge, Mrs. Loftus said.

Funds are needed, however, to purchase materials before the building project can begin, she said.

Various fund raising programs are being sponsored by the group to help finance the new shelter construction, and donations are being sought from the public.

Persons wishing to make a contribution to the non-profit organization may send any amount to: Granite City APA, Post Office Box 1311, Granite City, Ill. 62040.

Among the dogs to be offered for adoption Saturday are a 10-month-old male beagle with black, tan and white markings, mild tempered; and a black female part cocker spaniel, 1 year old. The dog is very gentle but timid due to previous mistreatment, Mrs. Loftus said.

Cats available to local families for adoption include: a grey tiger-striped neutered male with white markings and an independent nature; two 8-week-old female kittens, creamy orange and black and orange; a grey adult female with a good disposition; an 8-month-old brown female tabby with pretty markings; and a female dog named "J.J.," who is of mixed breed with short black and white hair and a spayed grey and creamy orange cat called "Little Bit," who is very lovable, also may be adopted.

Anyone unable to attend the clinic in person who is interested in adopting a pet may call the APA at 877-4594, the officer said.

## Groups of 10 to view Ford-Carter debates

Approximately 22,500 President Ford supporters throughout Illinois have been designated "keys" in a television debate pyramid program by former Governor Edward Ogilvie.

"Essentially," Ogilvie said, "the heart of the President's campaign is the debates between him and Jimmy Carter. We have, therefore, sent a special mailing to Ford supporters asking them to serve as keys in a program to give additional emphasis to the debates."

Each of the targeted households is to invite ten guests to watch the first debate at 7:30 tonight.

The next step will be for each of the original ten guests to invite ten friends to their home to watch the second debate. Each second group of ten guests is to do the same for the third debate.

"By really successful effort could reach all potential voters statewide," Ogilvie said, "the pyramid remains unbroken."

By reinforcing the President's strong points in the debates and formulating group opinions," he predicted, "the

Each of the targeted households is to invite ten guests to watch the first debate at 7:30 tonight.

The next step will be for each of the original ten guests to invite ten friends to their home to watch the second debate. Each second group of ten guests is to do the same for the third debate.

Ford-Dole team will gain strength."

The mailing included a sheet which all guests are to sign for later transmission to the President.

The program was conceived by State Representative Givvy Dyer and later gained support from both state and national Ford staffs.

"Money is short," Ogilvie said, "and the candidate who wins will be the one who gets the issues across best and secures the most volunteers to aid in his efforts."

## Port reaching maturity with big potential for growth

The latest annual report of the Tri-City Regional Port District for the 1975-76 fiscal year brings to mind the rapid growth in district activities.

The year just ended was the first full year of operations that also included the former Bi-State Development Agency wharf and terminal adjacent to the original Port District cargo loading, storage and transfer facilities.

In addition to the combined Port-Bi-State flow of products, commodities and liquids, a water line was constructed and the stage was set for construction of major new loading and unloading equipment during the 1976-77 year.

Efforts to arrange for installation of a new Quad-City sanitary system moved close to reality in the late summer, vastly increasing

the likelihood of additional shipping and industrial operations on land at the local port.

With net income having risen to \$260,529 in the past year and so many other favorable signs, it is clear that the district within the span of a generation has overcome initial "growing pains" and has begun to write a success story whose dimensions expand and improve with each passing year.

The Port District board is composed of John N. Belicoff, Avery Schermer, Clyde W. Boyd, Burton C. Bernard, Von Dee Cruse, Henry D. Karandjef and William M. Ebersold. Staff members are Carl A. Ranft, general manager; George C. Andres, development manager; Velda Taylor, office manager; and Randall Robertson, attorney.

## Mystery surrounding State's Attorney Burton unsolved

Perhaps the last chapter in a strange and sad part of Madison County history was written Monday. Associate Judge Rarick declared C. W. "Bill" Burton and his wife, Martha, legally dead and admitted a will to probate.

In the 1940s, Burton was prominent in the news and on the billboards as state's attorney. A turbulent era existed, with considerable public concern over hoodlum infiltration attempts. Fines were assessed but in a rotating fashion so that there were no "two-time" or "three-time losers." On one occasion, the Burtons' home was bombed.

It was widely assumed that in the late

1940s the couple sought to "go underground" to avoid income tax or hoodlum problems. A former sheriff, Dallas Harrell, although a Republican, was given power of attorney by Democrat Burton to administer Burton's financial affairs during his absence.

Harrell told of seeing the couple at a New York City hotel on Dec. 7, 1952, long after their disappearance here. But the former sheriff, now dead, never saw them again, nor did anyone else willing to come forward and talk about it.

Twenty-three years later, legal steps affecting the estate have been completed, but the mystery remains.

## Campaign twists, turns may sharpen debate questions

There continues to be hope that the 1976 Presidential election will be decided on the issues and on the merits of the candidates, but the quirk of the campaign threatens to derail the "whistle-stop" Carter express.

The Democratic nominee is said to have decided to seek the high office after becoming acquainted with other aspirants and concluding that his abilities matched theirs. Nevertheless, within the past week he has fallen into two traps by discussing tax changes in imprecise terms, (an occurrence that damaged the George McGovern campaign four years ago) and by discussing sexual morality in an unexpected way that

has disturbed both friends and foes.

President Ford, meanwhile, is venturing into several subjects already discussed by his wife, Betty, and taking positions viewed as more strident than her (and contrasting more sharply with various stands associated with Mr. Carter).

Attempting to seize the initiative where he believes his opponent has misused, the incumbent this week said he favors cutting income taxes for middle-income wage earners.

All of which should sharpen the questions and heighten voters' interest in the debate series that begins tonight.

## Favors more trials and prison cells

To the Editor:

I would like to strongly recommend the Republican candidate for Madison County state's attorney, William Charles "Chuck" Evers.

I was very impressed when I first met him recently, by his forceful, determined attitude and his obvious knowledge of criminal law.

Chuck Evers has successfully prosecuted many cases as assistant U.S. district attorney. He pledges to get rid of the current Madison County practice of allowing plea bargaining for probation or low sentences for serious crimes, and to prosecute the tough cases personally.

In contrast, Nick Byron, the Democratic incumbent, struck me as being well-meaning but disorganized when I met him earlier this year at a League of Women Voters meeting for candidates. He gave a disorganized speech, anyway. A tough prosecuting policy will, of course, mean that we will have to be prepared to run more jury trials, and to add more prison space.

It won't do much good to give an armed robber 15 years but then let him out after only three years because the prisons are grossly overcrowded.

We will need more efficient scheduling by the circuit clerk's office, too.

I hope voters can attend local candidates' meetings such as those held by the League of Women Voters, so they can see the opposing candidates for themselves.

# Power and decisions lead toward shortage of power living standard

Wall Street Journal — It seems that every time we pick up a newspaper these days we read about someone's power project that is being delayed, scrubbed entirely, because of lawsuits, regulatory red tape or what have you.

We wrote recently, for example, about the Kaiparowits project, a horror story if we ever heard one.

After 13 years and \$5 million just for "impact statement" paperwork, utilities planning the big coal-fired plant in Utah finally decided to drop the project. The Sierra Club, which had fought the project, was overjoyed.

The club had reason to cheer again a short while later when Congress ruled that North Carolina's New River is a "scenic" river, thus blowing up regulatory commissions to say yea or nay.

Pacific Gas & Electric's Diablo Canyon nuclear plant in California, which has to have clearance from 36 different agencies of one kind or another, is virtually comatose.

But because of attempts by so-called "public interest"

groups to block issuance of an operating license, it may not be able to go on stream before next spring.

The project, which has been plagued with strikes and other troubles, already has required more than \$10 million in construction work begun.

In the light of all this, it should not be surprising that the National Electric Reliability Council (NERC), a utility industry research group, has just warned of a possible shortage of electrical generating capacity developing in some parts of the country by the late 1970s and in others by the early 1980s.

The Southwest is most likely to feel the first effects; it has been growing rapidly and utilities there have had some of the greatest difficulties overcoming environmentalist objections to new units.

But other regions may face a dim future, literally, as well. Not only delays of power plants, but associated problems in developing sources of fuels for power plants — coal, uranium, gas, oil — are part of this uncertain outlook.

It is very common in some circles to portray this doubtful future as a problem for the electric utilities.

It would be more realistic to portray it as a problem for everyone who would like to lift his living standards or even

retain the amenities he has now.

Energy and living standards are inseparable; as with all economic problems, the poor and defenseless will be hit hardest by an electricity shortage.

It will not necessarily mean that there will be fewer jobs — some economic theorists argue that rising energy costs create more demand for labor, although we have doubts about that theory.

It does mean that there will be fewer opportunities for workers to move up to more productive (and remunerative) jobs out of the kind of labor that depends mainly on human muscle and sweat.

And it means that they will buy less with their hard labor.

When huge and costly projects are tied up or scrubbed as a result of endless litigation, the result is enormous economic waste.

That has an impact on capital markets and electric bills right now, even before actual shortages.

Pacific G&E estimates that every month of delay at Diablo Canyon will cost it \$28 million. Multiply that by all the other hamstringing projects and the bill is a very large one.

It is, of course, true that all the litigious red tape that costs jobs to construction workers and factory hands represents added work for lawyers, lobbyists and advocates.

A shallow economic analysis

might hold that we thus are creating better jobs. That theory doesn't hold up unless the upgraded jobs are also useful to the public, and we have serious doubts about that.

Lacking of course, is a clear-cut commitment, endorsed by Congress, that the nation wants continued economic development and is willing to give utilities clearance to proceed with their projects within sensible guidelines having to do with safety and environmental pollution.

Unless such a policy is forthcoming soon — and another session of Congress is slipping by without any definitive action — it may not be long before things start getting a bit dim in the Southwest.

## The FORUM

### Opposes law that limits co-signers

To the Editor:

I think the people of Illinois should know what the state laws that are being passed right under our noses.

I'm 27 years old, and have worked at my place of employment for over six years. I wanted to buy a new car and was trying to get a loan. I don't

have enough credit established and they wanted a co-signer.

A friend and her husband were willing to co-sign for me, but the loan was denied because of a new Illinois law passed October 1975, stating that a co-signer has to be either a mother, father, sister or brother.

My father is almost 70 years old, and I don't have any

brothers or sisters, so I'm denied credit.

I claim discrimination, but it's a law and I can't get around it. I think new laws should be published so the public knows what's going on in their own state.

Who makes up these laws?

# Wilderness river, park issues spotlighted

(Sierra Club Great Lakes Chapter)

On national issues and legislation of concern to Illinois, the Great Lakes Chapter (Illinois) of the Sierra Club strongly supports:

1) Protection of the Upper Mississippi River from increased barge traffic and increased dredging threatened by construction of new Lock and Dam 26 at Alton.

The Sierra Club is against construction of Lock and Dam 26 under current proposed engineering specifications.

2) Creation of a wilderness area in the Upper Mississippi River. This action would give wilderness protection to U.S. Fish and Wildlife Refuge lands and Corps of Engineers lands in northern Illinois, Iowa, Wisconsin and Minnesota along the Mississippi River.

3) Creation of new parks, wildlife refuges and wilderness areas and the funds necessary for their staffing and management.

4) Active protection of "endangered" and "threatened" wildlife, as well as those species in "unstable decline."

5) National forest reform that protects our nation's forests from abusive timber practices and better reflects the national aesthetic, recreational, wildlife and water and soil management values.

6) Stewardship of the federal government's public lands — mostly in the western United States — to reflect the needs of all Americans and the values of

wildlife, beauty, recreation and soil and water conservation, as opposed to their present almost exclusive use for mining and grazing interests.

7) Protection of the boundary waters canoe area of Minnesota as the actual wilderness area it is supposed to be and not subject to the current federal logging, mining, snowmobiles and motorboats.

8) Disposition, representing America's public interest, of Alaska's public lands by the imposed Dec. 17, 1978, deadline with the goal of doubling the land area of our nation's existing national parks, wilderness areas and wildlife refuges.

9) Continued research into safe methods of producing nuclear power and of safe methods of disposing of nuclear waste.

Regarding Illinois issues and legislation, the Great Lakes Chapter of the Sierra Club strongly supports:

1) The restoration of Illinois state parks to their status before the imposition of sports hunting by the Governor Daniel Walker administration. The Sierra Club is against state park hunting.

2) The state parks of Illinois are wildlife sanctuaries, but permit game hunting destroys them as such.

3) Greatly increased land acquisition for state parks.

4) Already ranks 48th out of 50 nationally in state park acreage per capita — far behind almost every other state.

5) Establishment of a linear park for the middle fork of the Vermilion River near Danville. Conversion of a reservoir here would destroy a great scenic and recreational treasure.

Of remarkable beauty, this

for park purposes and for wildlife habitat of the Indiana Dunes along Lake Michigan.

6) Appropriation funding for the Rock Island Trail near Peoria.

The Rock Island Trail is a pioneer project in establishing recreational trails for the citizens of Illinois, and the future of public trails in Illinois hinges on its success in being funded.

7) Legislation putting teeth into litter prevention and energy saving by establishing monetary deposits on "throwaway" bottles and cans.

8) Research into, and worldwide education population control and its crucial importance.

9) Continued research into safe methods of producing nuclear power and of safe methods of disposing of nuclear waste.

## Outdoor sportsmen support conservation

By PRESIDENT

GERALD R. FORD

National hunting and fishing day will be observed Sept. 25, 1976.

It is appropriate during this Bicentennial year to review our national achievements and look ahead to how we can equal and surpass them in the future.

The theme for "National Hunting and Fishing Day," "Making A Good Thing Better," aptly reflects the spirit of our two hundredth anniversary observance.

As we lay the cornerstone of our third century, we can be encouraged that the conservation movement is succeeding and that most Americans are working hard to preserve our great natural heritage for future generations.

American hunters and fishermen were among the first environmentalists. They have traditionally held strong opinions about clean air, good water and a livable habitat for wildlife.

They have been in the forefront of the activists who want to maintain these qualities, not only because it is important to them, but because they will benefit all of society.

Through excise taxes on hunting and fishing equipment that were imposed with the full endorsement of sportsmen's organizations, millions of dollars have been channeled into the maintenance and improvement of habitat across the land.

Some modern-day environmentalists are not aware of the past contributions that our outdoor sportsmen have made to this cause. And others may not fully comprehend that wildlife populations need to be managed scientifically like all other natural resources.

Properly regulated by the states with federal assistance, fishing and hunting are an integral part of wildlife management. Getting this message across by example and not simply by words is a major part of the challenge that lies ahead.

I welcome the opportunity of this national observance to greet the nation's hunters and fishermen and the organizations that represent them and to commend them on their sensitivity and responsiveness to a movement that deserves the support of all Americans.

There is at least one major national problem that alarms (and unnerves) both social and economic conservatives: Inflation.

Conservative know what it is doing to the national economy, and social conservatives know what it is doing to the family budget.

In June 1976, Opinion Research Corporation asked people to name the biggest problem we face.

Thirty-six per cent picked "government spending," which was inflated by 30 per cent and 30 per cent there "inflation."

That's a pretty encouraging indication that at least 66 per cent of us are on the "right" track.

are—by and large—the frustrations caused by tripping upon the wreckage of 40 years of liberal social experimentation.

But I think it is simplistic to imagine that the problems in the conservative camp.

## Yellow Hammer cars, Lucky Lindy recalled

While students of sociology and history at Southern Illinois University at Edwardsville struggle with the societal problems of the early 1920s, senior citizens who attended a class at the university have written a first-hand account of how they actually dealt with the era.

The booklet, "I Remember—A Collection of Memoirs," contains memorable experiences of runaway horses, 25-cent haircuts, 16-cent steak, corduroy roadways and four-seater boarding house privies.

It also chronicles the events of McKinley's assassination, John Dillinger's shoot-out and Lindbergh's transatlantic flight.

According to their instructor, Jane Pennell, the students were generous during the classroom sessions in sharing their early years' experience.

"One of the remarkable things about the senior citizens is their tolerance for current manners and culture."

"They could hark back to the good old days with humor, nostalgia and appreciation, with only a few signs of censoring the present for having lost a great deal of the charm of the past," Mrs. Pennell said.

They could also remember the not-so-good old days and be grateful for the progress that has been made on so many fronts in their lifetimes, she said. Some of their writings appear so vivid that they could be drawn from today's experiences, she adds.

"One of my fondest memories is of riding on the open streetcar to Union Park. I can still feel the car swaying and the branches of trees brushing against it as it would wend its way across bridges over small creeks on its way to the park."

"And I can feel the fresh country air as we rode in the open car, with the conductor walking along the running board to collect fares," Alex Duccini said.

Hazel Sheppard also had fond memories of a streetcar familiar to local inhabitants, the Yellow Hammer, a "Toonerville trolley" which traveled between Edwardsville, the Quad-Cities area, St. Louis, stopping at all crossroad stations along the way.

"We would board the car in town at any corner that was handy. Then we would ride and clang out of town through the hills and valleys of what is now the Delyle Morris Bikeway," Miss Sheppard said.

"If there were no other stops,

we would swoop down past the bluff road and on through the prairie at terrific speed, with telegraph poles flying by in a dizzy blur."

"As we came home, the pace would be more leisurely because we were pulling up grade," she said.

Anne Noeth remembers the street cars in a more somber setting. "In the early 1900s, the streetcars were draped with black cloth on the outside. I was about seven years old, and I asked my father what was the reason. He told me that President McKinley had been assassinated," she said.

Not all the changes made in the name of progress have been accepted by the older people. Duccini told a "Mark Twain" story of camping on an island every summer. Then he wrote: "Everytime I go to Dubuque now, I go to the lock and dam, gaze out over the wide expanse of river in which my island is hidden, and curse progress and the Corps of Engineers."

"I was in the name of progress have been accepted by the older people. Duccini told a 'Mark Twain' story of camping on an island every summer. Then he wrote: 'Everytime I go to Dubuque now, I go to the lock and dam, gaze out over the wide expanse of river in which my island is hidden, and curse progress and the Corps of Engineers.'"

of homemade knitting needles. "He took heavy wires and straightened them and pointed them sharply; then he showed us how to use them," she said.

It was winter, and the children were sitting around the kitchen table in front of the coal range. Mrs. Corey said she remembered her father, in giving instructions to her sister Dorothea, saying, "Whoops, you dropped a stitch."

"I got down on the floor to look for it. 'I'll always remember his laughter,' she concluded.

## Collection opens new GC office

Illinois Attorney General William J. Scott's Consumer Protection Division obtained a court injunction during the week against a Missouri debt-collection service.

The petition for a preliminary injunction alleged that James O. Trei, doing business as Allied Credit Adjusters, of Florissant, Mo., has been mailing a collection letter to Illinois residents, using an approach and language violating Illinois law.

Scott's legal complaint said Allied used deceptive business practices by asserting in its collection letter that it is "a legal five-day notice" and including a notation that the letter is carbon-copied to a "prosecuting attorney file."

Also, the letter quotes from the Illinois Criminal Code, implying the consumer has violated criminal statutes, Scott said.

The complaint for injunction noted that the letters are sent to consumers without legal action being initiated and without consultation with "prosecuting attorneys."

Allied Credit is enjoined from engaging in collection services which employ deception, threat or omission of material fact. Scott has asked the court for return of money paid by Illinois consumers in response to the alleged collection practices, and for appropriate civil penalties.

ED SHEM WELL

## Shemwell opens new GC office

Ed Shemwell, field agent for American National Insurance Companies, is announcing the opening of a sales office at 2740 Madison Ave.

American National has been in the life insurance industry since 1905. It is currently ranking approximately 30th in a field of about 1,800 life insurance companies doing business in the United States, Shemwell said.

Having over \$2 billion in assets, American National has launched into the casualty field and is licensed to write casualty business in 10 states including Illinois, he added.

The Granite City office will feature coverages on autos and homeowners. It also will offer several life and health plans to choose from, including disability, savings, retirement, and hospitalization, Shemwell said. Shemwell lives at 2645 Washington Ave.

The office telephone number is 876-5309.

**HURT ON MOTORCYCLE**  
Truman Crispell, 38, Granite City, was treated at St. Elizabeth Hospital last week for abrasions to his left shoulder and right wrist suffered in a motorcycle accident. He was released after treatment.

## Howlett is promising efficiency, no tax hike

Michael J. Howlett, Democratic nominee for governor, is contending that his opponent, James R. Thompson, lacks the "experience and know-how to prevent an increase in state taxes."

Addressing the Illinois Broadcasters Association fall convention at Springfield, Howlett said the state doesn't need higher taxes in the next term. As governor, he would not approve increased taxes under any condition, he added.

"If taxes are to be increased, it will be over my veto," said Howlett.

"I lay my political future on the line on this issue. If I fail to honor this commitment, I will

not seek re-election when this unique, two-year term is up in 1978."

"Mr. Thompson is soft on a tax increase. He keeps saying he won't make any promises about taxes."

"He is not committed to stopping increased taxes, or he would say so. I have, and I will. I promise you and the 11 million people of Illinois I will not seek a second term if state taxes are increased during the next two years."

"Remember three things: First, the income tax—our last state tax increase—was promoted and signed into law by a Republican governor."

"Second, my Republican

opponent refuses to say, as I have, that he opposes any sales or income tax increase during the term we seek."

"Third, my opponent has had no administrative experience in controlling costs and dealing with the General Assembly."

"Mr. Thompson keeps warning that someday 'taxes are going up' and that we can't predict the future. I disagree. 'State taxes are not like local taxes—as income taxes, the revenue they produce increases automatically.'"

In five years, state income tax revenue has risen 67 per cent, Howlett said; sales tax revenues also went up automatically with inflation.

"Revenue for general use from all state sources has increased no less than nine per cent a year since the income tax was instituted," said Howlett.

"The state should be able to meet its ordinary obligations with the automatic annual increase of \$400 million in state money, plus increases in federal aid."

"With professional efforts by the Howlett administration to improve the Illinois economy, to eliminate wasted spending and to control state expenditures, there is no reason we cannot

meet our obligations, especially in education, without increased taxes."

Howlett said a major issue between himself and Thompson is who can manage state government efficiently and avoid increased taxes.

"In 16 years in state government, I have never run a deficit," he said. "In my first two years, I returned a fifth of my budget to the state for other uses."

"Last year, I returned \$3 million unspent."

As auditor of public accounts for 12 years, he said, he cut the unit cost of paying bills despite inflation; as secretary of state, he has reduced personnel by 12 1/2 per cent.

## For only \$1.58, you can make a ten-minute Long Distance call to the farthest point in the United States.

It's almost 2,000 miles from Illinois to Patrick's Point in northern California.

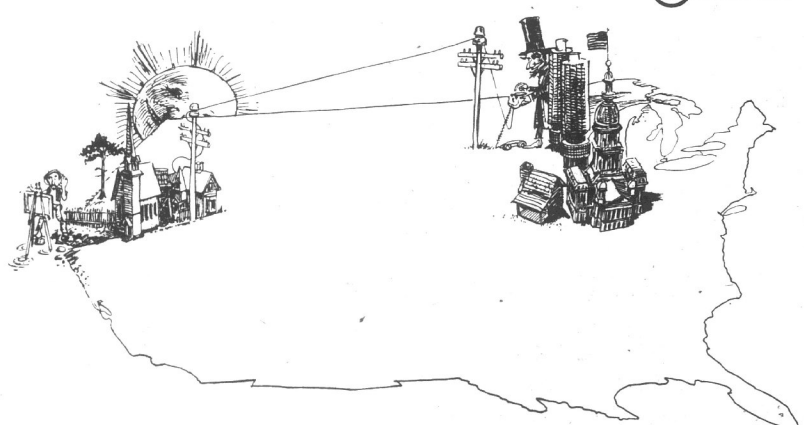

By our calculations, it's about the farthest point from Illinois in the United States (excluding Alaska and Hawaii).

Yet for just \$1.58, you can call Patrick's Point by Long Distance and talk for ten minutes.

All you have to do is dial direct. And call on the weekend—anytime Saturday or before 5 p.m. Sunday.

Now if you can make a ten-minute call as far away as Patrick's Point for only \$1.58—obviously, it would cost even less to call Topeka or Pittsburgh or just about anywhere else in the U.S.

Direct-Dial rates do not apply to coin, hotel, guest, hospital patient, credit card, collect or person-to-person calls, or to calls charged to another number, because an Operator must be involved with such calls. They do apply on calls placed with an Operator from a residence or business phone where Direct-Dial facilities are not available. Rates quoted do not include tax.

**CURB REPLACEMENT** excavations are shown in the 2400 block of Washington Ave. Friday. This view is looking south. Curb will also be replaced at several other locations as part of a \$220,000 street improvement project by Granite City. (Press-Record Photo)

## Concert Choral membership open

Members of the community who like to sing are being invited to join the Community Choral Society at Southern Illinois University at Edwardsville.

Leonard Van Camp, professor of music at the university and director of the Concert Chorale, has announced that the Community Choral Society will hold its first rehearsal at 7:30 p.m. Tuesday, Sept. 28, in Room 1402 of the Peck Classroom Building.

There are no auditions, and membership is open to anyone who has an interest in singing. The four-voice chorus group usually attracts more than 100 members each year, ranging from those who have had musical training to those who have had none. Amateurs are welcome, Van Camp said.

"You don't have to have a great appreciation for classical music to appreciate the kinds of works we do," Phil Calagno, president of the Choral Society and serials librarian at Lovejoy Library, said. "People will find the music enjoyable simply because the melodies are pretty," he added.

Calagno has been a member of the choral group since he graduated from the university in 1968. The group has had members from all walks of life, including engineers, elementary teachers, students, ministers, housewives, factory workers, store clerks, farmers and even husband and wife teams. "Some people drive long distances to get to sing with the group," Calagno said.

Despite the fact that many are amateurs, they have continued to maintain a high performance level. Members pay a nominal membership fee, purchase their own music, and furnish their own concert attire. Beginning Sept. 28, the Community Choral Society will hold rehearsals each Tuesday from 7:30 until 8:30 p.m., meeting for the entire academic year. The group does not meet during the summer.

In the past, the songsters have performed with the St. Louis Symphony, St. Louis Philharmonic Orchestra, and SIUE University Orchestra, performing such masterworks

as Haydn's Creation, Mendelssohn's Elijah, Mozart's Requiem, Brahms's Requiem and Carl Orff's Carmina Burana.

On Sunday, Dec. 5, the Community Choral Society will perform Handel's Messiah in Meridian Hall on the SIUE campus, with Robert Schieber, SIUE director of orchestral activities, conducting. The concert will include performances by the SIUE University Chorus and the Concert Chorale.

Soloists for the concert will be selected from students studying voice at the university and from membership of the Community Choral Society, with auditions to be held in early November, an Camp said.

On Feb. 28, the Choral Society will sing operatic highlights in a combined program with the Opera Fracture, directed by Rico Serbo, a new member of the SIUE music faculty. The group will again combine with the SIUE Orchestra in the spring for a performance of the Verdi Requiem under the direction of Van Camp. The program will be presented twice, May 26 and 27, in a benefit concert for the Student Scholarship Fund at SIUE.

## Remodeling, repairs head building work

Building permits listing value totaling \$47,629 have been issued by Granite City during the first half of September.

The 31 permits issued include four for additions with costs totaling \$6,200; four for garages and carports with values totaling \$4,150; 18 for remodeling and repairing structures at a total cost of \$32,234; one for a \$4,000 commercial addition, and four for miscellaneous projects with values totaling \$945 listed.

The number of permits and values listed are well below the August totals as 86 permits listing values totaling \$300,204 were issued last month.

Permits issued in the first half of September were to: Wesley Hursey, 5 Lexington Court, carport, \$500; Bell Telephone, break curb and pour drive at 21st and Edison, \$900; Church's Fried Chicken, 3142 Nameki Road, front addition to building, \$4,000; Harold Rudolph, 2615 Edison, new roof, \$675.

Also, Ray Stricker, 1326 Rhodes, remodel, \$200; Vern Walker, 2828 Forest, carport, \$450; Thomas Christopher, 3507 Johnson, enclose rear porch, \$1,350; Robert McCauley, 2455 Lynch, enclose sun room, \$1,200; Mabel Dacus, 3016 Ash, brick veneer, \$1,000 and Carl Dan, 2118 Grand, remodel interior, \$10,000.

Fred Rivoir, 2259 Benton, overhang and siding, \$1,070; Dan, 2118 Grand, remodel, enlarge carport, \$170; Charles Monitz, 3115 Colgate, aluminum overhang, \$970; Russell Benson, 3151 Roger, carport, \$700; Royce Realty, 2862 Madison, enclose porch, \$250; American National Bank, sign at West Ponton Road and the railroad tracks, no cost listed.

Carl Robell, 4027 Melrose, overhang and guttering, \$1,549; Vincent Ash, 2808 Iowa, rear porch, \$500; Robert Schneidder, 3200 Fox Photo, 3673 Nameki, sign, no cost listed; Gary Crane, 3037 Iowa, enlarge upstairs, \$1,000; Edwin Busher, 3226 Westchester, garage and back porch, \$700.

Other permits in August included a \$9,200 remodeling for a Taco Bandit Restaurant in the Baymore Village shopping center, a \$7,000 permit to remodel the former Madison County Federal Savings space into a new building for Joseph Haasler Insurance, 3723 Nameki Road, a \$45,800 office and locker room on Highway 3 for the Illinois Terminal Railroad, and a \$59,500 office building for N. L. Industries, 16th and Cleveland.

Other permits in August included a \$9,200 remodeling for a Taco Bandit Restaurant in the Baymore Village shopping center, a \$7,000 permit to remodel the former Madison County Federal Savings space into a new building for Joseph Haasler Insurance, 3723 Nameki Road, a \$45,800 office and locker room on Highway 3 for the Illinois Terminal Railroad, and a \$59,500 office building for N. L. Industries, 16th and Cleveland.

Other permits in August included a \$9,200 remodeling for a Taco Bandit Restaurant in the Baymore Village shopping center, a \$7,000 permit to remodel the former Madison County Federal Savings space into a new building for Joseph Haasler Insurance, 3723 Nameki Road, a \$45,800 office and locker room on Highway 3 for the Illinois Terminal Railroad, and a \$59,500 office building for N. L. Industries, 16th and Cleveland.

porch, \$2,500; Robert Richmond, 1880 Spruce, room addition, \$1,000; Bernice Townzen, 1747 Delmar, remodel and repair, \$1,000; Mary Narup, 2324 Lincoln, aluminum siding, \$2,950; William Johnson, 2836 Fortune, aluminum siding, \$1,950; Mathew Papes, 2628 Center, driveway repairs, \$45; Al Malotki, 33 Oaklawn, porch, \$1,500; Russell Weil, 1541 Garfield, room addition, \$3,200; Cohen Super Market, 2301 Illinois, interior remodeling, \$3,800; and Raymond Davis, 1640 Primrose Ave., steel siding, \$2,500.

The city also issued a permit during the first half of September to raze a four-room house at 2906 Cayuga, with no cost listed for the work.

The number of permits issued during September was overshadowed by the August permits which included several large projects, including a \$55,000 new building for Joseph Haasler Insurance, 3723 Nameki Road, a \$45,800 office and locker room on Highway 3 for the Illinois Terminal Railroad, and a \$59,500 office building for N. L. Industries, 16th and Cleveland.

Other permits in August included a \$9,200 remodeling for a Taco Bandit Restaurant in the Baymore Village shopping center, a \$7,000 permit to remodel the former Madison County Federal Savings space into a new building for Joseph Haasler Insurance, 3723 Nameki Road, a \$45,800 office and locker room on Highway 3 for the Illinois Terminal Railroad, and a \$59,500 office building for N. L. Industries, 16th and Cleveland.

Center on Nameki Road, \$2,000 for remodeling at the First Granite City Savings office at 1529 Johnson Road, and a \$500 permit to remodel the former Downtown Drugs restaurant at 19th and Delmar into the Pje Cupboard Restaurant.

Permits issued in the second half of August were to: George Hurcoy, 3087 Warren, roof repairs, \$100; and 3015 Warren, carport, \$400; David Moss, 1010 Bush, 2445 Wilson, interior swimming pool, \$800.

George Kuzma, 2624 Hodges, roof, \$200; Mrs. Peggy Anderson, 2025 Bryan, remodel house, \$4,000; Wilmer Calvin, 1919 to 1921 Benton, porch, \$100; Julius Toth, 2547 Hodges, repair storm damage, \$700; Vernon

Parker, 2900 Cayuga, metal building, \$170; Jannette Garrison, 2414 Grand, house repairs and garage, no amount listed; Elaine Feigl, 3137 Myrtle, repair storm damage, \$1,800; and Ethel Narup, 2324 Lincoln, new roof, \$300.

Edwardsville Road, mobile home, \$2,500; Lucy Tritschuh, 2525 Ponton, extend shed, \$100; E. J. Whaling, 2433 Washington, roof, \$450; Tom Herrin, 2024 Lindell, enclose carport, \$400; Bill Smith, 2434 Lincoln, siding, \$1,800; and Venida Schwertman, 2882 Indiana, reinforce carport, \$2,000.

John Culbert, 5 Cambridge, repair fire damage, \$5,000;

Kazmer Okai, 1524 Lindell, carport, \$480; Louis Cottrell, 2309 Independence, mobile home, \$11,700; Pat Cline, 3128 Jill, swimming pool, \$1,000; Nule Wright, 2410 Adams, siding, \$3,900; Ken Simon, 1828 Spring, remodel garage, \$4,000; L. E. Kinder, 2508 Missouri, replace siding, \$300; Robert Backs, 17 Bermuda, siding, \$1,500; and James Webb, 2365 O'Hare, siding, \$1,000.

# PHARMACY

HOW DO I TRANSFER MY PRESCRIPTION TO A K MART PHARMACY?

You merely bring your old label or bottle to K Mart and the pharmacist will take it from there, and do the necessary telephoning to the doctor.

\*\*\*\*\*IT IS AS SIMPLE AS THAT\*\*\*\*\*

You may also phone the number of your prescription to any one of our 9 K Mart Pharmacies

Bridgeton - 291-2290 Maplewood - 781-1643 St. Charles - 825-10  
Fairview Hgts. - 397-9756 Manchester - 394-7850 So. County - 882-3104  
Florissant - 831-8400 No. County - 868-1250 Wood River - 254-3891

The K Mart pharmacist will handle all the necessary details for you.

MADE WITH  
OWENS CORNING  
FIBERGLAS

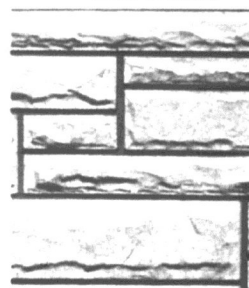

# New revolutionary AMROX fiberglas stone siding for your home is here!

*Your dream of a paint-free—maintenance-free exterior of fiberglas stone with the rich look and feel of real stone is a reality!*

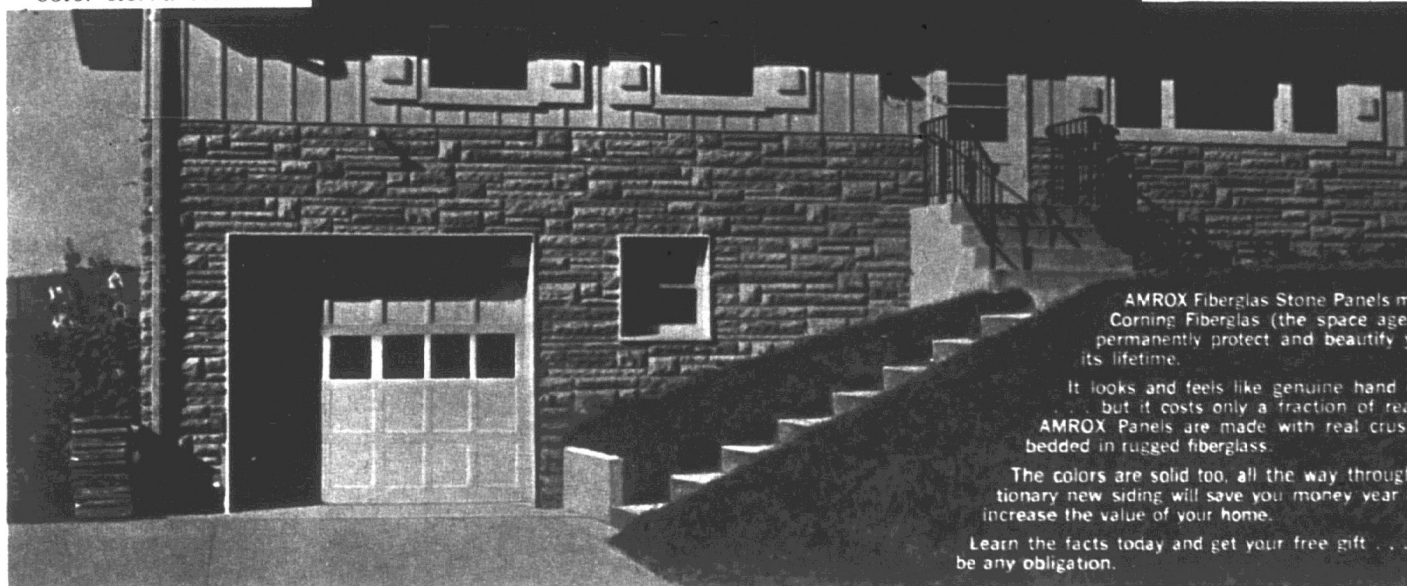

color sierra blend

made with  
**OWENS CORNING  
FIBERGLAS**

color georgian white

AMROX Fiberglas Stone Panels made with Owens Corning Fiberglas (the space age material) permanently protect and beautify your home its lifetime.

It looks and feels like genuine hand-cut stone but it costs only a fraction of real stone. AMROX Panels are made with real crushed stone bedded in rugged fiberglas.

The colors are solid too, all the way through. The revolutionary new siding will save your money year after year and increase the value of your home.

Learn the facts today and get your free gift... no obligation.

## SPECIAL OFFER

If you are a homeowner, send in the attached postage paid reply card and receive absolutely FREE this wonderful 7-piece set of WEST BEND TEFLON COOKWARE.

AMROX is introducing THE revolutionary Fiberglas Brick Siding that homeowners have been waiting for. Finally, homeowners with frame houses can have the ultimate in siding NOW.

AMROX presents Fiberglas Brick and Stone made with Owens Corning Fiberglas.

Frankly we're so enthusiastic over how Fiberglas Brick will beautify your home... and give it added maintenance protection, that we want you to know more about it.

That's why we are offering this great free gift. For allowing our representative the opportunity to tell you and your spouse about its amazing advantages, we will give you this free gift. There's no obligation to buy anything. Just listen to our story.

This is the siding you've heard so much about. It's made from Owens Corning Fiberglas. When applied it eliminates costly repairs and maintenance. No more painting frame siding, which is at the mercy of the elements... peeling, chipping, flaking, rotting and decay. AMROX Owens Corning Fiberglas Brick Siding provides rugged durability, resists impact better than wood, will not split or crack, and, cuts down on high fuel bills.

Best of all, it pays for itself in the savings you enjoy, year after year. Property values go up while you enjoy the beauty of your home.

So, if you are tired of expensive repairs, high fuel bills, and constant painting and maintenance, find out how YOU can really benefit with AMROX Owens Corning Fiberglas Brick or Stone. Mail the attached card now. This is a limited 5 day offer, so ACT NOW.

*New... Introducing the Wonder Product of the Space Age*  
**THE MOST PERFECT HOME SIDING EVER PRODUCED**  
**THE LUXURIOUS BEAUTY OF BRICK FOR THE LIFE**

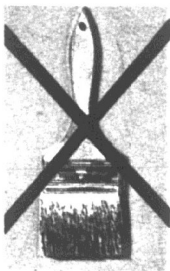

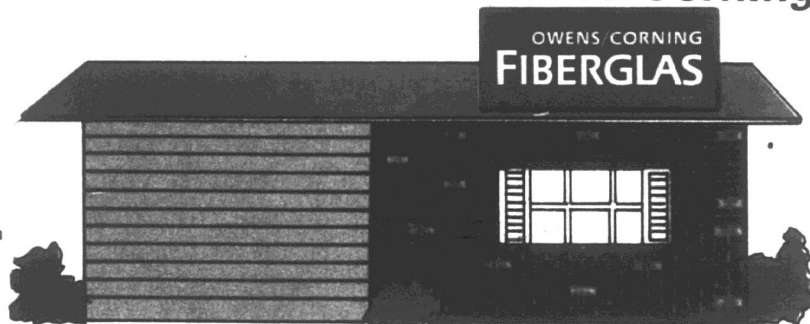

**AMROX Brick made of Owens Corning Fiberglas**

**END COSTLY REPAIRS . . .  
UP-GRADE YOUR HOME.**

You CAN step up from this to this! NOW!! Ease of application with Fiberglas beauty turns frame houses into permanently beautiful HOMES.

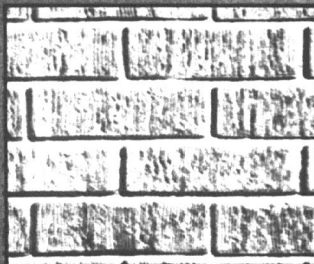

Why spend hard-earned time anymore just keeping up with season-to-season maintenance, when you can apply Amrox Fiberglas Brick and end the problems inherent to Wood Siding? You can, and we'll show you how.

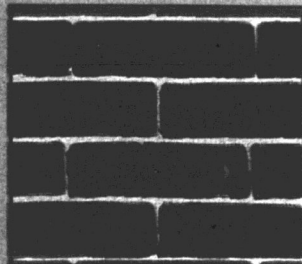

**CHANGE THIS** ↑

**TO THIS!** ↑

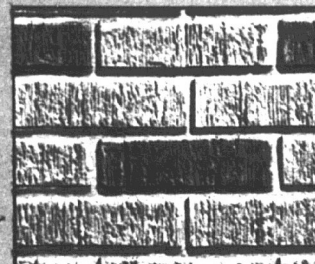

After years of research and development Amrox brick is now available to the American home owner. 1,000,000 pounds of hydraulic pressure forms this beautifully permanent brick made from patterns created by fine artisans. Real brick materials, a special blend of colors, and rugged Owens Corning fiberglas are bonded into Amrox brick. The result is a water-proof, rich, brick texture that doesn't chip or peel or rot in normal use. The unique patented design creates a pattern so aesthetically perfect that it looks more like brick than brick itself. Only those who know the cost know it's not brick, it adds the final touch of masonry beauty to any home.
